

Restaurant Brands International Inc.
A corporation continued under the laws of Canada

Audit Committee Charter
Originally adopted December 11, 2014

Amended October 30, 2015

Overview

This Charter identifies the purpose, composition, authority, meeting requirements, responsibilities, and annual evaluation procedures of the Audit Committee (the "**Audit Committee**") of the Board of Directors (the "**Board**") of Restaurant Brands International Inc., a corporation incorporated under the *Canada Business Corporations Act* (the "**Corporation**"), pursuant to the Board's Governance Guidelines and other applicable requirements.

This Charter reflects the fact that the Corporation has securities listed or quoted on the New York Stock Exchange (NYSE), and accordingly is exempted from certain requirements of National Instrument 52-110 – *Audit Committees* ("**NI 52-110**") so long as the Corporation (a) is in compliance with the requirements of the NYSE applicable to issuers, other than foreign private issuers, regarding the role and composition of audit committees, and (b) includes certain disclosure in its Annual Information Form. In the event that the Corporation no longer has any securities listed or quoted on the NYSE or another U.S. marketplace (as defined in NI 52-110), the Board will revise this Charter as necessary.

Purpose

The Audit Committee is created by the Board primarily for the purpose of overseeing the accounting and financial reporting processes of the Corporation and its subsidiaries, and audits of the financial statements of the Corporation and its subsidiaries.

The Audit Committee is responsible for:

- assisting the Board in its oversight of:
 - the quality and integrity of the financial statements of the Corporation and its subsidiaries and related disclosure;
 - the qualifications, independence and performance of the Corporation's independent auditor;
 - the performance of the Corporation's internal audit function;
 - the Corporation's systems of disclosure controls and procedures, and internal controls over financial reporting;
 - reviewing and approving decisions on swaps, including, without limitation, the types of swaps for which the Corporation may rely on the end-user exception, as provided in Title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and the rules promulgated by the Commodity Futures Trading Commission; and

- compliance by the Corporation and its subsidiaries with all legal and regulatory requirements and the Corporation's Compliance Program.
- reviewing and approving the Audit Committee report that is required by the Securities and Exchange Commission to be included in the Corporation's annual management proxy circular; and
- any other responsibilities assigned to the Audit Committee by the Board of Directors.

Members

The Audit Committee shall consist of at least three (3) members. Audit Committee members shall be appointed by the Board and may be removed by the Board at any time. The Board shall designate the Chair of the Audit Committee.

Qualifications

Each member of the Audit Committee shall meet the independence requirements (i) of the NYSE, (ii) set forth in Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), (iii) any other standards established by the SEC for membership on the Audit Committee, and (iv) any applicable standards established by the Toronto Stock Exchange (TSX) and Canadian securities regulatory authorities, each as determined by the Board in its business judgment, subject to an election by the Board to rely upon any applicable transition periods. In addition, each Audit Committee member shall be free of any relationship that, in the opinion of the Board, may interfere with his or her exercise of independent judgment as an Audit Committee member.

All members of the Audit Committee must be financially literate, as such qualification is determined by the Board in its judgment, and at least one member of the Audit Committee shall be an "audit committee financial expert," as such term is defined by the rules and regulations of the Securities and Exchange Commission ("**SEC**"). The Corporation shall identify the audit committee "financial expert" in its annual management proxy circular or annual report. Audit Committee members shall not simultaneously serve on the audit committees of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee, and discloses this determination in the Corporation's annual management proxy circular.

Removal and Replacement

The members of the Audit Committee may be removed or replaced, and any vacancies on the Audit Committee shall be filled, by the Board.
