(b) maintain the Acquired Assets in their present order and condition, reasonable wear and use excepted, and deliver the Acquired Assets to Purchaser on the Closing Date in such condition, and maintain all policies of insurance covering the Acquired Assets in amounts and on terms substantially equivalent to those in effect on the date hereof, except that Sellers shall remove all perishable goods from the premises of each Purchased Store, and drain and boil out each fryer located at the Purchased Stores; and

(c) comply with all Laws applicable to the conduct of the Business.

7.3 Certain Acts Prohibited.

From the date hereof to the Closing Date, Sellers shall not, without the prior written consent of Purchaser, take any of the actions described in Section 5.8 hereof.

7.4 Other Transactions.

Sellers shall deal exclusively and in good faith with Purchaser with regard to the sale of the Acquired Assets to Purchaser and will not, and will direct their respective Related Persons, financial advisors, accountants, agents, and counsel not to (i) solicit submission of any Acquisition Proposals, (ii) participate in any discussions or negotiations regarding, or furnish any non-public information to any other Person regarding the Business or the Acquired Assets.
other than Purchaser and its representatives or otherwise cooperate in any way or assist, facilitate, or encourage any Acquisition Proposal by any Person other than the Purchaser, or (iii) enter into any agreement or understanding, whether in writing or, if legally binding, oral, that would have the effect of preventing the consummation of the transactions contemplated by this Agreement. If, notwithstanding the foregoing, Sellers, or their respective Related Persons, representatives or agents should receive any Acquisition Proposal or any inquiry regarding any such proposal from a Third Party, such persons shall promptly inform Purchaser and its counsel in writing of the facts and terms thereof.

7.5 Notification of Changes; Supplemental Disclosure.

(b) If any information provided by Sellers to Purchaser pursuant to Section 7.5(a) shall disclose the existence or occurrence of a circumstance or event that is a Material Adverse Change, except as provided in the last sentence of this Section, such information shall not in any respect be deemed to amend the schedules to this Agreement and the Purchaser shall have the right, at Purchaser’s election, to either (i) terminate this Agreement by written notice to that effect (specifying the basis for such termination to Sellers) within ten (10) days after its receipt of such supplemental disclosure; and upon such timely termination, the Purchaser shall be released of all of its obligations hereunder, or (ii) to consummate the transactions provided for herein. Purchaser shall notify Sellers in writing within ten (10) days after Purchaser’s receipt of such supplemental disclosure of its election under this Section 7.5(b).

7.6 Environmental Permits.

At the Closing or as soon as practicable thereafter, Sellers shall cause the Environmental Permits, if any, to be assigned or transferred and reissued to Purchaser to the extent permitted by Law or the terms of such Environmental Permits.

Purchaser (or Purchaser’s designee) shall assume all rights and obligations of Sellers arising on or after the Closing Date under the Assumed Contracts. Any Assumed Contracts designated by Purchaser shall be assigned to and assumed by Purchaser (or Purchaser’s designee) at Closing. The final determination of which Contracts Sellers will assume and assign to Purchaser shall be within the sole discretion of Purchaser.

ARTICLE 8 MUTUAL COVENANTS

8.1 Bankruptcy Court Approval.

(a) Sellers and Purchaser acknowledge that under the Bankruptcy Code, this Agreement and the sale of the Acquired Assets are subject to Bankruptcy Court approval.

(b) As soon as possible after the execution of this Agreement, but in no event later than two (2) business days after the date of this Agreement, Sellers shall file the Sale Motion with the Bankruptcy Court.

(c) Sellers shall use commercially reasonable efforts to obtain entry of the Sale Order no later than November 9, 2012.

(d) In the event an appeal is taken, or a stay pending appeal is requested, from the Sale Order, Sellers shall immediately notify Purchaser of such appeal or stay request and shall provide to Purchaser promptly a copy of the related notice of appeal or order of stay. Sellers shall also provide Purchaser with written notice of any motion or application filed in connection with any appeal from such order.

(e) From and after the date hereof, Sellers shall not take any action which is intended, or fail to take any action the intent of which failure to act would result in the reversal, voiding, modification or staying of the Sale Order.

8.2 Further Mutual Covenants.

Purchaser and Sellers shall each take all actions contemplated by this Agreement, and, subject to Purchaser’s and Sellers’, as applicable, right to terminate this Agreement pursuant to Article 13 hereof, do all things reasonably necessary to effect the consummation of the transactions contemplated by this Agreement. Except as otherwise provided in this Agreement, Purchaser and Sellers shall each refrain from knowingly taking or failing to take any action which would render any of the representations or warranties contained in Article 5 or Article 6,
as applicable, of this Agreement in any material respect inaccurate as of the Closing Date. Each Party shall promptly notify the other Party of any action, suit, or proceeding that shall be instituted or threatened against such Party to restrain, prohibit, or otherwise challenge the legality of any transaction contemplated by this Agreement.

8.3 Prorations.

To the extent not included in the Assumed Liabilities, all Proration Items and all other items, if any, including income and expenses typically prorated in connection with the transfer of a lessee’s interest under the Real Property Leases, that shall be paid by Purchaser or otherwise affect the Business or the Acquired Assets and that relate, in whole or in part, to periods prior to the Effective Time, shall be apportioned to the Effective Time, and representatives of Sellers and Purchaser will examine all relevant Books and Records as of the Effective Time in order to make the determination of the apportionments, which determinations shall be calculated in accordance with the past practices of the Business to the extent applicable. The net amount of all Proration Items and all other items, if any, will be settled and paid on the Closing Date. In the event that the amount of any of such items is not known by Sellers and Purchaser at the Closing, the proration shall be made based upon the amount of the most recent cost of such Proration Item to Sellers.

8.4 De-Imaging Expenses.

Purchaser shall be responsible for all reasonable costs associated with any required de-imaging of the Non-Assumed Stores. Purchaser shall assume no other liabilities or responsibilities associated with the Non-Assumed Stores.

ARTICLE 9 CONDITIONS PRECEDENT TO OBLIGATIONS OF PURCHASER

The obligation of Purchaser to consummate the transactions contemplated by this Agreement shall be subject to the satisfaction, on or before the Closing Date, of each of the following conditions all or any of which may be waived in writing, in whole or in part, by Purchaser:

9.1 Certificate Regarding Representations and Warranties.

All information required to be furnished or delivered by Sellers pursuant to this Agreement shall have been furnished or delivered as of the date hereof and as of the Closing Date, as required hereunder; each of the representations and warranties made by Sellers in Article 5 shall be true and correct in all material respects on and as of the Closing Date with the same force and effect as though such representations and warranties had been made on and as of the Closing Date, provided that for purposes of this Section 9.1, if any representation or warranty
made by Sellers includes within its terms a materiality qualifier, such qualifier shall be disregarded solely for purposes of determining compliance with this Section 9.1; and Purchaser shall have received certificates dated as of the Closing Date executed by an authorized officer of each Seller to such effect.

9.2 Compliance by Sellers.

Sellers shall have duly performed in all material respects all of the covenants, agreements, and conditions contained in this Agreement to be performed by Sellers on or prior to the Closing Date. Purchaser shall have received from Sellers all such certificates or other evidence, dated as of the Closing Date, as Purchaser or its counsel shall reasonably request to evidence the performance of all covenants and the fulfillment by Sellers, or such other satisfaction at or prior to the Closing Date, of the terms and conditions of this Agreement.

9.3 No Injunction; Etc.

No Litigation, regulation, or legislation shall be pending or threatened which seeks to enjoin, restrain, or prohibit Purchaser, or to obtain substantial damages from Purchaser, in respect of the consummation of the transactions contemplated hereby, or which seeks to enjoin the operation of all or a material portion of the Business or the Acquired Assets, which, in the reasonable judgment of Purchaser, would make it inadvisable to consummate the transactions contemplated by this Agreement.

9.4 Consents; Authorizations; Approval of Legal Matters.

Purchaser shall have received a true and correct copy of each Consent, order and waiver that is (a) required for the assignment of the Permits and (b) otherwise required for the execution, delivery, and performance of this Agreement by Sellers. All Permits (including Environmental Permits) or Orders of any Regulatory Authority shall have been obtained or otherwise assigned or transferred and reissued to Purchaser to the extent permitted by Law or their terms, and Purchaser shall be satisfied with the conditions, and restrictions of and obligations under each such Permit or Order.

9.5 Instruments of Transfer.

Each Seller shall have delivered to Purchaser such warranty deeds, grant deeds, quitclaim deeds, bills of sale, endorsements, assignments, licenses, and other good and sufficient instruments of conveyance and transfer, including all documents set forth in Section 9.14 below with respect to the Real Property and Real Property Leases and any other instruments reasonably deemed appropriate by counsel to Purchaser all in form and substance reasonably satisfactory to counsel to Purchaser to vest in Purchaser all of such Seller’s rights, title, and interest, including good, marketable, insurable and valid title, in and to all of the Acquired Assets owned by such Seller, in each case, free and clear of all Liens (other than Permitted Encumbrances for the Real Property and Leased Real Property), and good, insurable (as to the Real Property Leases) and valid leasehold interests in and to all of the Acquired Assets leased by such Seller as lessee, and all of such Seller’s rights under all Contracts validly assigned to Purchaser pursuant to this Agreement.
9.6 Tax Certificates.

Purchaser shall have received from each Seller affidavits substantially in the form described in Treasury Regulation Section 1.1445-5(b)(3)(D) and California Form 593-C, and stating under penalty of perjury such Seller’s United States taxpayer identification number and that such Seller is not a foreign person.

9.7 Certified Resolutions.

Purchaser shall have received a certificate of the Secretary or Assistant Secretary of each Seller containing a true and correct copy of the resolutions duly adopted by the board of directors or other governing body, as applicable, of such Seller, designating an officer of each Seller to execute each of the Acquisition Documents to which such Seller is a party and each of the transactions contemplated hereby and thereby. The Secretary or Assistant Secretary of such Seller shall also certify that such resolutions have not been rescinded, revoked, modified, or otherwise affected and remain in full force and effect.

9.8 Incumbency.

Purchaser shall have received a certificate of incumbency of each Seller executed by the Secretary or Assistant Secretary of such Seller listing the officers of such Seller authorized to execute the Acquisition Document to which such Seller is a party and the instruments of transfer on behalf of such Seller and, certifying the authority of each such officer to execute the agreements, documents, and instruments on behalf of such Seller in connection with the consummation of the transactions contemplated herein.

9.9 Basic Corporate Documents.

Each Seller shall have delivered to Purchaser on the Closing Date copies of certificates from the Secretaries of State in the state where such Seller is incorporated or organized, as applicable, evidencing that such Seller is in legal existence.

9.10 Acquisition Documents.

Purchaser shall have received from each Seller the Acquisition Documents to which such Seller is a party, executed by such Seller.

9.11 Accuracy of Schedules.

Examination by Purchaser shall not have disclosed any material inaccuracy in the representations and warranties of Sellers set forth in this Agreement or in the Schedules delivered to Purchaser pursuant hereto.

9.12 Title Commitments; Surveys.

Purchaser, provided that Purchaser has used its commercially reasonable efforts to acquire the following at Purchaser’s sole cost and expense, shall have received title commitments from a nationally recognized title company selected by Purchaser for the issuance to Purchaser at
the Closing of an owner’s policy of title insurance on ALTA Extended Coverage (or such other insured coverage as determined by Purchaser) with endorsements as reasonably required by counsel to Purchaser, and ALTA surveys for the Real Property and the Leased Real Property (the "Title Commitments"), which shall be reasonably satisfactory to Purchaser.

9.13 Satisfaction of Title Objections and Release of Certain Liens.
Each Seller shall have satisfied Purchaser’s title objections to the extent required hereunder and, in addition, Purchaser at its discretion shall have received Uniform Commercial Code searches (which searches shall be made or caused to be made by and at the expense of Purchaser) of filings made pursuant to Article 9 thereof in all jurisdictions where any of the Acquired Assets are located, in form, scope, and substance reasonably satisfactory to Purchaser and its counsel.

9.14 Conveyance of Title to Real Property.
(a) Sellers shall convey title to the Real Property to Purchaser by grant deed and warranty deed in a form customarily used in the locality in which the Real Property is located and approved by the title company insuring the title to the Real Property. Each such deed shall be executed in accordance with the requirements of the Laws of the state in which such Real Property is located and shall be in such form and accompanied by such other conveyance documents, including without limitation, Preliminary Change of Ownership for Real Property located in California, as will permit the deed to be recorded in the county in which the Real Property is located. Sellers shall transfer and assign to Purchaser their rights under the Real Property Leases (and their rights in and to all deposits thereunder and all buildings, other structures, and improvements permitted to be retained or removed by the lessee thereunder) by transfer and assignment in form reasonably acceptable to Purchaser and its counsel. Regardless of whether Purchaser objects to the same as provided herein below, at the time of conveyance the Real Property and the Leased Real Property shall not be subject to (i) any Lien other than Permitted Encumbrances, or (ii) any Contracts or other rights of occupancy of any kind (other than the Real Property Leases), whether oral or written, except as disclosed to and accepted by Purchaser as provided elsewhere herein. Sellers shall provide (x) affidavit(s) of title stating that (A) there are no parties in possession of any of the Real Property or Leased Real Property other than Sellers (or otherwise specifically setting forth any such other parties’ rights and the source and extent of such parties’ rights), and (B) no Seller has caused any work to be performed on any of the Real Property or Leased Real Property within one hundred (100) days of the date of such affidavit(s), or if any Seller has caused any such work to be performed within one hundred (100) days of such date(s) that all such work has been completed and fully paid for (with respect to work in progress, to and through a date reasonably proximate to the Closing Date), (y) such other indemnities, lien waivers and other documentation as Purchaser’s title insurance company may reasonably request in order to permit Purchaser’s title insurance policy to be issued without exceptions as to matters arising in the “gap,” mechanic’s or material man’s liens, third parties in possession (other than specifically enumerated third parties as set forth above that are reasonably acceptable to Purchaser pursuant to the terms of this Agreement), and rights or claims of real estate brokers, and (z) recordable originals of any Real Property Leases, or recordable short forms thereof, which have not previously been recorded in the appropriate real property records.
(b) Prior to the Closing Date, Sellers shall satisfy those title objections set forth on Schedule 9.14, which cannot be remedied by entry of the Sale Order. If Sellers satisfy all such objections, then the transaction contemplated hereby shall be closed in accordance with the terms and conditions set forth herein. If Sellers do not satisfy all such title objections prior to the Closing Date, then Purchaser shall elect: (i) not to close the transaction contemplated hereby, in which event Purchaser shall be released from any further Liability hereunder; (ii) to close the transaction contemplated hereby without regard to such unsatisfied title objections, in which event the Purchase Price shall not be reduced; or (iii) to close the transaction contemplated hereby, excluding, however, the portion of the Real Property or Leased Real Property having such title objections but with no corresponding reduction in the Purchase Price.

(c) Prior to the Closing Date, Purchaser shall receive executed tenant estoppel certificates from lessors under the Real Property Leases, all in form and substance reasonably satisfactory to counsel to Purchaser.

9.15 Survey and Inspection of Property.

(a) Prior to the Closing Date, Purchaser and Purchaser’s agents, employees and independent contractors shall have the right and privilege to enter upon the Real Property and the Leased Real Property, during normal working hours and upon reasonable advance notice to Sellers, to inspect the Real Property and the Leased Real Property and to conduct soil and ground water sampling and analysis and other environmental, geological, engineering, percolation, hydrologic, feasibility, or landscaping tests or studies, all at Purchaser’s sole cost and expense, provided such testing does not unreasonably interfere with the operation of the Business at that location. Purchaser agrees to indemnify Sellers from and against any Liability or obligation arising out of the negligent acts of Purchaser or Purchaser’s agents in connection with such entry or testing by Purchaser or Purchaser’s agents under this subsection; provided, however, in no event shall this indemnity include nor shall Purchaser or Purchaser’s agents have any Liability for, any existing environmental conditions or contamination or the detection of such environmental conditions or contamination.

(b) Each parcel of Real Property shall be described in the deed conveying such parcel and other closing documents either by (i) the metes and bounds description set forth for such parcel (if any) on Exhibit 1 attached to and incorporated into Schedule 9.15(b) hereto, or (ii) the metes and bounds description of such parcel set forth in the deed vesting title to such parcel in Sellers, as said metes and bounds descriptions in item (i) or (ii) may be modified by mutual agreement of the parties acting in good faith with respect thereto, provided, however, in the event Purchaser or Sellers cause a new survey of a parcel of Real Property to be made by a land surveyor registered or licensed in the state in which such Real Property is located, and the resulting plat of survey accurately depicts the boundaries of such Real Property and those characteristics of such Real Property that would be revealed by a careful inspection of such Real Property and is otherwise reasonably acceptable to Sellers, then reference shall be made to such new plat in the description of such Real Property and the legal description in a quitclaim deed to be delivered to Purchaser in addition to the warranty deed or grant deed relating to such Real Property.
9.16 Eminent Domain.

If, after the date hereof and prior to the Closing, any Seller receives notice of the commencement or threatened commencement of eminent domain or other like proceedings against any portion of the Real Property or the Leased Real Property, such Seller shall immediately notify Purchaser, and Purchaser shall nevertheless close the transaction contemplated hereby in accordance with its terms but subject to such proceedings, in which event the Purchase Price shall not be reduced, and such Seller shall assign to Purchaser such Seller’s rights in any condemnation award or proceeds.

9.17 [Intentionally Omitted.]

9.18 No Adverse Change.

There shall not have been any Material Adverse Change since the date hereof, and Purchaser shall have received certificates dated as of the Closing Date, executed by an authorized officer of each Seller to such effect.

9.19 Condition of Acquired Assets.

On the Closing Date, all of the Acquired Assets shall be in substantially the same condition as at the close of business on the date hereof, except for ordinary use and wear thereof and changes occurring in the Ordinary Course of Business or expressly permitted by this Agreement between the date hereof and the Closing Date; provided, however, if on or prior to the Closing Date any of the Purchased Stores shall have suffered Loss or damage on account of fire, flood, accident, act of war, civil commotion, or any other cause or event beyond the reasonable power and control of Sellers (whether or not similar to the foregoing) to an extent which, in the reasonable opinion of Purchaser, materially affects the value of such Purchased Store, Purchaser shall have the right either (a) to consummate the transactions provided for herein and be paid the full amount of all insurance proceeds, if any, paid or payable to a Sellers, in respect of such Loss, or (b) to consummate the transactions provided for herein, excluding, however, the Purchased Store(s) which suffered the Loss or damage with a corresponding reduction in the Purchase Price based upon the allocable Purchase Price for such excluded Purchased Store. If under the circumstances described in the foregoing sentence, Purchaser shall elect to consummate the transactions provided for herein, Sellers shall, on demand, pay to Purchaser the full amount of any insurance proceeds received by Sellers in respect of any such Loss.

9.20 Bankruptcy Court Actions.

Purchaser shall have obtained documentation or other evidence reasonably satisfactory to it that the Sale Order has been entered by the Bankruptcy Court no later than November 9, 2012, and has become a Final Order, unless Purchaser, in its sole discretion, waives the requirement that the Sale Order be a Final Order.
9.21 Amendment of Real Property Leases.

Purchaser shall have received amendments to the Real Property Leases that are Assumed Contracts on commercially reasonable terms and conditions satisfactory to Purchaser, together with executed counterparts thereof, permitting Purchaser to operate the properties as Popeyes Louisiana Kitchen restaurants.

Purchaser shall have duly performed in all material respects all of the covenants, agreements, and conditions contained in this Agreement to be performed by Purchaser on or before the Closing Date, and Sellers shall have received a certificate dated the Closing Date, executed by an authorized officer of Purchaser, to such effect. Sellers shall have received from Purchaser all such certificates or other evidence, including an instrument or instruments of assumption of the Assumed Liabilities, duly executed by Purchaser, dated as of the Closing Date, as Sellers or their counsel shall reasonably request to evidence the performance of all covenants and the fulfillment by Purchaser, or such other satisfaction at or prior to the Closing Date, of the terms and conditions of this Agreement.

10.3 No Injunction; Etc.

No action, proceeding, investigation, regulation, or legislation shall be pending or overtly threatened by a Third Party which seeks to enjoin, restrain, or prohibit Sellers, or to obtain substantial damages from Sellers, in respect of the consummation of the transactions contemplated hereby, which, in the reasonable judgment of Sellers, would make it inadvisable to consummate such transactions.

10.4 Certified Resolutions.

Sellers shall have received from Purchaser a certificate executed by the Secretary of Purchaser containing a true and correct copy of resolutions duly adopted by Purchaser’s Board of
Directors approving and authorizing each of the Acquisition Documents to which Purchaser is a party and each of the transactions contemplated hereby and thereby. 11.4 Further Assurances.
Sellers from time to time after the Closing Date, at Purchaser’s request, will execute, acknowledge, and deliver to Purchaser such other instruments of conveyance and transfer and will take such other actions and execute and deliver such other documents, certifications, and further assurances as Purchaser may reasonably require in order to vest more effectively in

Each of the Parties hereto will cooperate with the other and execute and deliver to the other Parties hereto such other instruments and documents and take such other actions as may be reasonably requested from time to time by any other Party hereto as necessary to carry out, evidence, and confirm the intended purposes of this Agreement.
