

BURGER KING® AND NEXUS POINT ANNOUNCE MASTER FRANCHISE AGREEMENT FOR TAIWAN

OAKVILLE, ON – December 12, 2017 – Burger King AsiaPac Pte. Ltd. (“BKAP”) and Nexus Point Management Limited (“Nexus Point”) announced today a master franchise agreement to develop and strengthen the presence of the BURGER KING® brand in Taiwan.

“Taiwan is one of the largest quick service restaurant markets in the Asia-Pacific region and we’re pleased to announce this agreement as it will help us further develop and grow the BURGER KING® brand locally,” said José Cil, President of the BURGER KING® brand. “We look forward to working with Nexus Point to drive scale and market penetration in this attractive market, so we can continue to seize great opportunities for the BURGER KING® brand.”

“Burger King is one of the most iconic brands in the world and has a successful track record of working with private equity partners,” said Kuo Chuan Kung, Managing Partner of Nexus Point. “We are excited to accelerate the opening of new restaurants in the market and make further investments in technology and operations to better serve our guests in Taiwan.”

Today, the BURGER KING® brand has a presence across a number of countries in the Asia-Pacific region including China, South Korea and India. This new agreement will further expand the footprint of the BURGER KING® brand in Taiwan and strengthen its presence in the Asia-Pacific region.

Terms of the transaction were not disclosed.

About BURGER KING®

Founded in 1954, the BURGER KING® brand is the second largest fast food hamburger chain in the world. The original HOME OF THE WHOPPER®, the BURGER KING® system operates over 16,000 locations in more than 100 countries and U.S. territories. The BURGER KING® brand is owned by Restaurant Brands International Inc. (TSX,NYSE:QSR), one of the world's largest quick service restaurant companies with more than \$29 billion in system sales and over 23,000 restaurants. Almost 100 percent of BURGER KING® restaurants are owned and operated by independent franchisees, many of them family-owned operations that have been in business for decades. Forward-Looking Statements

This press release includes forward-looking statements, which are often identified by the words "may," "might," "believes," "thinks," "anticipates," "plans," "expects," "intends" or similar expressions and reflect management's expectations regarding future events and operating performance and speak only as of the date hereof. These forward-looking statements include statements about BKAP's expectations regarding the ability of Nexus Point to further develop

and grow the BURGER KING® brand in Taiwan by driving scale and market penetration. The factors that could cause actual results to differ materially from BKAP's expectations are detailed in filings of Restaurant Brands International Inc. ("RBI") with the U.S. Securities and Exchange Commission and with the securities regulatory authorities in each province and territory of Canada, such as its annual and quarterly reports and current reports on Form 8-K and include the following: risks related to RBI's ability to successfully implement its domestic and international growth strategy; and risks related to RBI's ability to compete domestically and internationally in an intensely competitive industry. Other than as required under U.S. federal securities laws or Canadian securities laws, we do not assume a duty to update these forward-looking statements, whether as a result of new information, subsequent events or circumstances, change in expectations or otherwise.
