Minibon® Roll Will Be Available in BK® Locations Nationwide By September

Atlanta (April 24, 2012) - Cinnabon, Inc. and Burger King Corp. today announced that Minibon® rolls will be served at more than 7,000 BURGER KING® restaurants throughout the United States. The Minibon® roll is currently being served in several markets, including Charlotte, Chicago, Miami, New Jersey and New York, and will expand regionally over the summer. Served in Cinnabon® bakeries since 1987, the Minibon® roll is a smaller version of the Cinnabon® classic roll, featuring the same Makara® cinnamon and signature cream cheese frosting that is served in Cinnabon® bakeries today.

"Our growth strategy over the next several years is aggressive and includes growth in franchising as well as licensing in other channels," said Kat Cole, president of Cinnabon. "Our guests throughout the U.S. want to be able to treat themselves to our products, and serving our products in BURGER KING® restaurants helps us serve those fans. We're excited to have the opportunity to celebrate the Minibon® roll's 25th birthday by expanding its availability across the country."
