MIAMI, FL - April 2, 2012 - Exciting things are happening at BURGER KING® restaurants nationwide. America’s Favorite Burger, the WHOPPER® sandwich, is sharing the spotlight on the BURGER KING® menu as the brand today unwraps its broadest expansion of food offerings in its 58-year history. Guests across the country can now enjoy a wider range of freshly-prepared, great-tasting food, which provides a variety of better-for-you options. More than a dozen new best-in-class BK® menu items are being introduced, including Garden Fresh Salads, Chicken Wraps, Crispy Chicken Strips, Real Fruit Smoothies and Frappés, all made-to-order with fresh new flavors that live up to the brand’s signature great taste.

“We spent the last year analyzing every aspect of our business to better understand what our guests expect from the BURGER KING® dining experience,” said Steve Wiborg, president, North America, Burger King Corp. (BKC). “We found that consumers wanted a broader range of menu options to complement our signature fire-grilled burgers. This expanded menu gives consumers more choices and more reasons to visit BURGER KING® restaurants.”

The new menu items include:

- **Garden Fresh Salads**: BLT, Apple and Cranberry or classic Caesar Salad varieties are made fresh-to-order, premium ingredients and topped with a choice of TENDERCRISP® or TENDERGRILL® chicken (suggested retail price starts at $4.99).
- **Chicken Wraps**: Honey Mustard Crispy Chicken Wrap and the Ranch Crispy Chicken Wrap are flavorful snack options with less than 400 calories each (suggested retail price of $1.59).
- **Real Fruit Smoothies**: Tropical Mango and Strawberry Banana smoothies are made with low-fat yogurt, real fruit and juices, providing a full serving of fruit (suggested retail price of $2.29).
- **Frappés**: Mocha and Caramel flavors are made-to-order with a hint of coffee and ice, topped with whipped topping and a swirl of fudge or caramel (suggested retail price of $2.29).
- **Crispy Chicken Strips**: Premium Crispy Chicken Strips are made with white meat tenderloin chicken, marinated and lightly battered in seasoned home-style breading, served in three- or five-piece servings and perfect for dipping in one of our classic or bold new sauces, such as new Kung Pao and Roasted Jalapeño Barbecue sauces (suggested retail price starts at $2.99).

“Over the past year, we developed and tested more than two dozen menu items,” said Wiborg. “After extensive consumer testing in both our test kitchens and at restaurants around the country, our consumers chose these as their favorites. From there we worked hard to make sure these new items are truly the best of what our brand has to offer.”

Star-studded National Advertising Launching Today
The new best-in-class menu items deserve the star treatment and the company enlisted a diverse cast of A-list celebrities representing the many faces of the American melting pot.
