LLC and certain other initial purchasers of \$1,400 million aggregate principal amount of 4.000% Second Lien Senior Secured Notes due 2030 (the “Notes”). The Issuers expect to use the proceeds from the issuance of the Notes to repay \$1,350 million of the Issuers’ outstanding 5.000% Second Lien Senior Secured Notes due 2025 (the “2025 Second Lien Notes”), plus any accrued and unpaid interest thereon, and pay related premium, fees and expenses.

Interest; Ranking; Guarantees; Security

The Notes will mature on October 15, 2030 and bear interest at a rate of 4.000% per annum, payable semi-annually in cash in arrears on April 15 and October 15 of each year, beginning on April 15, 2021. The Notes are second lien senior secured obligations and are (i) equal in right of payment with all of the Issuers’ existing and future senior debt, including borrowings under the Issuers’ senior secured first lien term loan A facility (the “Term Loan A Facility”) and senior secured first lien term loan B facility (the “Term Loan B Facility” and, together with the Term Loan A Facility, the “Term Loan Facilities”), the revolving credit facility (the “Revolving Credit Facility” and, together with the Term Loan Facilities, the “Senior Secured Credit Facilities”) and the obligation under the Issuers’ remaining 2025 Second Lien Notes, the Issuers’ 4.375% Second Lien Senior Secured Notes due 2028 (the “2028 Second Lien Notes” and, together with the 2025 Second Lien Notes, the “Existing Second Lien Notes”), the Issuers’ 4.250% First Lien Senior Secured Notes due 2024 (the “2024 First Lien Notes”), the Issuers’ 5.750% First Lien Senior Secured Notes due 2025 (the “2025 First Lien Notes”) and the Issuers’ 3.875% First Lien Senior Secured Notes due 2028 (the “2028 First Lien Notes” and, together with the 2024 First Lien Notes and the 2025 First Lien Notes, the “Existing First Lien Notes” and, together with the Existing Second Lien Notes, the “Existing Notes”); (ii) effectively subordinated in right of payment to all of the Issuers’ existing and future indebtedness that is secured by a lien on the collateral on a first-priority basis, including the Senior Secured Credit Facilities and the Existing First Lien Notes, to the extent of the value of the collateral securing such debt; (iii) equal in right of payment with all of the Issuers’ existing and future second-priority senior secured debt, including obligations under the Existing Second Lien Notes, to the extent of the value of the collateral securing such debt; (iv) effectively senior in the right of payment to all of the Issuers’ existing and future unsecured senior debt and junior lien debt, to the extent of the value of the collateral securing the Notes; (v) senior in right of payment to all of the Issuers’ future subordinated debt; and (vi) structurally subordinated to all existing and future liabilities of the Issuers’ non-guarantor subsidiaries.

The Notes are guaranteed (the “Guarantees”) fully and unconditionally, and jointly and severally, on a second lien senior secured basis by each of the Issuers’ wholly owned restricted subsidiaries that guarantee the Issuers’ obligations under certain credit facilities (including the Senior Secured Credit Facilities).

The Guarantees will be the Guarantors’ second-priority senior secured obligations and will be (i) equal in right of payment with all of such Guarantors’ existing and future senior debt, including borrowings under and guarantees of the Senior Secured Credit Facilities and guarantees in respect of the Existing Notes; (ii) effectively subordinated in right of payment to all of such Guarantors’ existing and future first-priority senior secured debt, including the borrowings under and guarantees of the Senior Secured Credit Facilities and the obligations under the Existing First Lien Notes and the existing notes of The TDL Group Corp. (which are secured by a first-priority lien on the assets of The TDL Group Corp.), to the extent of the value of the collateral securing such first-priority debt; (iii) equal in right of payment with all of such Guarantors’ existing and future second-priority senior secured debt, including the guarantees with respect of the Existing Second Lien Notes, to the extent of the value of the collateral securing the Guarantees; (iv) effectively senior to all of such Guarantors’ existing and future unsecured senior debt and junior lien debt to the extent of the value of the collateral securing the guarantees; (v) senior in right of payment to all of such Guarantors’ future subordinated debt; and (vi) structurally subordinated to all existing and future liabilities of all such Guarantors’ non-guarantor subsidiaries.

Optional Redemption

The Issuers may redeem some or all of the Notes at any time prior to October 15, 2025 at a price equal to 100% of the principal amount of the Notes redeemed plus a “make-whole” premium, plus accrued and unpaid interest, if any, to, but excluding, the

redemption date. The Issuers may redeem some or all of the Notes at any time on or after October 15, 2025 at the redemption prices set forth in the Indenture. In addition, at any time prior to October 15, 2023, up to 40% of the original aggregate principal amount of the Notes may be redeemed with the net proceeds of certain equity offerings, at the redemption price specified in the Indenture. The Notes may also be redeemed upon certain changes in tax laws.

In connection with any tender offer for the Notes, including a change of control offer or an asset sale offer, the Issuers will have the right to redeem the Notes at a redemption price equal to the amount offered in that tender offer if holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer.

Change of Control

If the Issuers experience a change of control, the Issuers must offer to repurchase the Notes from the holders thereof at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest (including additional amounts specified in the Indenture, if any), if any, to, but excluding, the date of such repurchase.

Covenants and Events of Default

The terms of the Indenture, among other things, limit the ability of the Issuer and its restricted subsidiaries to (i) incur additional indebtedness or guarantee indebtedness; (ii) create liens or use assets as security in other transactions; (iii) declare or pay dividends, redeem stock or make other distributions to stockholders; (iv) make investments; (v) merge, amalgamate or consolidate, or sell, transfer, lease or dispose of substantially all of the Issuers' assets; (vi) enter into transactions with affiliates; (vii) sell or transfer certain assets; and (viii) agree to certain restrictions on the ability of restricted subsidiaries to make payments to the Issuers and their restricted subsidiaries. These covenants are subject to a number of important conditions, qualifications, exceptions and limitations that are described in the Indenture.

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include payment defaults, a failure to pay certain judgments and certain events of bankruptcy and insolvency. These events of default are subject to a number of important qualifications, limitations and exceptions that are described in the Indenture.

The foregoing summary of the Indenture does not purport to be complete and is qualified in its entirety by reference to the complete terms of the Indenture, filed as Exhibit 4.16 hereto, and the form of Notes, filed as Exhibit 4.16(a) hereto, each of which is incorporated herein by reference.

Certain Relationships

The initial purchasers and their affiliates from time to time have provided in the past and may provide in the future various financial advisory, investment banking, investment management, principal investment, hedging and other commercial lending services in the ordinary course of business to the Company and its affiliates. In addition, affiliates of certain of the initial purchasers are lenders and/or agents under the Senior Secured Credit Facilities and as such are entitled to certain fees and expenses in connection therewith. The Issuers expect to use the proceeds from the issuance of the Notes to repay \$1,350 million of the Issuers' outstanding 2025 Second Lien Notes, plus any accrued and unpaid interest thereon, and pay related premium, fees and expenses. To the extent the initial purchasers or their affiliates own any of the 2025 Second Lien Notes being repaid, they will receive a portion of the proceeds of the issuance of the Notes.

ARTICLE I

DEFINITIONS AND INCORPORATION BY REFERENCE

SECTION 1.1 Definitions.

“Acquired Indebtedness” means with respect to any Person (x) Indebtedness (1) of any other Person or any of its Subsidiaries existing at the time such other Person becomes a Restricted Subsidiary, or (2) assumed in connection with the acquisition of assets from such other Person, in each case whether or not Incurred by such other Person in connection with such other Person becoming a Restricted Subsidiary of the Issuer or such acquisition or (3) of a Person at the time such Person merges or amalgamates with or into or consolidates or otherwise combines with the Issuer or any Restricted Subsidiary and (y) Indebtedness secured by a Lien encumbering any asset acquired by such Person. Acquired Indebtedness shall be deemed to have been Incurred, with respect to clause (1) of the preceding sentence, on the date such Person becomes a Restricted Subsidiary and, with respect to clause (2) of the preceding sentence, on the date of consummation of such acquisition of assets and, with respect to clause (3) of the preceding sentence, on the date of the relevant merger, amalgamation, consolidation or other combination.

“Additional Assets” means:

(1) any property or assets (other than Capital Stock) used or to be used by the Issuer, a Restricted Subsidiary or otherwise useful in a Similar Business (it being understood that capital expenditures on property or assets already used in a Similar Business or to replace any property or assets that are the subject of such Asset Disposition shall be deemed an investment in Additional Assets);

(2) the Capital Stock of a Person that is engaged in a Similar Business and becomes a Restricted Subsidiary as a result of the acquisition of such Capital Stock by the Issuer or a Restricted Subsidiary; or

(3) Capital Stock constituting a minority interest in any Person that at such time is a Restricted Subsidiary.

“Additional Notes” has the meaning ascribed to it in the first recital paragraph of this Indenture.

“Affiliate” of any specified Person means any other Person, directly or indirectly, controlling or controlled by or under direct or indirect common control with such specified Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative to the foregoing.

In the event that the Issuer or any Restricted Subsidiary Incurs, assumes, Guarantees, redeems, defeases, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced), has caused any Reserved Indebtedness Amount to be deemed to be Incurred during such period or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the reference period but prior to or simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Fixed Charge Coverage Ratio Calculation Date”), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such Incurrence, deemed incurrence, assumption, Guarantee, redemption, defeasance, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; *provided, however*, that the pro forma calculation shall not give effect to any Indebtedness Incurred on such determination date pursuant to Section 3.2(b) (other than clause (5) thereof).

Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Secured Leverage Ratio or Consolidated Total Leverage ratio, such ratio(s) shall be calculated with respect to such incurrence, issuance or other transaction without giving effect to amounts being utilized under any other basket (other than a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Secured Leverage Ratio or Consolidated Total Leverage Ratio) on the same date. Each item of Indebtedness that is incurred or issued, each Lien incurred and each other transaction undertaken will be deemed to have been incurred, issued or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Secured Leverage Ratio or Consolidated Total Leverage Ratio test.

Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio basket based on a Fixed Charge Coverage Ratio, Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Secured Leverage Ratio or Consolidated Total Leverage Ratio, such ratio(s) shall be calculated without regard to the incurrence of any Indebtedness under any revolving facility or letter of credit facility (1) immediately prior to or in connection therewith or (2) used to finance working capital needs of the Issuer and its Restricted Subsidiaries.

Notwithstanding anything to the contrary herein, any calculation or measure that is determined with reference to the Issuer's financial statements (including Consolidated EBITDA, Consolidated Interest Expense, Consolidated Net Income, Fixed Charges, Fixed Charge Coverage Ratio, Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Secured Leverage Ratio and Consolidated Total Leverage Ratio) may be determined with reference to the financial statements of a Parent Entity instead, so long as such Parent Entity does not hold any material assets other than, directly or indirectly, the Capital Stock of the Issuer.

For purposes of making the computation referred to above, any Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, operational changes, business expansions and disposed or discontinued operations that have been made by the Issuer or any of its Restricted Subsidiaries, during the reference period or subsequent to the reference period and on or prior to or simultaneously with the Fixed Charge Coverage Ratio Calculation Date shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, operational changes, business expansions and disposed or discontinued operations (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged or amalgamated with or into the Issuer or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, operational change, business expansion or disposed or discontinued operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, amalgamation, consolidation or disposed operation had occurred at the beginning of the applicable reference period.

For purposes of this definition, whenever pro forma effect is to be given to a transaction (including the Transactions), the pro forma calculations shall be made in good faith by a responsible financial or chief accounting officer of the Issuer (and may include, for the avoidance of doubt, cost savings, operating expense reductions and synergies resulting from such transaction which is being given pro forma effect. If any Indebtedness bears a floating rate of interest and is being given pro forma effect), the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the reference period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to in the preceding paragraphs, interest on any Indebtedness under a revolving credit facility computed with a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the reference period except as set forth in the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Issuer may designate.

At any time after the Issue Date, the Issuer may elect to establish that GAAP shall mean the GAAP as in effect on or prior to the date of such election; *provided* that any such election, once made, shall be irrevocable. At any time after the Issue Date, the Issuer may elect to apply IFRS accounting principles in lieu of GAAP and, upon any such election, references herein to GAAP shall thereafter be construed to mean IFRS (except as otherwise provided in this Indenture), including as to the ability of the Issuer to make an election pursuant to the previous sentence; *provided* that any such election, once made, shall be irrevocable; *provided, further*, that any calculation or determination in this Indenture that requires the application of GAAP for periods that include fiscal quarters ended prior to the Issuer’s election to apply IFRS shall remain as previously calculated or determined in accordance with GAAP; *provided, further again*, that the Issuer may only make such election if it also elects to report any subsequent financial reports required to be made by the Issuer, including pursuant to Section 13 or Section 15(d) of the Exchange Act in IFRS. The Issuer shall give notice of any such election made in accordance with this definition to the Trustee and the Holders.

Definitive Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Note if (A) DTC notifies the Issuers that it is unwilling or unable to continue as Depository for the Global Note and the Issuers fail to appoint a successor depository within 90 days of such notice, or (B) there shall have occurred and be continuing an Event of Default with respect to the Notes under this Indenture and DTC shall have requested the issuance of Definitive Notes. In the event of the occurrence of any of the events specified in the second preceding sentence or in clause (A) or (B) of the preceding sentence, the Issuers shall promptly make available to the Trustee a reasonable supply of Definitive Notes. In addition, any Note transferred to an affiliate (as defined in Rule 405 under the Securities Act) of the Issuers or evidencing a Note that has been acquired by an affiliate in a transaction or series of transactions not involving any public offering must, until one year after the last date on which either the Issuer or any Affiliate of the Issuer was an owner of the Note, be in the form of a Definitive Note and bear the legend regarding transfer restrictions in Section 2.1(d). If required to do so pursuant to any applicable law or regulation, beneficial owners may also obtain Definitive Notes in exchange for their beneficial interests in a Global Note upon written request in accordance with DTC's and the Registrar's procedures.

(a) Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(i) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Global Note set forth in Section 2.1(d).

(b) If a Definitive Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Definitive Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuers shall execute, and the Trustee shall authenticate and make available for delivery, to the transferring Holder a new Definitive Note representing the principal amount not so transferred.

(c) If a Definitive Note is transferred or exchanged for another Definitive Note, (x) the Trustee will cancel the Definitive Note being transferred or exchanged, (y) the Issuers shall execute, and the Trustee shall authenticate and make available for delivery, one or more new Definitive Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Definitive Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuers shall execute, and the Trustee shall authenticate and make available for delivery to the Holder thereof, one or more Definitive Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Definitive Notes, registered in the name of the Holder thereof.

(d) Notwithstanding anything to the contrary in this Indenture, in no event shall a Definitive Note be delivered upon exchange or transfer of a beneficial interest in the Temporary Regulation S Global Note prior to the end of the Restricted Period.

SECTION 2.2 Execution and Authentication. One Officer of each Issuer shall sign the Notes for the Issuers by manual, facsimile, pdf or other electronic signature. If the Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized officer of the Trustee manually authenticates the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under this Indenture. A Note shall be dated the date of its authentication.

At any time and from time to time after the execution and delivery of this Indenture, the Trustee shall authenticate and make available for delivery: (1) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$1,400,000,000, (2) subject to the terms of this Indenture, Additional Notes for original issue in an unlimited principal amount and (3) under the circumstances set forth in Section 2.6(e), Initial Notes in the form of an Unrestricted Global Note, in each case upon a written order of the Issuers signed by one Officer of each Issuer (the “Issuer Order”). Such Issuer Order shall specify whether the Notes will be in the form of Definitive Notes or Global Notes, the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated, the Holder of the Notes and whether the Notes are to be Initial Notes or Additional Notes.

The Trustee may appoint an agent (the “Authenticating Agent”) reasonably acceptable to the Issuers to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuers. Unless limited by the terms of such appointment, any such Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by the Authenticating Agent. An Authenticating Agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

In case either Issuer or any Guarantor, pursuant to Article IV or Section 10.2, as applicable, shall be consolidated or merged or amalgamated with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger or amalgamation, or into which either Issuer or any Guarantor shall have been merged, or the Person which shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Article IV, any of the Notes authenticated or delivered prior to such consolidation, merger, amalgamation, conveyance, transfer, lease or other disposition may (but shall not be required), from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate to reflect such successor Person, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon the Issuer Order of the successor Person, shall authenticate and make available for delivery Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.2 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time outstanding for Notes authenticated and delivered in such new name.

SECTION 2.3. Registrar and Paying Agent. The Issuers shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Notes may be presented for payment. The Registrar shall keep a register of the Notes and of their transfer and exchange (the “Notes Register”). The Issuers may have one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent and the term “Registrar” includes any co-registrar.

The Issuers shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuers shall notify the Trustee in writing of the name and address of each such agent. If the Issuers fail to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.7. The Issuer, the Co-Issuer or any Guarantor may act as Paying Agent, Registrar or transfer agent.

The Issuers initially appoint DTC to act as Depositary with respect to the Global Notes. The Issuers initially appoint the Trustee as the Registrar and Paying Agent for the Notes and the Issuers may remove any Registrar or Paying Agent without prior notice to the Holders, but upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee and the passage of any waiting or notice periods required by DTC procedures or (ii) written notification to the Trustee that the Trustee shall serve as

Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuers and the Trustee.

SECTION 2.4. Paying Agent to Hold Money in Trust. Prior to 10:00 a.m. New York City time, on each due date of the principal of, premium, if any, or interest on any Note is due and payable, the Issuers shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium or interest when due. The Issuers shall require the Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of, premium, if any, or interest on the Notes (whether such assets have been distributed to it by the Issuers or other obligors on the Notes), shall notify the Trustee in writing of any default by the Issuers or any Guarantor in making any such payment and shall during the continuance of any default by the Issuers (or any other obligor upon the Notes) or any Guarantor in the making of any payment in respect of the Notes, upon the written request of the Trustee, forthwith deliver to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Notes together with a full accounting thereof. If the Issuer or a Subsidiary of the Issuer acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuers at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds or assets disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than the Issuer or a Subsidiary of the Issuer) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, insolvency, reorganization or similar proceeding with respect to either Issuer, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.5. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer, on its own behalf and on behalf of the Co-Issuer and each of the Guarantors, shall furnish or cause the Registrar to furnish to the Trustee, in writing at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders and the Issuers.

SECTION 2.6. Transfer and Exchange.

(a) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Trustee a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by this Section 2.6. The Trustee will promptly register any transfer or exchange that meets the requirements of this Section 2.6 by noting the same in the Notes Register maintained by the Trustee for the purpose, and no transfer or exchange will be effective until it is registered in such Notes Register. The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 2.6 and Section 2.1(h) and 2.1(i), as applicable, and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of DTC, Euroclear and Clearstream. The Trustee shall refuse to register any requested transfer or exchange that does not comply with this Section 2.6(a).

(b) Transfers of Rule 144A Notes and Institutional Accredited Investor Notes. The following provisions shall apply with respect to any proposed registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note prior to the date that is one year after the later of the date of its original issue and the last date on which the Issuer or any Affiliate of the Issuer was the owner of such Notes (or any predecessor thereto):

(1) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee in the form as set forth on the reverse of the Note that it is purchasing for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuers as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware

that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; *provided* that no such written representation or other written certification shall be required in connection with the transfer of a beneficial interest in the Rule 144A Global Note to a transferee in the form of a beneficial interest in that Rule 144A Global Note in accordance with this Indenture and the applicable procedures of DTC;

(2) a registration of transfer of a Rule 144A Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Issuers and the Registrar or its agent of a certificate substantially in the form set forth in Exhibit D from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuers.; and

(3) a registration of transfer of an Institutional Accredited Investor Note or a beneficial interest therein to an IAI shall be made upon receipt by the Issuer and the Registrar or its agent of a certificate substantially in the form set forth in Exhibit E from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuers.

(c) Transfers of Regulation S Notes. The following provisions shall apply with respect to any proposed transfer of a Regulation S Note prior to the expiration of the Restricted Period:

(1) a transfer of a Regulation S Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee, in the form of assignment on the reverse of the certificate, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuers as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A;

(2) a transfer of a Regulation S Note or a beneficial interest therein to a Non U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Exhibit D hereof from the proposed transferee and receipt by the Issuers and Registrar or its agent of an Opinion of Counsel, certification and/or other information satisfactory to the Issuers; and

(3) a transfer of a Regulation S Note or a beneficial interest therein to an IAI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Exhibit E hereof from the proposed transferee and receipt by the Issuers and Registrar or its agent of an Opinion of Counsel, certification and/or other information satisfactory to the Issuers.

After the expiration of the Restricted Period, interests in the Regulation S Note may be transferred in accordance with applicable law without requiring the certification set forth in Exhibit D or any additional certification.

(d) Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes not bearing a Restricted Notes Legend, the Registrar shall deliver Notes that do not bear a Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes bearing a Restricted Notes Legend, the Registrar shall deliver only Notes that bear a Restricted Notes Legend unless (1) an Initial Note is being transferred pursuant to an effective registration statement, (2) Initial Notes are being exchanged for Notes that do not bear the Restricted Notes Legend in accordance with Section 2.6(e) or (3) there is delivered to the Registrar an Opinion of Counsel stating that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Any Additional Notes sold in a registered offering shall not be required to bear the Restricted Notes Legend.

(e) Automatic Exchange from Global Note Bearing Restricted Notes Legend to Global Note Not Bearing Restricted Notes Legend. Upon the Issuers’ satisfaction that the Restricted Notes Legend shall no longer

be required in order to maintain compliance with the Securities Act, beneficial interests in a Global Note bearing the Restricted Notes Legend (a “Restricted Global Note”) may be automatically exchanged into beneficial interests in a Global Note not bearing the Restricted Notes Legend (an “Unrestricted Global Note”) without any action required by or on behalf of the Holder (the “Automatic Exchange”) at any time on or after the date that is the 366th calendar day after (1) with respect to the Notes issued on the Issue Date, the Issue Date or (2) with respect to Additional Notes, if any, the issue date of such Additional Notes, or, in each case, if such day is not a Business Day, on the next succeeding Business Day (the “Automatic Exchange Date”). Upon the Issuers’ satisfaction that the Restricted Notes Legend shall no longer be required in order to maintain compliance with the Securities Act, the Issuers shall (i) provide written notice to DTC and the Trustee at least fifteen (15) calendar days prior to the Automatic Exchange Date, instructing DTC to exchange all of the outstanding beneficial interests in a particular Restricted Global Note to the Unrestricted Global Note, which the Issuers shall have previously otherwise made eligible for exchange with DTC, (ii) provide prior written notice to each Holder at such Holder’s address appearing in the register of Holders at least fifteen (15) calendar days prior to the Automatic Exchange Date, which notice must include (w) the Automatic Exchange Date, (x) the section of this Indenture pursuant to which the Automatic Exchange shall occur, (y) the “CUSIP” number of the Restricted Global Note from which such Holder’s beneficial interests will be transferred and (z) the “CUSIP” number of the Unrestricted Global Note into which such Holder’s beneficial interests will be transferred, and (iii) on or prior to the Automatic Exchange Date, deliver to the Trustee for authentication one or more Unrestricted Global Notes, duly executed by the Issuers, in an aggregate principal amount equal to the aggregate principal amount of Restricted Global Notes to be exchanged into such Unrestricted Global Notes.

Notwithstanding anything to the contrary in this Section 2.6(e), during the fifteen (15) calendar day period prior to the Automatic Exchange Date, no transfers or exchanges other than pursuant to this Section 2.6(e) shall be permitted without the prior written consent of the Issuers. As a condition to any Automatic Exchange, the Issuers shall provide, and the Trustee shall be entitled to conclusively rely upon, an Officer’s Certificate and Opinion of Counsel to the Issuers to the effect that the Automatic Exchange shall be effected in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Restricted Notes Legend shall no longer be required in order to maintain compliance with the Securities Act and that the aggregate principal amount of the particular Restricted Global Note is to be transferred to the particular Unrestricted Global Note by adjustment made on the records of the Trustee, as custodian for the Depository to reflect the Automatic Exchange. Upon such exchange of beneficial interests pursuant to this Section 2.6(e), the aggregate principal amount of the Global Notes shall be increased or decreased by adjustments made on the records of the Trustee, as custodian for the Depository, to reflect the relevant increase or decrease in the principal amount of such Global Note resulting from the applicable exchange. The Restricted Global Note from which beneficial interests are transferred pursuant to an Automatic Exchange shall be canceled following the Automatic Exchange.

(f) Retention of Written Communications. The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.1 or this Section 2.6. The Issuers shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable prior written notice to the Registrar.

(g) Obligations with Respect to Transfers and Exchanges of Notes. To permit registrations of transfers and exchanges, the Issuers shall, subject to the other terms and conditions of this Article II, execute and the Trustee shall authenticate Definitive Notes and Global Notes at the Issuers’ and Registrar’s written request.

No service charge shall be made to a Holder for any registration of transfer or exchange, but the Issuers may require the Holder to pay a sum sufficient to cover any transfer tax assessments or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charges payable upon exchange or transfer pursuant to Sections 2.2, 2.6, 2.11, 2.13, 5.6 or 9.5).

The Issuers (and the Registrar) shall not be required to register the transfer of or exchange of any Note (A) for a period beginning (1) 15 calendar days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) 15 calendar days before an interest payment

date and ending on such interest payment date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

Prior to the due presentation for registration of transfer of any Note, the Issuers, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the owner of such Note for the purpose of receiving payment of principal of, premium, if any, and (subject to paragraph 2 of the form of Note attached hereto as Exhibit A) interest on such Note and for all other purposes whatsoever, including without limitation the transfer or exchange of such Note, whether or not such Note is overdue, and none of the Issuers, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(i) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Definitive Note set forth in Section 2.1(d).

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee. The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be DTC or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Trustee may rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among DTC participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any of its agents shall have any responsibility for any actions taken or not taken by DTC.

SECTION 2.7. [Reserved]

SECTION 2.8. [Reserved]

SECTION 2.9. [Reserved]

SECTION 2.10. [Reserved]

SECTION 2.11. Mutilated, Destroyed, Lost or Stolen Notes.

If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuers shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) satisfies the Issuers and the Trustee that such Note has been lost, destroyed or wrongfully taken within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar has not registered a transfer

prior to receiving such notification, (b) makes such request to the Issuers and the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a “protected purchaser”) and (c) satisfies any other reasonable requirements of the Trustee; *provided, however*, if after the delivery of such replacement Note, a protected purchaser of the Note for which such replacement Note was issued presents for payment or registration such replaced Note, the Trustee and/or the Issuers shall be entitled to recover such replacement Note from the Person to whom it was issued and delivered or any Person taking therefrom, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuers or the Trustee in connection therewith. Such Holder shall furnish an indemnity bond sufficient in the judgment of the (i) Trustee to protect the Trustee and (ii) the Issuers to protect the Issuers, the Trustee, the Paying Agent and the Registrar, from any loss which any of them may suffer if a Note is replaced, and, in the absence of notice to the Issuers, any Guarantor or the Trustee that such Note has been acquired by a protected purchaser, the Issuers shall execute, and upon receipt of an Issuer Order, the Trustee shall authenticate and make available for delivery, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuers in their discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 2.11, the Issuers may require that such Holder pay a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of counsel and of the Trustee) in connection therewith.

Subject to the proviso in the initial paragraph of this Section 2.11, every new Note issued pursuant to this Section 2.11, in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuers, any Guarantor (if applicable) and any other obligor upon the Notes, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.11 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.12. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those paid pursuant to Section 2.11 and those described in this Section 2.12 as not outstanding. A Note does not cease to be outstanding in the event the Issuer or an Affiliate of the Issuer holds the Note; *provided, however*, that (i) for purposes of determining which are outstanding for consent or voting purposes hereunder, the provisions of Section 13.5 shall apply and (ii) in determining whether the Trustee shall be protected in making a determination whether the Holders of the requisite principal amount of outstanding Notes are present at a meeting of Holders of Notes for quorum purposes or have consented to or voted in favor of any request, demand, authorization, direction, notice, consent, waiver, amendment or modification hereunder, or relying upon any such quorum, consent or vote, only Notes which a Trust Officer of the Trustee actually knows to be held by the Issuer or an Affiliate of the Issuer shall not be considered outstanding.

If a Note is replaced pursuant to Section 2.11 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuers receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement pursuant to Section 2.11.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a Redemption Date or maturity date, money sufficient to pay all principal, premium, if any, and accrued interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.13. Temporary Notes. In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Issuers may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form, and shall carry all rights, of Definitive Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers shall prepare and the Trustee shall authenticate Definitive Notes. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Issuers for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Issuers shall execute, and the Trustee shall, upon receipt of an Issuer Order, authenticate and make available for delivery in exchange therefor, one or more Definitive Notes representing an equal principal amount of Notes. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of Definitive Notes.

SECTION 2.14. Cancellation. The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such Notes in accordance with its internal policies and customary procedures (subject to the record retention requirements of the Exchange Act and the Trustee). If either Issuer or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.14. The Issuers may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a transfer or exchange.

At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by DTC to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

SECTION 2.15. Payment of Interest; Defaulted Interest

Interest on any Note which is payable, and is punctually paid or duly provided for, on any interest payment date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the regular record date for such payment at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular record date, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called "Defaulted Interest") shall be paid by the Issuers, at their election in each case, as provided in clause (a) or (b) below:

(a) The Issuers may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuers shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the "Special Interest Payment Date"), and at the same time the Issuers shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Section 2.15(a). Thereupon the Issuers shall fix a record date

(the “Special Record Date”) for the payment of such Defaulted Interest, which date shall be not more than 20 calendar days and not less than 15 calendar days prior to the Special Interest Payment Date and not less than 10 calendar days after the receipt by the Trustee of the notice of the proposed payment. The Issuers shall promptly notify the Trustee in writing of such Special Record Date, and in the name and at the expense of the Issuers, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.1, not less than 10 calendar days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the provisions in Section 2.15(b).

(b) The Issuers may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after written notice given by the Issuers to the Trustee of the proposed payment pursuant to this Section 2.15(b), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.15, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.16. CUSIP and ISIN Numbers. The Issuers in issuing the Notes may use “CUSIP” and “ISIN” numbers and, if so, the Trustee shall use “CUSIP” and “ISIN” numbers in notices of redemption or purchase as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption or purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or purchase shall not be affected by any defect in or omission of such CUSIP and ISIN numbers. The Issuers shall promptly notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

SECTION 2.17. Joint and Several Liability. Except as otherwise expressly provided herein, the Issuers and the Guarantors shall be jointly and severally liable for the performance of all obligations and covenants under this Indenture, the Notes and the Collateral Documents.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 3.2:

(1) in the event that all or any portion of any item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in Sections 3.2(a) and (b), the Issuer, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness (or any portion thereof) and only be required to include the amount and type of such Indebtedness in Section 3.2(a) or in one of the clauses of Section 3.2(b);

(2) additionally, all or any portion of any item of Indebtedness may later be reclassified as having been Incurred pursuant to any type of Indebtedness described in Sections 3.2(a) and (b) so long as such Indebtedness is permitted to be Incurred pursuant to such provision and any at the time of reclassification (it being understood that any Indebtedness incurred pursuant to one of the clauses of Section 3.2(b) shall cease to be deemed incurred or outstanding for purposes of such clause but shall be deemed incurred for the purposes of Section 3.2(a) from and after the first date on which the Issuers or the Restricted Subsidiaries could have incurred such Indebtedness under Section 3.2(a) without reliance on such clause);

(3) all Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed to have been incurred on the Issue Date under Section 3.2(b)(1);

(4) in the case of any Refinancing Indebtedness, when measuring the outstanding amount of such Indebtedness, such amount shall not include the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing;

(5) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(6) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(7) the principal amount of any Disqualified Stock of the Issuer or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(8) Indebtedness permitted by this Section 3.2 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 3.2 permitting such Indebtedness;

(9) for all purposes under this Indenture, including for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Secured Leverage Ratio or the Consolidated Total Leverage Ratio, as applicable, in connection with the incurrence, issuance or assumption of any Indebtedness pursuant to Sections 3.2(a) or (b) or the incurrence or creation of any Lien pursuant to the definition of "Permitted Liens," the Issuer may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers' acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the "Reserved Indebtedness Amount"), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the

Consolidated Total Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, is complied with (or satisfied) with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be deemed to be permitted under this Section 3.2 or the definition of "Permitted Liens," as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) is complied with (or satisfied) for all purposes (including as to the absence of any continuing Default or Event of Default); *provided* that for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Leverage Ratio, the Consolidated Total Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Issuer revokes an election of a Reserved Indebtedness Amount;

(10) when calculating the availability under any basket or ratio under this Indenture or compliance with any provision of this Indenture in connection with any Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions), in each case, at the option of the Issuer (the Issuer's election to exercise such option, an "LCT Election"), the date of determination for availability under any such basket or ratio and whether any such action or transaction is permitted (or any requirement or condition therefor is complied with or satisfied (including as to the absence of any continuing Default or Event of Default)) under this Indenture shall be deemed to be the date (the "LCT Test Date") either (a) the definitive agreement for such Limited Condition Transaction is entered into (or, if applicable, the date of delivery of an irrevocable declaration of a Restricted Payment or similar event), or (b) solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers applies, the date on which a "Rule 2.7 announcement" of a firm intention to make an offer (or equivalent announcement in another jurisdiction) (an "LCT Public Offer") in respect of a target of a Limited Condition Transaction and, in each case, if, after giving pro forma effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions) and any related pro forma adjustments, the Issuer or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes (in the case of Indebtedness, for example, whether such Indebtedness is committed, issued, assumed or incurred at the LCT Test Date or at any time thereafter); *provided*, that (a) if financial statements for one or more subsequent fiscal quarters shall have become available, the Issuer may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be the applicable LCT Test Date for purposes of such ratios, tests or baskets, (b) except as contemplated in the foregoing clause (a), compliance with such ratios, test or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transaction related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions) and (c) Consolidated Interest Expense for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate as reasonably determined by the Issuer.

For the avoidance of doubt, if the Issuer has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in

any such ratio, test or basket, including due to fluctuations in EBITDA or total assets of the Issuer or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of an Default or Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, purchase or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes (or, if applicable, the irrevocable notice is terminated, expires or passes or, as applicable, the offer in respect of an LCT Public Offer for, such acquisition is terminated), as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction;

(11) notwithstanding anything in this Section 3.2 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred in reliance on a clause of Section 3.2(b) measured by reference to a percentage of LTM EBITDA at the time of incurrence, if such refinancing would cause the percentage of LTM EBITDA restriction to be exceeded if calculated based on the percentage of LTM EBITDA on the date of such refinancing, such percentage of LTM EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing; and

(12) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

(d) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 3.2.

(e) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Issuer as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 3.2, the Issuer shall be in default of this Section 3.2).

(f) For purposes of determining compliance with any U.S. Dollar-denominated restriction on the incurrence of Indebtedness, the U.S. Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided*, that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (a) the principal amount of such Indebtedness being refinanced plus (b) the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

(g) Notwithstanding any other provision of this Section 3.2, the maximum amount of Indebtedness that the Issuer or a Restricted Subsidiary may Incur pursuant to this Section 3.2 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

(h) The Issuer shall not, and shall not permit the Co-Issuer or any Guarantor to Incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Issuer, Co-Issuer or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Guarantor's Note Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Issuer, Co-Issuer or such Guarantor, as the case may be.

SECTION 3.3. Limitation on Restricted Payments.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(1) declare or pay any dividend or make any distribution on or in respect of the Issuer's or any Restricted Subsidiary's Capital Stock (including any such payment in connection with any merger, amalgamation or consolidation involving the Issuer or any of its Restricted Subsidiaries) except:

(i) dividends, payments or distributions payable in Capital Stock of the Issuer (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Issuer; and

(ii) dividends, payments or distributions payable to the Issuer or a Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Issuer or another Restricted Subsidiary on no more than a *pro rata* basis);

(2) purchase, repurchase, redeem, retire or otherwise acquire or retire for value any Capital Stock of the Issuer or any Parent Entity held by Persons other than the Issuer or a Restricted Subsidiary;

(3) purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (i) any such purchase, repurchase, redemption, defeasance or other acquisition or retirement in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within one year of the date of purchase, repurchase, redemption, defeasance or other acquisition or retirement and (ii) any Indebtedness Incurred pursuant to Section 3.2(b)(3)); or

(4) make any Restricted Investment;

(any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (4) above are referred to herein as a "Restricted Payment"), if at the time the Issuer or such Restricted Subsidiary makes such Restricted Payment:

(i) other than in the case of (x) a Restricted Investment and (y) amounts attributable to subclauses (B) through (F) of clause (iii) below, an Event of Default shall have occurred and be continuing (or would immediately thereafter result therefrom);

(ii) other than in the case of (x) a Restricted Investment and (y) amounts attributable to subclauses (B) through (F) of clause (iii) below, the Issuer is not able to Incur an additional

\$1.00 of Indebtedness pursuant to Section 3.2(a) immediately after giving effect, on a pro forma basis, to such Restricted Payment; or

(iii) the aggregate amount of such Restricted Payment and all other Restricted Payments made subsequent to December 12, 2014 (and not returned or rescinded) (including Permitted Payments made pursuant to Section 3.3(b)(1) (without duplication) and (10), but excluding all other Restricted Payments permitted by Section 3.3(b)) would exceed the sum of (without duplication):

(A) 50% of Consolidated Net Income for the period (treated as one accounting period) from October 1, 2014 to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which consolidated financial statements are available (which may be internal financial statements) (or, in the case such Consolidated Net Income is a deficit, minus 100% of such deficit);

(B) 100% of the aggregate amount of cash, and the fair market value of property or assets or marketable securities, received by the Issuer from the issue or sale of its Capital Stock (other than Disqualified Stock or Designated Preferred Stock) or as a result of a merger or consolidation with another Person subsequent to the Issue Date or otherwise contributed to the equity (other than through the issuance of Disqualified Stock or Designated Preferred Stock) of the Issuer or a Restricted Subsidiary (including the aggregate principal amount of any Indebtedness of the Issuer or a Restricted Subsidiary contributed to the Issuer or a Restricted Subsidiary for cancellation) or that becomes part of the capital of the Issuer or a Restricted Subsidiary through consolidation or merger subsequent to October 8, 2014 (other than (x) Net Cash Proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to a Restricted Subsidiary or an employee stock ownership plan or trust established by the Issuer or any Subsidiary of the Issuer for the benefit of its employees to the extent funded by the Issuer or any Restricted Subsidiary, (y) cash or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on Section 3.3(b)(6) hereof and (z) Excluded Contributions);

(14) any encumbrance or restriction arising pursuant to an agreement or instrument (which, if it relates to any Indebtedness, shall only be permitted if such Indebtedness is permitted to be Incurred pursuant to the provisions of Section 3.2 hereof) if (i) the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than (a) the encumbrances and restrictions contained in the Credit Agreement, together with the security documents associated therewith as in effect on the Issue Date or (b) in comparable financings (as determined in good faith by the Issuer) or (ii) either (a) the Issuer determines at the time of entry into such agreement or instrument that such encumbrances or restrictions will not adversely affect, in any material respect, the Issuer's ability to make principal or interest payments on the Notes or (b) such encumbrance or restriction applies only during the continuance of a default relating to such agreement or instrument;

(15) any encumbrance or restriction existing by reason of any Lien permitted under Section 3.6 hereof; or

(16) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness Incurred pursuant to, or that otherwise refinances, an agreement or instrument referred to in clauses (1) to (15) of this Section 3.4(b) or this clause (16) (an "Initial Agreement") or contained in any amendment, supplement or other modification to an agreement referred to in clauses (1) to (15) of this Section 3.4(b) or this clause (16); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Issuer).

SECTION 3.5. Limitation on Sales of Assets and Subsidiary Stock.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Issuer, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);

(2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap) with a purchase price in excess of the greater of \$375.0 million and 15.0% of LTM EBITDA, if after giving pro forma effect to such Asset Disposition, the Consolidated First Lien Secured Leverage Ratio is greater than 3.50 to 1.00, at least 75% of the consideration from such Asset Disposition, together with all other Asset Dispositions since the Issue Date (on a cumulative basis), (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; and

(3) within 540 days from the later of (A) the date of such Asset Disposition and (B) the receipt of the Net Available Cash from such Asset Disposition (as may be extended by an Acceptable Commitment or a Second Commitment as set forth below, the "Proceeds Application Period"), an amount equal to the Applicable Percentage of such Net Available Cash (the "Applicable Proceeds") is applied, to the extent the Issuer or any Restricted Subsidiary, as the case may be, elects (or is required by the terms of any Indebtedness):

(i) (A) to reduce, prepay, repay or purchase any Secured Indebtedness, including Indebtedness under the Credit Agreement (or any Refinancing Indebtedness in respect thereof),

(B) to reduce, prepay, repay or purchase First Priority Obligations or Pari Passu Indebtedness, (C) to make an offer (in accordance with the procedures set forth below for an Asset Disposition Offer) to redeem Notes as described under Section 5.7 hereof, or purchase Notes through open-market purchases or in privately negotiated transactions, or (D) to reduce, prepay, repay or purchase any Indebtedness of a Non-Guarantor (in each case, other than Indebtedness owed to the Issuer or any Restricted Subsidiary); provided, however, that, in connection with any reduction, prepayment, repayment or purchase of Indebtedness pursuant to this clause (i), the Issuer or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (other than obligations in respect of any asset-based credit facility to the extent the assets sold or otherwise disposed of in connection with such Asset Disposition constituted “borrowing base assets”) to be reduced in an amount equal to the principal amount so reduced, prepaid, repaid or purchased;

(ii) (A) to invest (including capital expenditures) in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary); or (B) to invest (including capital expenditures) in any one or more businesses, properties or assets that replace the businesses, properties and/or assets that are the subject of such Asset Disposition, with any such investment made by way of a capital or other lease valued at the present value of the minimum amount of payments under such lease (as reasonably determined by the Issuer); provided, however, that a binding agreement shall be treated as a permitted application of Applicable Proceeds from the date of such commitment with the good faith expectation that an amount equal to Applicable Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an “Acceptable Commitment”) and, in the event that any Acceptable Commitment is later cancelled or terminated for any reason before such amount is applied in connection therewith, the Issuer or such Restricted Subsidiary enters into another Acceptable Commitment (a “Second Commitment”) within 180 days of such cancellation or termination; or

(iii) any combination of the foregoing;

provided that (1) pending the final application of the amount of any such Applicable Proceeds pursuant to this Section 3.5, the Issuer or the applicable Restricted Subsidiaries may apply such Applicable Proceeds temporarily to reduce Indebtedness (including under the Credit Facilities) or otherwise apply such Applicable Proceeds in any manner not prohibited by this Indenture, and (2) the Issuer (or any Restricted Subsidiary, as the case may be) may elect to invest in Additional Assets prior to receiving the Applicable Proceeds attributable to any given Asset Disposition (provided that such investment shall be made no earlier than the earliest of notice to the Trustee of the relevant Asset Disposition, execution of a definitive agreement for the relevant Asset Disposition, and consummation of the relevant Asset Disposition) and deem the amount so invested to be applied pursuant to and in accordance with clause (b) above with respect to such Asset Disposition.

(b) If, with respect to any Asset Disposition, at the expiration of the Proceeds Application Period with respect to such Asset Disposition, there remains Applicable Proceeds in excess of the greater of (i) \$500.0 million or 20.0% of LTM EBITDA, in the case of a single transaction or a series of related transactions, or (ii) \$1,000.0 million or 40.0% of LTM EBITDA aggregate amount in any fiscal year (in the cases of clauses (i) and (ii), such amount of Applicable Proceeds that are less than or equal to \$500.0 million or 20.0% of LTM EBITDA or \$1,000.0 million or 40.0% of LTM EBITDA, as applicable, “Declined Excess Proceeds,” and such amount of Applicable Proceeds that are in excess of the greater of \$500.0 million or 20.0% of LTM EBITDA or \$1,000.0 million or 40.0% of LTM EBITDA, as applicable, “Excess Proceeds”), then subject to the limitations with respect to Foreign Dispositions set forth below, the Issuer shall make an offer (an “Asset Disposition Offer”) no later than ten business days after the expiration of the Proceeds Application Period to all Holders of Notes and, if required by the terms of any Pari Passu Indebtedness, to all holders of such Pari Passu Indebtedness, to purchase the maximum principal amount of such Notes and Pari Passu Indebtedness, as appropriate, on a pro rata basis, that may be purchased out of such Excess Proceeds, if any, at an offer price, in the case of the Notes, in cash in an amount equal to 100% of the principal amount thereof (or in the event such other Indebtedness was issued with original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price with respect to Pari Passu

Indebtedness, if any, as may be provided by the terms of such other Indebtedness), to, but not including, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreement governing the Pari Passu Indebtedness, as applicable, in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. Notices of an Asset Disposition Offer shall be sent by first class mail or sent electronically, at least 10 days but not more than 60 days before the purchase date to each Holder of the Notes at such Holder's registered address or otherwise in accordance with the applicable procedures of DTC. The Issuer may satisfy the foregoing obligation with respect to the Applicable Proceeds by making an Asset Disposition Offer prior to the expiration of the Proceeds Application Period (the "Advance Offer") with respect to all or a part of the Applicable Proceeds (the "Advance Portion") in advance of being required to do so by this Indenture.

(c) To the extent that the aggregate amount (or accreted value, as applicable) of Notes and, if applicable, any other Pari Passu Indebtedness validly tendered or otherwise surrendered in connection with an Asset Disposition Offer made with Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) is less than the amount offered in an Asset Disposition Offer, the Issuer may include any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) in Declined Excess Proceeds, and use such Declined Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount (or accreted value, as applicable) of the Notes or, if applicable, Pari Passu Indebtedness validly tendered pursuant to any Asset Disposition Offer exceeds the amount of Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Issuer shall allocate the Excess Proceeds among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount (or accreted value, as applicable) of tendered Notes and Pari Passu Indebtedness; *provided* that no Notes or other Pari Passu Indebtedness will be selected and purchased in an unauthorized denomination. Upon completion of any Asset Disposition Offer, the amount of Applicable Proceeds and Excess Proceeds shall be reset at zero. Additionally, the Issuer may, at its option, make an Asset Disposition Offer using proceeds from any Asset Disposition at any time after the consummation of such Asset Disposition. Upon consummation or expiration of any Asset Disposition Offer, any remaining Net Available Cash shall not be deemed Excess Proceeds and the Issuer may use such Net Available Cash for any purpose not prohibited by this Indenture.

(d) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than U.S. Dollars, the amount thereof payable in respect of the Notes shall not exceed the net amount of funds in U.S. Dollars that is actually received by the Issuer upon converting such portion into U.S. Dollars.

(e) Notwithstanding any other provisions of this Section 3.5, (i) to the extent that any of or all the Net Available Cash of any Asset Disposition received or deemed to be received by a Foreign Subsidiary (a "Foreign Disposition") is (x) prohibited or delayed by applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other onerous organizational or administrative impediments from being repatriated to the United States or Canada, the portion of such Net Available Cash so affected will not be required to be applied in compliance with this Section 3.5, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law, documents or agreements will not permit repatriation to the United States or Canada (the Issuer hereby agreeing to use reasonable efforts (as determined in the Issuer's reasonable business judgment) to otherwise cause the applicable Foreign Subsidiary to within one year following the date on which the respective payment would otherwise have been required, promptly take all commercially reasonable actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if within one year following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Net Available Cash is permitted under the applicable local law, applicable organizational impediments or other impediment, such repatriation will be promptly effected and the amount of such repatriated Net Available Cash will be promptly (and in any event not later than five (5) Business Days after such repatriation) applied (net of additional Taxes payable or reserved against as a result thereof) in compliance with this Section 3.5 and (ii) to the extent that the Issuer has determined in good faith that repatriation of any of or all the Net Available Cash of any Foreign Disposition would have an adverse Tax consequence (which for the avoidance of doubt, includes, but is not limited to, any repatriation whereby doing so the Issuer, any of its Subsidiaries, any Parent Entity, or any of their respective affiliates and/or equity owners would incur a Tax liability, including as a result of a dividend or deemed dividend, or a withholding

Tax) with respect to such Net Available Cash, the Net Available Cash so affected may be retained by the applicable Foreign Subsidiary. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default.

(f) For the purposes of Section 3.5(a)(2) hereof, the following shall be deemed to be cash:

(i) the assumption by the transferee of Indebtedness or other liabilities contingent or otherwise of the Issuer or a Restricted Subsidiary (other than Subordinated Indebtedness of the Issuer, the Co-Issuer or a Guarantor) and the release of the Issuer or such Restricted Subsidiary from all liability on such Indebtedness or other liability in connection with such Asset Disposition;

(ii) securities, notes or other obligations received by the Issuer or any Restricted Subsidiary from the transferee that are converted by the Issuer or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash and Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case, within 180 days following the closing of such Asset Disposition;

(iii) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Issuer and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(iv) consideration consisting of Indebtedness of the Issuer (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Issuer or any Restricted Subsidiary; and

(v) any Designated Non-Cash Consideration received by the Issuer or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 3.5 that is at that time outstanding, not to exceed the greater of \$750.0 million and 30.0% of LTM EBITDA (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(g) Upon the commencement of an Asset Disposition Offer, the Issuers shall send, or cause to be sent, by first class mail or electronically, a notice to the Trustee and to each Holder at its registered address. The notice shall contain all instructions and materials necessary to enable such Holder to tender Notes pursuant to the Asset Disposition Offer. Any Asset Disposition Offer shall be made to all Holders. The notice, which shall govern the terms of the Asset Disposition Offer, shall state:

(1) that the Asset Disposition Offer is being made pursuant to this Section 3.5 and that, to the extent lawful, all Notes properly tendered and not withdrawn shall be accepted for payment (unless prorated);

(2) the Asset Disposition payment amount, the Asset Disposition offered price, and the date on which Notes properly tendered and accepted for payment shall be purchased, which date shall be at least 10 days and not later than 60 days from the date such notice is sent (the "Asset Sale Payment Date");

(3) that any Notes not properly tendered or accepted for payment shall continue to accrue interest in accordance with the terms thereof;

(4) that, unless the Issuers default in making such payment, any Notes accepted for payment pursuant to the Asset Disposition Offer shall cease to accrue interest on and after the Asset Sale Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to any Asset Disposition Offer shall be required to surrender the Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Note completed, to the Paying Agent at the address specified in the notice at least three Business Days before the Asset Sale Payment Date;

(6) that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than two Business Days prior to the Asset Sale Payment Date, a notice setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing its election to have such Note purchased;

(7) that if the aggregate principal amount of Notes surrendered by Holders exceeds the Asset Disposition payment amount, the Issuers shall select the Notes to be purchased on a *pro rata* basis (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of \$2,000 or integral multiples of \$1,000 in excess thereof shall be purchased); and

(8) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry).

(h) If the Asset Sale Payment Date is on or after a record date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Disposition Offer.

(i) On the Asset Sale Payment Date, the Issuers will, to the extent permitted by law,

(1) accept for payment all Notes issued by them or portions thereof properly tendered pursuant to the Asset Disposition Offer,

(2) deposit with the Paying Agent an amount equal to the aggregate Asset Disposition payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer’s Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuers.

(j) To the extent that the provisions of any securities laws, rules or regulations, including Rule 14e-1 under the Exchange Act, conflict with the provisions of this Indenture, the Issuers shall not be deemed to have breached their obligations described in this Indenture by virtue of compliance therewith.

(k) For the avoidance of doubt, the provisions of this Indenture related to the Issuers’ obligation to make an offer to repurchase the Notes as a result of an Asset Disposition may be waived or modified with the written consent of the Holders of a majority in principal amount of the then outstanding Notes.

SECTION 3.6. Limitation on Liens.

(a) The Issuer shall not, and shall not permit the Co-Issuer or any Subsidiary Guarantor to, directly or indirectly, create, incur or permit to exist any Lien (except Permitted Liens) (each, an “Initial Lien”) that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Issuer, the Co-Issuer or any Subsidiary Guarantor, unless:

(1) in the case of Initial Liens securing Subordinated Indebtedness, the Notes and the related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Initial Lien; or

(2) in all other cases, the Notes or the Guarantees are equally and ratably secured,

except that the foregoing shall not apply to Liens securing the Notes and the related Guarantees.

(b) Any Lien created for the benefit of the Holders pursuant to Section 3.6(a) hereof shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

(c) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 3.7. Limitation on Guarantees.

(a) The Issuer shall not permit any of its Wholly Owned Domestic Subsidiaries that are Restricted Subsidiaries (and non-Wholly Owned Domestic Subsidiaries if such non-Wholly Owned Domestic Subsidiaries guarantee, or are a co-issuer of, other capital markets debt securities of the Issuer or any Restricted Subsidiary), other than the Co-Issuer, a Guarantor, a Captive Insurance Subsidiary, a Foreign Subsidiary, or a Securitization Subsidiary, to Guarantee the payment of (i) any syndicated Credit Facility permitted under Section 3.2(b)(1) hereof or (ii) the Existing First Lien Notes or the Existing Second Lien Notes, in each case, unless:

(1) such Restricted Subsidiary within 60 days (i) executes and delivers a supplemental indenture to this Indenture providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer, the Co-Issuer or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor’s Note Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor’s Note Guarantee and (ii) executes and delivers a supplement or joinder to the Collateral Documents or new Collateral Documents and takes all actions required thereunder to perfect the Liens created thereunder; *provided* that if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor’s Note Guarantee, any such Guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Note Guarantee with respect to the Notes substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor’s Guarantee of the Notes; and

(2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Issuer or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee until payment in full of Obligations under this Indenture;

provided that this Section 3.7 shall not be applicable (i) to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary, or (ii) in the event that the Guarantee of the Issuer’s obligations under the Notes or this Indenture by such Subsidiary would not be permitted under applicable law.

(b) The Issuer may elect, in its sole discretion, to cause or allow, as the case may be, any Subsidiary or any of its Parent Entities that is not otherwise required to be a Guarantor to become a Guarantor, in which case, such Subsidiary or Parent Entity shall not be required to comply with the 60-day period described in this Section 3.7 and such Guarantee may be released at any time in the Issuer’s sole discretion.

(c) If any Guarantor becomes an Immaterial Subsidiary, the Issuer shall have the right, by execution and delivery of a supplemental indenture to the Trustee, to cause such Immaterial Subsidiary to automatically and unconditionally cease to be a Guarantor, subject to the requirements described in Section 3.7(a) hereof that such Subsidiary shall be required to become a Guarantor if it ceases to be an Immaterial Subsidiary (except that if such Subsidiary has been properly designated as an Unrestricted Subsidiary it shall not be so required to become a Guarantor or execute a supplemental indenture); *provided* that such Immaterial Subsidiary shall not be permitted to Guarantee the Credit Agreement, the Existing First Lien Notes or the Existing Second Lien Notes, unless it again becomes a Guarantor.

SECTION 3.8. Limitation on Affiliate Transactions.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Issuer (an “Affiliate Transaction”) involving aggregate value in excess of the greater of \$200.0 million and 7.5% of LTM EBITDA unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Issuer or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm’s length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of the greater of \$375.0 million and 15.0% of LTM EBITDA, the terms of such transaction have been approved by a majority of the members of the Board of Directors.

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in Section 3.8(a)(2) if such Affiliate Transaction is approved by a majority of the Disinterested Directors, if any.

(6) the entry into and performance of obligations of the Issuer or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this Section 3.8 or to the extent not more disadvantageous to the Holders in any material respect in the reasonable determination of the Issuer when taken as a whole as compared to the applicable agreement as in effect on the Issue Date;

(7) any transaction effected as part of a Qualified Securitization Financing, Permitted Receivables Financing or Receivables Facility, any disposition or acquisition of Securitization Assets, Receivables Assets or related assets in connection with any Qualified Securitization Financing, Permitted Receivables Financing or Receivables Facility;

(16) any purchases by the Issuer's Affiliates of Indebtedness or Disqualified Stock of the Issuer or any of the Restricted Subsidiaries the majority of which Indebtedness or Disqualified Stock is purchased by Persons who are not the Issuer's Affiliates; *provided* that such purchases by the Issuer's Affiliates are on the same terms as such purchases by such Persons who are not the Issuer's Affiliates;

(20) any management equity plan, stock option plan, phantom equity plan or any other management, employee benefit or other compensatory plan or agreement (and any successor plans or arrangements thereto), employment, termination or severance agreement, or any stock subscription or equityholder agreement between the Issuer or its Restricted Subsidiaries and any distributor, employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) approved by the reasonable determination of the Issuer or entered into in connection with the Transactions;

(21) any transition services arrangement, supply arrangement or similar arrangement entered into in connection with or in contemplation of the disposition of assets or Capital Stock in any Restricted Subsidiary permitted under Section 3.5 hereof or entered into with any Business Successor, in each case, that the Issuer determines in good faith is either fair to the Issuer or otherwise on customary terms for such type of arrangements in connection with similar transactions;

(22) transactions entered into by an Unrestricted Subsidiary with an Affiliate prior to the day such Unrestricted Subsidiary is redesignated as a Restricted Subsidiary under Section 3.20 and pledges of Capital Stock of Unrestricted Subsidiaries;

(c) In addition, if the Issuer or any of its Restricted Subsidiaries (i) purchases or otherwise acquires assets or properties from a Person which is not an Affiliate, the purchase or acquisition by an Affiliate of the Issuer of an interest in all or a portion of the assets or properties acquired shall not be deemed an Affiliate Transaction (or cause such purchase or acquisition by the Issuer or a Restricted Subsidiary to be deemed an Affiliate Transaction) or (ii) sells or otherwise disposes of assets or other properties to a Person who is not an Affiliate, the sale or other disposition by an Affiliate of the Issuer of an interest in all or a portion of the assets or properties sold shall not be deemed an Affiliate Transaction (or cause such sale or other disposition by the Issuer or a Restricted Subsidiary to be deemed an Affiliate Transaction).

SECTION 3.9. Change of Control.

(a) If a Change of Control occurs, unless a third party makes a Change of Control Offer or the Issuers have previously or substantially concurrently therewith delivered a redemption notice with respect to all the outstanding Notes under Section 5.7, the Issuers shall make an offer to purchase all of the Notes pursuant to the offer

described in this Section 3.9 (the “Change of Control Offer”) at a price in cash (the “Change of Control Payment”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest (including Additional Amounts, if any), if any, to but excluding the date of repurchase; *provided* that if the repurchase date is on or after the record date and on or before the corresponding interest payment date, then Holders in whose names the Notes are registered at the close of business on such record date will receive interest on the repurchase date. Within 30 days following any Change of Control, the Issuers will deliver or cause to be delivered a notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, describing the transaction or transactions that constitute the Change of Control and with the following information:

- (1) that a Change of Control Offer is being made pursuant to this Section 3.9, and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuers;
- (2) the purchase price and the purchase date, which will be no earlier than 10 days nor later than 60 days from the date such notice is delivered, except in the case of a conditional Change of Control Offer made in advance of a Change of Control as described in clause (8) below (the “Change of Control Payment Date”);
- (3) that any Note not properly tendered will remain outstanding and continue to accrue interest;
- (4) that unless the Issuers default in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest, on the Change of Control Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuers to purchase such Notes; *provided* that the Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration date of the Change of Control Offer, a telegram, facsimile transmission, letter or electronic mail setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;
- (7) that Holders whose Notes are being purchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to at least \$2,000 or any integral multiple of \$1,000 in excess of \$2,000;
- (8) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and
- (9) the other instructions, as determined by the Issuers, consistent with this Section 3.9, that a Holder must follow.

The Paying Agent will promptly deliver to each Holder of the Notes tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in

excess thereof. The Issuers will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

If the Change of Control Payment Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest and Additional Amounts, if any, will be paid on the relevant interest payment date to the Person in whose name a Note is registered at the close of business on such record date.

(b) On the Change of Control Payment Date, the Issuers will, to the extent permitted by law,

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuers.

(c) The Issuers will not be required to make a Change of Control Offer following a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (2) a notice of redemption of all outstanding Notes has been given pursuant to this Indenture as described under Section 5.7, unless and until there is a default in the payment of the redemption price on the applicable Redemption Date or the redemption is not consummated due to the failure of a condition precedent contained in the applicable redemption notice to be satisfied. Notwithstanding anything to the contrary in this Section 3.9, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control.

(d) [Reserved].

(e) To the extent that the provisions of any securities laws, rules or regulations, including Rule 14e-1 under the Exchange Act, conflict with the provisions of this Indenture, the Issuers shall not be deemed to have breached their obligations described in this Indenture by virtue of compliance therewith. The Issuers may rely on any no-action letters issued by the SEC indicating that the staff of the SEC will not recommend enforcement action in the event a tender offer satisfies certain conditions.

(f) For the avoidance of doubt, the provisions of this Indenture related to the Issuers' obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the then outstanding Notes.

SECTION 3.10. Reports.

(a) Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, from and after the Issue Date, the Issuer will furnish to the Trustee, within 15 days after the time periods specified below:

(1) within 120 days after the end of each fiscal year (or if such day is not a Business Day, on the next succeeding Business Day), all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a "Management's discussion and analysis of financial condition and results of operations" and a report on the annual financial statements by the Issuer's independent registered public accounting firm;

(2) within 60 days after the end of each of the first three fiscal quarters of each fiscal year (or if such day is not a Business Day, on the next succeeding Business Day), all financial information that would be required to be contained in a quarterly report on Form 10 Q, or any successor or comparable form, filed with the SEC; and

(3) promptly after the occurrence of any of the following events, all current reports that would be required to be filed with the SEC on Form 8-K as in effect on the Issue Date (if the Issuer had been a reporting company under Section 15(d) of the Exchange Act); *provided* that the foregoing shall not obligate the Issuer to make available (i) any information otherwise required to be included on a Form 8-K regarding the occurrence of any of the following events if the Issuer determines in its good faith judgment that such event that would otherwise be required to be disclosed is not material to the Holders or the business, assets, operations, financial positions or prospects of the Issuer and its Restricted Subsidiaries-taken as a whole, (ii) an exhibit or a summary of the terms of, any employment or compensatory arrangement, agreement, plan or understanding between the Issuer or any of its Subsidiaries and any director, officer or manager of the Issuer or any of its Subsidiaries, (iii) copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K or (iv) any trade secrets, privileged or confidential information obtained from another Person and competitively sensitive information:

(a) the entry into or termination of material agreements;

(b) significant acquisitions or dispositions (which shall only be with respect to acquisitions or dispositions that are significant pursuant to the definition of "Significant Subsidiary");

(c) bankruptcy;

(d) cross-default under direct material financial obligations;

(e) a change in the Issuer's certifying independent auditor;

(f) the appointment or departure of directors or executive officers (with respect to the principal executive officer, president, principal financial officer, principal accounting officer and principal operating officer only);

(g) non-reliance on previously issued financial statements; and

(h) change of control transactions,

in each case, in a manner that complies in all material respects with the requirements specified in such form, except as described in this [Section 3.10](#) and subject to exceptions consistent with the presentation of information in the Offering Memorandum; *provided, however*, that the Issuer shall not be required to provide (i) segment reporting and disclosure (including any required by FASB Accounting Standards Codification Topic 280), (ii) separate financial statements or other information contemplated by Rules 3-05, 3-09, 3-10 or 3-16 or 4-08 of Regulation S-X (or any successor provisions) or any schedules required by Regulation S-X, (iii) information required by Regulation G under the Exchange Act or Item 10, Item 302, Item 402 or Item 601 of Regulation S-K (or any successor provision), (iv) XBRL exhibits, (v) earnings per share information, (vi) information regarding executive compensation and related party disclosure related to SEC Release Nos. 33-8732A, 34-54302A and IC-27444A, and (vii) other information customarily excluded from an offering memorandum, including any information that is not otherwise of the type and form currently included in the Offering Memorandum relating to the Notes. In addition, notwithstanding the foregoing, the Issuer will not be required to (i) comply with Sections 302, 906 and 404 of the Sarbanes-Oxley Act of 2002, as amended, or (ii) otherwise furnish any information, certificates or reports required by Items 307 or 308 of Regulation S-K (or any successor provision). To the extent any such information is not so filed or furnished, as applicable, within the time periods specified above and such information is subsequently filed or furnished, as applicable, the Issuer will be deemed to have satisfied its obligations with respect thereto at such time and any

Default with respect thereto shall be deemed to have been cured; *provided* that such cure shall not otherwise affect the rights of the Holders under Section 6.1 if Holders of at least 30% in aggregate principal amount of the then total outstanding Notes have declared the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately and such declaration shall not have been rescinded or canceled prior to such cure. In addition, to the extent not satisfied by the foregoing, the Issuer will agree that, for so long as any Notes are outstanding, it will furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(b) Substantially concurrently with the furnishing or making such information available to the Trustee pursuant to Section 3.10(a), the Issuer shall also use its commercially reasonable efforts to post copies of such information required by Section 3.10(a) on a website (which may be nonpublic, require a confidentiality acknowledgement and may be maintained by the Issuer or a third party) to which access will be given to Holders, bona fide prospective investors in the Notes (which prospective investors shall be limited to “qualified institutional buyers” within the meaning of Rule 144A of the Securities Act or non-U.S. persons (as defined in Regulation S under the Securities Act) that certify their status as such to the reasonable satisfaction of the Issuer), and securities analysts (to the extent providing analysis of an investment in the Notes) and market making financial institutions that are reasonably satisfactory to the Issuer who agree to treat such information and reports as confidential; *provided* that the Issuer may deny access to any competitively-sensitive information and reports otherwise to be provided pursuant to this paragraph to any Holder, bona fide prospective investors, security analyst or market maker that is a competitor of the Issuer and its Subsidiaries to the extent that the Issuer determines in good faith that the provision of such information and reports to such Person would be competitively harmful to the Issuer and its Subsidiaries. The Issuer may condition the delivery of any such reports to such Holders, prospective investors in the Notes and securities analysts and market making financial institutions on the agreement of such Persons to (i) treat all such reports (and the information contained therein) and information as confidential, (ii) not use such reports (and the information contained therein) and information for any purpose other than their investment or potential investment in the Notes and (iii) not publicly disclose any such reports (and the information contained therein) and information.

(c) The Issuer shall use its commercially reasonable efforts, consistent with its judgment as to what is prudent at the time, to participate in quarterly conference calls (which may be a single conference call together with investors and lenders holding other securities or Indebtedness of the Issuer, its Restricted Subsidiaries and/or any Parent Entity) to discuss results of operations.

(d) Notwithstanding anything to the contrary set forth in this Section 3.10, the Issuer shall be deemed to have satisfied its obligations in this Section 3.10 with respect to financial information relating to the Issuer by furnishing financial information relating to any Parent Entity; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent Entity, on the one hand, and the information relating to the Issuer and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited.

(e) Notwithstanding anything to the contrary set forth in this Section 3.10, if the Issuer or any Parent Entity has furnished to the Holders of Notes or filed or furnished with the SEC the reports described in the preceding paragraphs of this Section 3.10 with respect to the Issuer or any Parent Entity, the Issuer shall be deemed to be in compliance with the provisions of this Section 3.10; *provided* that, if the financial information so furnished relates to any Parent Entity, the same is accompanied by consolidating information, that explains in reasonable detail (including select quantitative metrics) the differences between the information relating to such Parent Entity or Parent Entities, on the one hand, and the information relating to the Issuer and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited.

(f) Delivery under this Section 3.10 of reports, information and documents to the Trustee is for informational purposes only. The Trustee shall have no duty to review or analyze any reports furnished or made available to it and the Trustee’s receipt of such reports, information and documents shall not constitute actual or

constructive knowledge of the information contained therein or determinable therefrom, including the Issuers' compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

SECTION 3.11. Maintenance of Office or Agency.

The Issuers will maintain an office or agency where the Notes will be payable and where, if applicable, the Notes may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Issuers in respect of the Notes and this Indenture may be served. The corporate trust office of the Trustee, which initially shall be located at Wilmington Trust, National Association, 50 South Sixth Street, Suite 1290, Minneapolis, Minnesota 55402 USA, Attention: 1011778 B.C. Unlimited Liability Company and New Red Finance, Inc. Administrator, shall be such office or agency of the Issuers unless the Issuers shall designate and maintain some other office or agency for one or more of such purposes. The Issuers will give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Issuers shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made or served at the corporate trust office of the Trustee, and the Issuers hereby appoint the Trustee as its agent to receive all such presentations and surrenders.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation. The Issuers will give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency. No office of Trustee shall be an office or agency of the Issuers for service of process on the Issuers, which office or agency is as set forth in Section 13.20.

SECTION 3.12. Corporate Existence. Except as otherwise provided in this Article III, Article IV and Section 10.2(b) and subject to the ability of the Issuers or any Restricted Subsidiary to convert (or similar action) to another form of legal entity under the laws of the jurisdiction under which the Issuers or such Restricted Subsidiary then exists, and except in connection with the Transactions, the Issuers will do or cause to be done all things necessary to preserve and keep in full force and effect their corporate existence, as applicable, and the corporate, partnership, limited liability company or other existence of each Restricted Subsidiary and the rights (charter and statutory), licenses and franchises of the Issuer and each Restricted Subsidiary; *provided, however*, that neither the Issuer nor the Co-Issuer shall be required to preserve any such right, license or franchise or the corporate, partnership, limited liability company or other existence of any Restricted Subsidiary if the respective Board of Directors or, with respect to a Restricted Subsidiary that is not a Significant Subsidiary (or group of Restricted Subsidiaries that taken together would not be a Significant Subsidiary), senior management of the Issuer determines that the preservation thereof is no longer desirable in the conduct of the business of the Issuers and each of its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not, and will not be, disadvantageous in any material respect to the Holders.

SECTION 3.13. Payment of Taxes. The Issuers shall pay or discharge or cause to be paid or discharged, before the same shall become delinquent, all material taxes, assessments and governmental charges levied or imposed upon the Issuers or any Subsidiary; *provided, however*, that the Issuers shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim the amount, applicability or validity of which is being contested in good faith by appropriate proceedings and for which appropriate reserves, if necessary (in the good faith judgment of management of the Issuers), are being maintained in accordance with GAAP or where the failure to effect such payment will not be disadvantageous in any material respect to the Holders.

SECTION 3.14. [Reserved].

SECTION 3.15. Compliance Certificate. The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Issuer, an Officer's Certificate, the signers of which shall be the Chief Executive Officer, Chief Financial Officer or the Treasurer of each Issuer, stating that in the course of the performance by the signer of his or her duties as an Officer of such Issuer he or she would normally have knowledge of any Default or

Event of Default and whether or not the signer knows of any Default or Event of Default that occurred during the previous fiscal year; *provided* that no such Officer's Certificate shall be required for any fiscal year ended prior to the Issue Date. If such Officer does have such knowledge, the certificate shall describe the Default or Event of Default, its status and the action the Issuers are taking or proposes to take with respect thereto.

SECTION 3.16. Further Instruments and Acts. Upon request of the Trustee or as necessary to comply with future developments or requirements, the Issuers will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 3.17. [Reserved].

SECTION 3.18. Statement by Officers as to Default. The Issuers shall deliver to the Trustee, as soon as possible and in any event within 30 days after the Issuers becomes aware of the occurrence of any Default or Event of Default, an Officer's Certificate setting forth the details of such Event of Default or Default, its status and the actions which the Issuers are taking or proposes to take with respect thereto.

SECTION 3.19. Suspension of Certain Covenants.

(a) Following the first day: (1) the Notes have achieved Investment Grade Status; and (2) no Event of Default has occurred and is continuing under this Indenture, then, beginning on that day and continuing until the Reversion Date (as defined below), the Issuer and its Restricted Subsidiaries will not be subject to Sections 3.2, 3.3, 3.4, 3.5, 3.7, 3.8 and 4.1(a)(3) (collectively, the "Suspended Covenants").

(b) If at any time the Notes cease to have such Investment Grade Status, then the Suspended Covenants will thereafter be reinstated as if such covenants had never been suspended (the "Reversion Date") and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until the Notes subsequently attain Investment Grade Status (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status); *provided, however*, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and none of the Issuer or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. The period of time between the date of suspension of the covenants and the Reversion Date is referred to as the "Suspension Period."

(c) On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 3.2(b)(4)(ii). On and after the Reversion Date, all Liens created during the Suspension Period will be considered Permitted Liens pursuant to clause (11) of such definition. Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 3.3 will be made as though Section 3.3 had been in effect since the Issue Date and prior to, but not during, the Suspension Period; *provided*, that, no Subsidiaries may be designated as Unrestricted Subsidiaries during the Suspension Period, unless such designation would have complied with Section 3.3 as if Section 3.3 would have been in effect during such period. Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 3.3 (a). During the Suspension Period, any future obligation to grant further Note Guarantees shall be suspended. All such further obligation to grant Note Guarantees shall be reinstated upon the Reversion Date. No Default or Event of Default will be deemed to have occurred on the Reversion Date as a result of any actions taken by the Issuer or any of its Restricted Subsidiaries during the Suspension Period.

(d) On and after each Reversion Date, the Issuer and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period, so long as such contract and such consummation would have been permitted during such Suspension Period.

(e) The Trustee shall have no duty to monitor the ratings of the Notes, shall not be deemed to have any knowledge of the ratings of the Notes and shall have no duty to notify Holders if the Notes achieve Investment Grade Status or the occurrence of a Reversion Date.

SECTION 3.20. Designation of Restricted and Unrestricted Subsidiaries.

(a) The Issuer may designate any Restricted Subsidiary to be an Unrestricted Subsidiary (other than the Co-Issuer) if that designation would not cause an Event of Default. If a Restricted Subsidiary (other than the Co-Issuer) is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Issuer and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 3.3 or under one or more clauses of the definition of Permitted Investments, as determined by the Issuer. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Issuer may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause an Event of Default.

(b) Any designation of a Subsidiary of the Issuer as an Unrestricted Subsidiary will be evidenced to the Trustee by an Officer's Certificate certifying that such designation complies with the preceding conditions and was permitted by Section 3.3. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Issuer as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 3.2, the Issuer will be in default of Section 3.2.

(c) The Issuer may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 3.2 (including pursuant to Section 3.2(b)(5) treating such redesignation as an acquisition for the purpose of such clause (5)), calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation. Any such designation by the Issuer shall be evidenced to the Trustee by an Officer's Certificate certifying that such designation complies with the preceding conditions.

SECTION 3.21. Amendment of Collateral Documents. The Issuers shall not amend, modify or supplement, or permit or consent to any amendment, modification or supplement of, the Collateral Documents in any way that would be adverse to the Holders of the Notes in any material respect, except under Articles IX and XII.

SECTION 3.22. After-Acquired Property. From and after the Issue Date, upon the acquisition by the Issuer, the Co-Issuer or any Guarantor of any After-Acquired Property, the Issuer, the Co-Issuer or such Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements, certificates and opinions of counsel as shall be necessary to vest in the Collateral Agent a perfected security interest, subject only to Permitted Liens, in such After-Acquired Property and to have such After-Acquired Property (but subject to certain limitations, if applicable, including under Article XII added to the Collateral, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Acquired Property to the same extent and with the same force and effect; *provided, however*, that if granting such second priority security interest in such After-Acquired Property requires the consent of a third party, the Issuer shall use commercially reasonable efforts to obtain such consent with respect to the second priority interest for the benefit of the Trustee and the Collateral Agent on behalf of the Holders of the Notes; *provided further, however*, that if such third party does not consent to the granting of such second priority security interest after the use of such commercially reasonable efforts, the Issuer, the Co-Issuer or such Guarantor, as the case may be, shall not be required to provide such security interest.

SECTION 3.23. [Reserved].

SECTION 3.24. [Reserved].

SECTION 3.25. [Reserved].

SECTION 3.26. Limitations on Business Activities of Co-Issuer. The Co-Issuer may not own any material assets or other property, other than Indebtedness or other obligations owing to Co-Issuer by the Issuer and its Restricted Subsidiaries and Cash Equivalents, or engage in any trade or conduct any business other than treasury, cash management, hedging and cash pooling activities and activities incidental thereto. The Co-Issuer will not Incur any material liabilities or obligations other than its obligations pursuant to the Notes and pursuant to other Indebtedness permitted to be Incurred by the Issuer or any Guarantor and liabilities and obligations pursuant to business activities permitted by this Section 3.26. The Co-Issuer shall at all times be organized and existing under the laws of the United States of America, any State of the United States or the District of Columbia. The Co-Issuer shall be a Restricted Subsidiary of the Issuer at all times.

SECTION 3.27 Additional Amounts.

(a) All payments that the Issuers make under or with respect to the Notes and that any Guarantor makes under or with respect to any Guarantee will be made free and clear of and without withholding or deduction for or on account of any present or future tax, duty, levy, impost, assessment or other governmental charges (including, without limitation, penalties, interest and other similar liabilities related thereto) of whatever nature (collectively, "Taxes") imposed or levied by or on behalf of Canada, the United States, or any other jurisdiction in which either Issuer or any Guarantor is incorporated, organized or otherwise resident or engaged in or carrying on business for tax purposes or from or through which either of the Issuers, any Guarantor or any of their paying agents makes any payment on the Notes or Guarantee, or by, in each case any political subdivision or taxing authority or agency thereof or therein (each, a "Relevant Taxing Jurisdiction"), unless withholding or deduction is then required by law. If either Issuer or any Guarantor or any other applicable withholding agent is required to withhold or deduct any amount for or on account of Taxes of a Relevant Taxing Jurisdiction from any payment made under or with respect to the Notes or any Guarantee, such Issuer or such Guarantor, as the case may be, will pay additional amounts ("Additional Amounts") as may be necessary to ensure that the net amount received by each Holder or beneficial owner of the Notes after such withholding or deduction (including any withholding or deduction attributable to the Additional Amounts) will be not less than the amount the Holder or beneficial owners would have received if such Taxes had not been required to be withheld or deducted.

(b) Neither the Issuers nor any Guarantor will, however, pay Additional Amounts in respect or on account of:

(1) any Taxes imposed by reason of the Holder or beneficial owner (or a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of power over, such Holder or beneficial owner, if such Holder or beneficial owner is an estate, trust, partnership, limited liability company or corporation) being considered as having a present or former connection (including, but not limited to, citizenship, nationality, residence, domicile, incorporation, or existence of a business, a permanent establishment, a dependent agent, a place of business or a place of management present or deemed present within such Relevant Taxing Jurisdiction) to the Relevant Taxing Jurisdiction (other than any connection arising solely from the acquisition, ownership or disposition of the Notes, the receipt of payments under or with respect to the Notes or any Guarantee, or the exercise or enforcement of rights under or with respect to the Notes, this Indenture or any Guarantee);

(2) any Taxes that are imposed or withheld by reason of the failure of the Holder or beneficial owner of Notes, following the Issuers' written request addressed to the Holder (and made at a time that would enable the Holder or beneficial owner acting reasonably to comply with that request, and in all events at least 30 calendar days before the relevant date on which payment under or with respect to the Notes or any Guarantee is due and payable) to comply with any certification or identification requirements, whether required or imposed by statute, regulation or administrative practice of a Relevant Taxing Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of,

Taxes imposed by the Relevant Taxing Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Relevant Taxing Jurisdiction), but in each case only to the extent that the Holder or beneficial owner, as the case may be, is legally eligible to provide such certification;

- (3) any estate, inheritance, gift, sales, transfer, personal property or similar Taxes;
- (4) any Tax which is payable otherwise than by deduction or withholding from payments made under or with respect to the Notes;
- (5) any Canadian Taxes paid or payable by reason of (i) the Holder, beneficial owner or other recipient of the amount not dealing at arm's length with the Issuer or a Guarantor for the purposes of the *Income Tax Act* (Canada), or (ii) the Holder or beneficial owner being, or not dealing at arm's length with, a "specified shareholder" of the Issuer for the purposes of subsection 18(5) of the *Income Tax Act* (Canada);
- (6) any Tax imposed on or with respect to any payment by the Issuers or a Guarantor to the Holder if such Holder is a fiduciary or partnership or person other than the sole beneficial owner of such payment to the extent that Taxes would not have been imposed on such payment had the beneficiary, partner or other beneficial owner directly held the Note;
- (7) any Tax that is imposed or levied by reason of the presentation (where presentation is required in order to receive payment) of the Notes for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever is later, except to the extent that the beneficial owner or Holder thereof would have been entitled to Additional Amounts had the Notes been presented for payment on any date during such 30 day period;
- (8) any withholding or deduction in respect of any Taxes where such withholding or deduction is imposed or levied on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Council Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such European Council Directive;
- (9) any Tax that is imposed or levied on or with respect to a Note presented for payment on behalf of a Holder or beneficial owner who would have been able to avoid such withholding or deduction by presenting the relevant Note to another paying agent in a member state of the European Union;
- (10) any Taxes imposed pursuant to Sections 1471 through 1474 of the Code as of the Issue Date (and any amended or successor version that is substantially comparable) any regulations or other official guidance thereunder or agreements (including any intergovernmental agreements or any laws, rules or practices implementing such intergovernmental agreements) entered into in connection therewith; or
- (11) any backup withholding pursuant to Section 3406 of the Code.

In addition, Additional Amounts will not be payable with respect to any Taxes that are imposed in respect of any combination of the above items.

(c) The Issuers and each Guarantor, if they are applicable withholding agents (or are otherwise required to withhold amounts under applicable law), will (i) make such withholding or deduction required by applicable law and (ii) remit the full amount deducted or withheld to the relevant taxing authority in accordance with applicable law.

(d) At least 30 calendar days prior to each date on which any payment under or with respect to the Notes is due and payable, if the Issuers and any Guarantor will be obligated to pay Additional Amounts with respect to such payment (unless such obligation to pay Additional Amounts arises after the 30th day prior to the date on which payment under or with respect to the Notes is due and payable, in which case it will be promptly thereafter), the Issuers will deliver to the Trustee an Officer's Certificate stating that such Additional Amounts will be payable and the amounts so payable and will set forth such other information (other than the identities of Holders and beneficial owners) necessary to enable the Trustee or Paying Agent, as the case may be, to pay such Additional Amounts to Holders and beneficial owners on the relevant payment date. The Trustee will make such payments in the same manner as any other payments on the Notes. The Issuers will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing payment of such Additional Amounts.

(e) Upon request, the Issuers or the relevant Guarantor will take reasonable efforts to furnish to the Trustee or a Holder within a reasonable time certified copies of tax receipts or other evidence of the payment by the Issuers or such Guarantor, as the case may be, of any Taxes imposed or levied by a Relevant Taxing Jurisdiction.

(f) The Issuers and each Guarantor will pay any present or future stamp, issue, registration, court documentation, excise or property taxes or other similar taxes, charges and duties, including interest, additions to tax and penalties with respect thereto, imposed by any Relevant Taxing Jurisdiction in respect of the receipt of any payment under or with respect to the Notes or any Guarantee, the execution, issue, delivery or registration of the Notes, any Guarantee or this Indenture or any other document or instrument referred to thereunder and any such taxes, charges, duties or similar levies imposed by any jurisdiction as a result of, or in connection with, the enforcement of the Notes, such Guarantee or this Indenture or any such other document or instrument following the occurrence of any Event of Default with respect to the Notes. Neither the Issuers nor any Guarantor will, however, pay such amounts that are imposed on or result from a sale or other transfer or disposition by a Holder or beneficial owner of a Note.

(g) The preceding provisions will survive any termination, defeasance or discharge of this Indenture and shall apply *mutatis mutandis* to any jurisdiction in which any successor person to the Issuers or any Guarantor is organized, incorporated or otherwise resident or engaged in or carrying on business for tax purposes and any political subdivision or taxing authority or agency thereof or therein.

ARTICLE IV

SUCCESSOR ISSUER: Successor Person

SECTION 4.1. Merger, Amalgamation and Consolidation.

(a) The Issuer will not consolidate with or merge or amalgamate with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(1) the Issuer is the surviving Person or the resulting, surviving or transferee Person (the "Successor Company") will be a Person organized or existing under the laws of the jurisdiction of the Issuer or the United States of America, any state of the United States, the District of Columbia, Canada or any province or territory thereof and the Successor Company (if not the Issuer) will expressly assume all the obligations of the Issuer under the Notes and this Indenture and the Collateral Documents and if such Successor Company is not a corporation, a co-obligor of the Notes is a corporation organized or existing under such laws;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the applicable Successor Company or any Subsidiary of the applicable Successor Company as a result of such transaction as having been Incurred by the applicable Successor Company or such Subsidiary at the time of such transaction), no Event of Default shall have occurred and be continuing;

(3) immediately after giving pro forma effect to such transaction, either (i) the applicable Successor Company would be able to Incur at least an additional \$1.00 of Indebtedness pursuant to Section 3.2(a), (ii) the Fixed Charge Coverage Ratio would not be lower than it was immediately prior to giving effect to such transaction or (iii) the Consolidated Total Leverage Ratio would not be higher than it was immediately prior to giving effect to such transaction; and

(4) the Issuer shall have delivered to the Trustee and the Collateral Agent an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, amalgamation or transfer and such supplemental indenture (if any) comply with this Indenture and an Opinion of Counsel stating that such supplemental indenture (if any) is a legal and binding agreement enforceable against the applicable Successor Company (in each case, in form satisfactory to the Trustee and the Collateral Agent), *provided* that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact, including as to satisfaction of Sections 4.1(a)(2) and (3).

(b) For purposes of this Section 4.1, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Issuer, which properties and assets, if held by the Issuer instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Issuer on a consolidated basis, shall be deemed to be a transfer of all or substantially all of the properties and assets of the Issuer.

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Issuer under the Notes, this Indenture and the Collateral Documents and the Issuer will automatically and unconditionally be released and discharged from its obligations under the Notes, this Indenture and the Collateral Documents, but in the case of a lease of all or substantially all its assets, the predecessor company will not be released from its obligations under such Notes, this Indenture or the Collateral Documents.

(d) [Reserved].

(e) Notwithstanding any other provision of this Section 4.1, (i) the Issuer may consolidate or otherwise combine with, merge or amalgamate with or into or transfer all or part of its properties and assets to the the Co-Issuer or a Guarantor, (ii) the Issuer may consolidate, amalgamate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Issuer, reincorporating the Issuer in another jurisdiction, or changing the legal form of the Issuer, (iii) any Restricted Subsidiary may consolidate, amalgamate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Issuer, the Co-Issuer or a Guarantor, (iv) any Restricted Subsidiary may consolidate, amalgamate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary and (v) the Issuer and its Restricted Subsidiaries may complete any Permitted Tax Restructuring.

(f) The foregoing provisions (other than the requirements of Section 4.1(a)(2)) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary of the Issuer or to the Combination.

(g) No Guarantor may consolidate with or merge or amalgamate with or into, or convey, transfer or lease all or substantially all its assets, in one or a series of related transactions, to any Person, unless:

(1) the other Person is the Issuer, the Co-Issuer or any Restricted Subsidiary that is Guarantor or becomes a Guarantor concurrently with the transaction; or

(2) (A) either (x) the Issuer, the Co-Issuer or a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all of the obligations of the Guarantor under its Guarantee of the Notes, this Indenture and the Collateral Documents; and

(B) immediately after giving effect to the transaction, no Event of Default shall have occurred and be continuing; or

1. the transaction constitutes a sale, disposition (including by way of consolidation, merger or amalgamation) or transfer of the Guarantor or the sale, disposition, conveyance, transfer or lease of all or substantially all of the assets of the Guarantor (in each case other than to the Issuer or a Restricted Subsidiary) otherwise permitted by this Indenture.

(h) Notwithstanding any other provision of this Section 4.1, any Guarantor may (a) consolidate, amalgamate or otherwise combine with, merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer, (b) consolidate, amalgamate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Guarantor, reincorporating the Guarantor in another jurisdiction, or changing the legal form of the Guarantor, (c) convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, (d) liquidate or dissolve or change its legal form if the Issuer determines in good faith that such action is in the best interests of the Issuer and (e) complete any Permitted Tax Restructuring. Notwithstanding anything to the contrary in this Section 4.1, the Issuer may contribute Capital Stock of any or all of its Subsidiaries to any Guarantor.

(i) A sale, lease or other disposition by the Issuer of any part of its assets shall not be deemed to constitute the sale, lease or other disposition of substantially all of its assets for purposes of this Indenture if the fair market value of the assets retained by the Issuer exceeds 100% of the aggregate principal amount of all outstanding Notes and any other outstanding Indebtedness of the Issuer that ranks equally with, or senior to, the Notes with respect to such assets. Such fair market value shall be established by the delivery to the Trustee of an independent expert's certificate stating the independent expert's opinion of such fair market value as of a date not more than 90 days before or after such sale, lease or other disposition. This paragraph is not intended to limit the Issuer's sales, leases or other dispositions of less than substantially all of its assets.

(j) Any reference herein to a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, limited partnership or trust, or an allocation of assets to a series of a limited liability company, limited partnership or trust (or the unwinding of such a division or allocation), as if it were a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, limited partnership or trust shall constitute a separate Person hereunder (and each division of any limited liability company, limited partnership or trust that is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

ARTICLE V

REDEMPTION OF SECURITIES

SECTION 5.1. Notices and Opinions to Trustee.

(a) If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 5.7 hereof, the Issuers must furnish to the Trustee, at least 10 days but not more than 60 days before a Redemption Date, an Officer's Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the Redemption Date;
- (3) the principal amount of Notes to be redeemed;
- (4) the redemption price; and

(5) in the case of any redemption pursuant to Section 5.7(d), that the Issuers are entitled to effect such redemption and a statement of facts showing that the conditions precedent to the right of the Issuers so to redeem have occurred (including that such obligation to pay such Additional Amounts cannot be avoided by the Issuers taking reasonable measures available to it).

Any optional redemption referenced in such Officer's Certificate may be canceled by the Issuers at any time prior to notice of redemption being sent to any Holder and thereafter shall be null and void.

(b) In the case of any redemption pursuant to Section 5.7(d), in addition to the Officer's Certificate described in Section 5.1(a), the Issuers must also deliver to the Trustee a written opinion of independent legal counsel of recognized standing qualified under the laws of the Relevant Taxing Jurisdiction and reasonably satisfactory to the Trustee to the effect that the Issuers are or would be obligated to pay such Additional Amounts as a result of a Change in Tax Law.

The Trustee will accept, and shall be entitled to rely on, such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent to such redemption, without further inquiry, in which event it will be conclusive and binding on the Holders.

SECTION 5.2. Selection of Notes to Be Redeemed or Purchased. If less than all of the Notes are to be redeemed at any time, the Trustee will select the Notes for redemption in compliance with the requirements of the principal securities exchange, if any, on which such Notes are listed, as certified to the Trustee by the Issuers, and in compliance with the requirements of DTC, or if the Notes are not so listed or such exchange prescribes no method of selection and such Notes are not held through DTC or DTC prescribes no method of selection, the Trustee will select by lot or on a pro rata basis, subject to adjustments so that no Note in an unauthorized denomination remains outstanding after such redemption; *provided, however*, that no Note of \$2,000 in aggregate principal amount or less shall be redeemed in part.

SECTION 5.3. Notice of Redemption.

(a) At least 10 days but not more than 60 days before a Redemption Date, the Issuers will send or cause to be sent, by electronic delivery or, at the Issuers' option, by first class mail postage prepaid, a notice of redemption to each Holder (with a copy to the Trustee) whose Notes are to be redeemed at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles VIII or XI hereof; *provided, however*, that in the case of any redemption made pursuant to Section 5.7(d), no such notice of redemption will be given (i) earlier than 90 days prior to the earliest date on which the Issuers would be obliged to make such payment of Additional Amounts or withholding if a payment in respect of the Notes were then due and (ii) unless at the time such notice is given, the obligation to pay Additional Amounts remains in effect.

(b) The notice will identify the Notes (including the CUSIP or ISIN number) to be redeemed and will state:

(1) the Redemption Date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Issuers default in making such redemption payment, interest and Additional Amounts, if any, on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes; and
- (9) if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the Redemption Date or by the Redemption Date so delayed.

(c) If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed, in which case a portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. In the case of a global note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof. Subject to the terms of the applicable redemption notice (including any conditions contained therein), Notes called for redemption become due on the date fixed for redemption. On and after the Redemption Date, unless the Issuers default in the payment of the redemption price, interest ceases to accrue on Notes or portions of them called for redemption.

(d) At the Issuers' request, the Trustee will give the notice of redemption in the Issuers' name and at their expense; *provided, however*, that the Issuers' have delivered to the Trustee, at least five Business Days (or such shorter period as may be agreed to by the Trustee) before notice of redemption is required to be sent or caused to be sent to Holders pursuant to this Section 5.3, an Officer's Certificate requesting that the Trustee give such notice, which shall include a form of the notice setting forth the information provided in the preceding paragraphs of this Section 5.3.

SECTION 5.4. Effect of Notice of Redemption. Once notice of redemption is sent in accordance with Section 5.3 hereof, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price. Notice of any redemption of the Notes may, at the Issuer's discretion, be given prior to the completion of a transaction (including an Equity Offering, an incurrence of Indebtedness, a Change of Control or other transaction) and any redemption notice may, at the Issuers' discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related transaction, and may include multiple amounts of Notes that may be redeemed and the conditions precedent applicable to such amounts. If such redemption or purchase is so subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the Redemption Date may be delayed until such time (including more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied (or waived by the Issuers in their discretion), or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date, or by the Redemption Date as so delayed. In addition, the Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person.

SECTION 5.5 Deposit of Redemption or Purchase Price. On or prior to 10:00 a.m. Eastern Time on the redemption or purchase date, the Issuers will deposit with the Trustee or with the Paying Agent money sufficient to

pay the redemption or purchase price of and accrued interest and Additional Amounts, if any, on, all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest and Additional Amounts, if any, on, all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest and Additional Amounts, if any, will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest up to, but excluding the Redemption Date (as defined below) shall be paid on the Redemption Date to the Person in whose name such Note was registered at the close of business on such record date in accordance with the applicable procedures of DTC, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Issuers. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 3.1 hereof.

SECTION 5.6. Notes Redeemed or Purchased in Part. Upon surrender of a Note that is redeemed or purchased in part, the Issuers will issue and, upon receipt of an Issuer Order, the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; *provided*, that each such new Note will be in a principal amount of \$2,000 or integral multiple of \$1,000 in excess thereof.

SECTION 5.7 Optional Redemption.

(a) At any time prior to October 15, 2025, the Issuers may redeem the Notes in whole or in part, at their option, upon not less than 10 nor more than 60 days' prior notice by electronic delivery or by first class mail, postage prepaid, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, at a redemption price equal to 100% of the principal amount of such Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest (including Additional Amounts, if any), if any, to, but excluding, the date of redemption (the "Redemption Date"), subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to October 15, 2023, the Issuers may redeem Notes with the Net Cash Proceeds received by the Issuer from any Equity Offering at a redemption price equal to 104.000% of the principal amount of such Notes, plus accrued and unpaid interest, if any, (including Additional Amounts, if any) to, but excluding, the Redemption Date, in an aggregate principal amount for all such redemptions not to exceed 40% of the aggregate principal amount of the Notes issued under this Indenture on the Issue Date (together with the Additional Notes); *provided* that (1) in each case the redemption takes place not later than 180 days after the closing of the related Equity Offering, and (2) not less than 50% of the aggregate principal amount of the then-outstanding Notes issued under this Indenture remains outstanding immediately thereafter (including Additional Notes but excluding Notes held by the Issuer or any of its Restricted Subsidiaries), unless all such Notes are redeemed substantially concurrently. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6.

(c) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer or Asset Disposition Offer, if Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuers, or any third party making such a tender offer in lieu of the Issuers, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuers or such third party will have the right upon not less than 10 nor more than 60 days' prior notice, given not more than 10 days following such purchase date, to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the price offered to each other Holder (excluding

any early tender or incentive fee) in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the date of such redemption.

(d) The Issuers may, at their option, redeem the Notes, in whole but not in part, at any time upon not less than 10 days' nor more than 60 days' notice to the Holders (which notice shall be given in accordance with Section 5.3), at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest thereon to the date fixed for redemption (a "Tax Redemption Date"), premium, if any, and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if the Issuer determines in good faith that the Issuers are, or on the next date on which any amount would be payable in respect of the Notes, would be obligated to pay Additional Amounts in respect of the Notes pursuant to the terms and conditions thereof, which the Issuers cannot avoid by the use of reasonable measures available to it (including, without limitation, making payment through a payment agent located in another jurisdiction), as a result of:

(1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of any Relevant Taxing Jurisdiction affecting taxation which becomes effective on or after the Issue Date or, in the case of a Relevant Taxing Jurisdiction that did not become a Relevant Taxing Jurisdiction until after the Issue Date, the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under this Indenture; or

(2) any change in, or amendment to, the official application, administration, or interpretation of the laws, regulations or rulings of any Relevant Taxing Jurisdiction (including by virtue of a holding, judgment, or order by a court of competent jurisdiction or change in published practice or revenue guidance), on or after the Issue Date or, in the case of a Relevant Taxing Jurisdiction that did not become a Relevant Taxing Jurisdiction until after the Issue Date, the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under this Indenture (each of the foregoing clauses (1) and (2), a "Change in Tax Law");

provided, however, the Issuers may not redeem the Notes under this paragraph (d) if the Change in Tax Law obliging the Issuers to pay Additional Amounts was (i) officially announced by the Relevant Taxing Jurisdiction's tax authority or a court (including, for the avoidance of doubt, an announcement by or on behalf of the Minister of Finance (Canada) or any provincial or territorial counterpart) or (ii) validly enacted into law by the Relevant Taxing Jurisdiction, in each case, prior to the Issue Date or, in the case of a Relevant Taxing Jurisdiction that did not become a Relevant Taxing Jurisdiction until after the Issue Date, the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under this Indenture.

This paragraph (d) shall apply *mutatis mutandis* to any successor Person, after such successor Person becomes a party to this Indenture, with respect to a Change in Tax Law occurring after the time such successor Person becomes a party to this Indenture.

(e) Except pursuant to paragraphs (a), (b), (c) and (d) of this Section 5.7, the Notes will not be redeemable at the Issuers' option prior to October 15, 2025.

(f) At any time and from time to time on or after October 15, 2025, the Issuers may redeem the Notes in whole or in part, at their option, upon not less than 10 nor more than 60 days' notice by electronic delivery or by first class mail, postage prepaid, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register at a redemption price equal to the percentage of principal amount set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to, but excluding, the applicable Redemption Date, if redeemed during the twelve-month period beginning on October 15 of the year indicated below:

| Year | Percentage |
|---------------------|-------------------|
| 2025 | 102.000% |
| 2026 | 101.333% |
| 2027 | 100.667% |
| 2028 and thereafter | 100.000% |

(g) Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(h) Any redemption pursuant to this Section 5.7 shall be made pursuant to the provisions of Sections 5.1 through 5.6.

SECTION 5.8. Mandatory Redemption. The Issuers are not required to make mandatory redemption payments or sinking fund payments with respect to the Notes; *provided, however*, that under certain circumstances, the Issuers may be required to offer to purchase Notes under Section 3.5 and Section 3.9. The Issuers, their equity holders, including the Investor, their respective Affiliates and members of management may at any time and from time to time purchase Notes in the open market, by tender offer or otherwise.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.1. Events of Default.

(a) Each of the following is an “Event of Default”:

(1) default in any payment of interest or Additional Amounts, if any, on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure to comply for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of at least 30% in aggregate principal amount of the outstanding Notes with any agreement or obligation contained in this Indenture or the Collateral Documents; *provided* that in the case of a failure to comply with Section 3.10 hereof, such period of continuance of such default or breach shall be 270 days after written notice described in this clause has been given;

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Issuer or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Issuer and its Restricted Subsidiaries) would constitute a Significant Subsidiary) (or the payment of which is Guaranteed by the Issuer or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Issuer and its Restricted Subsidiaries) would constitute a Significant Subsidiary)) other than Indebtedness owed to the Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:

(A) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods) provided in such Indebtedness (“payment default”); or

(B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default of principal at its stated final maturity (after giving effect to any applicable grace periods) or the maturity of which has been so accelerated, aggregates the greater of \$375 million and 15.0% of LTM EBITDA or more at any one time outstanding;

(5) the Issuer, the Co-Issuer or a Significant Subsidiary or group of Restricted Subsidiaries that taken together (as of the latest audited consolidated financial statements for the Issuer and its Restricted Subsidiaries), would constitute a Significant Subsidiary:

(A) commences a voluntary bankruptcy or insolvency case or proceeding under any Bankruptcy Law;

(B) consents to the entry of an order for relief against it in an involuntary bankruptcy or insolvency case or proceeding under any Bankruptcy Law;

(C) consents to the appointment of a Custodian of it or for substantially all of its property;

(D) makes a general assignment for the benefit of its creditors pursuant to any Bankruptcy Law;

(E) consents to or acquiesces in the institution of a bankruptcy or an insolvency proceeding against it; or

(F) takes any comparable action under any foreign laws relating to insolvency;

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer, the Co-Issuer or a Significant Subsidiary, or group of Restricted Subsidiaries that together (as of the latest audited consolidated financial statements for the Issuer and its Restricted Subsidiaries) would constitute a Significant Subsidiary, in an involuntary bankruptcy or insolvency case or proceeding;

(B) appoints a Custodian of the Issuer, the Co-Issuer or a Significant Subsidiary or group of Restricted Subsidiaries that together (as of the latest audited consolidated financial statements for the Issuer and its Restricted Subsidiaries), would constitute a Significant Subsidiary, for substantially all of the property of the Issuer, the Co-Issuer or such Significant Subsidiary or such group of Restricted Subsidiaries, as applicable;

(C) orders the winding up or liquidation of the Issuer, the Co-Issuer or a Significant Subsidiary, or group of Restricted Subsidiaries that together (as of the latest audited consolidated financial statements for the Issuer and its Restricted Subsidiaries), would constitute a Significant Subsidiary; or

(D) any similar relief is granted under any foreign laws;

and the order, decree or relief remains unstayed and in effect for 60 consecutive days;

(7) failure by the Issuer, the Co-Issuer or any Significant Subsidiary (or group of Restricted Subsidiaries that taken together (as of the latest audited consolidated financial statements for the Issuer and

its Restricted Subsidiaries) would constitute a Significant Subsidiary), to pay final judgments aggregating in excess of the greater of \$375.0 million and 15.0% of LTM EBITDA other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(8) any Guarantee of the Notes by a Significant Subsidiary ceases to be in full force and effect, other than (A) in accordance with the terms of this Indenture, (B) a Guarantor denies or disaffirms its obligations under its Guarantee of the Notes, other than in accordance with the terms thereof or upon release of such Note Guarantee in accordance with this Indenture or (C) in connection with any bankruptcy or insolvency proceeding in respect of a Guarantor, so long as the aggregate assets of such Guarantor and any other Guarantor whose Note Guarantee ceased or ceases to be in full force as a result of any bankruptcy or insolvency proceeding are less than the greater of \$375.0 million and 15.0% of LTM EBITDA;

(9) unless such Liens have been released in accordance with the provisions of the Collateral Documents, the Notes Liens with respect to all or substantially all of the Collateral cease to be valid or enforceable, or the Issuer or the Co-Issuer shall assert or any Guarantor shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable and, in the case of any such Guarantor, the Issuer fails to cause such Guarantor to rescind such assertions within 30 days after the Issuer has actual knowledge of such assertions; or

(10) the failure by the Issuer, the Co-Issuer or any Guarantor to comply for 60 days after notice with its other agreements contained in the Collateral Documents except for a failure that would not be material to the Holders of the Notes and would not materially affect the value of the Collateral taken as a whole.

(b) Notwithstanding the foregoing, a default under Section 6.1(a)(3), (4), (6) or (9) will not constitute an Event of Default until the Trustee or the Holders of at least 30% in aggregate principal amount of the outstanding Notes notify the Issuer of the Default and, with respect to Section 6.1(a)(3), (6) and (9) the Issuer does not cure such Default within the time specified in Section 6.1(a)(3), (6) and (9), as applicable, after receipt of such notice; provided that a notice of Default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of Default. Any notice of Default, notice of acceleration or instruction to the Trustee or Collateral Agent, if applicable, to provide a notice of Default, notice of acceleration or take any other action (a "Noteholder Direction") provided by any one or more Holders (each, a "Directing Holder") must be accompanied by a written representation from each such Holder delivered to the Issuers and the Trustee and Collateral Agent, if applicable, that such Holder is not (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that are not) Net Short (a "Position Representation"), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of Default shall be deemed a continuing representation until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder is deemed, at the time of providing a Noteholder Direction, to covenant to provide the Issuers with such other information as the Issuers may reasonably request from time to time in order to verify the accuracy of such Directing Holder's Position Representation within five Business Days of request therefor (a "Verification Covenant"). In any case in which the Holder is DTC or its nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee and DTC shall be entitled to conclusively rely on such Position Representation and Verification Covenant in delivering its direction to the Trustee and Collateral Agent, if applicable.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers determine in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officer's Certificate stating that the Issuers have initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from

the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstated and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers provide to the Trustee an Officer's Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstated and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void *ab initio*, with the effect that such Event of Default shall be deemed never to have occurred, acceleration voided and the Trustee and Collateral Agent, if applicable, shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default.

Notwithstanding anything in the preceding two paragraphs to the contrary, any Noteholder Direction delivered to the Trustee and the Collateral Agent, if applicable, during the pendency of an Event of Default as the result of a bankruptcy or similar proceeding shall not require compliance with the foregoing paragraphs.

For the avoidance of doubt, the Trustee and Collateral Agent shall be entitled to conclusively rely on any Noteholder Direction delivered to it in accordance with this Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, enforce compliance with any Verification Covenant, verify any statements in any Officer's Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. Neither the Trustee nor the Collateral Agent shall have any liability to the Issuers, any Holder or any other Person in acting in good faith on a Noteholder Direction.

SECTION 6.2. Acceleration.

(a) If an Event of Default (other than an Event of Default described in Sections 6.1(a)(5) and (a)(6) with respect to the Issuer or the Co-Issuer) occurs and is continuing, the Trustee by written notice to the Issuers or the Holders of at least 30% in principal amount of the outstanding Notes by written notice to the Issuer and the Trustee, may declare the principal of, and accrued and unpaid interest, including Additional Amounts, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest, including Additional Amounts, if any, will be due and payable immediately.

In the event of any Event of Default specified in Section 6.1(a)(4), such Event of Default and all consequences thereof shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

(1) (x) the Indebtedness that gave rise to such Event of Default shall have been discharged in full; or

(y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(z) if the default that is the basis for such Event of Default has been remediated or cured; and

(e) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction; and.

(b) If an Event of Default described in Sections 6.1(a)(5) and (a)(6) with respect to the Issuer or the Co-Issuer occurs and is continuing, the principal of, and accrued and unpaid interest, if any, including Additional

Amounts, if any, on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

(c) (i) If a Default for a failure to report or failure to deliver a required certificate in connection with another Default (the “Initial Default”) occurs, then at the time such Initial Default is cured, such Default for failure to report or failure to deliver a required certificate in connection with another Default that resulted solely because of that Initial Default shall also be cured without any further action and (ii) any Default or Event of Default for the failure to comply with the time periods prescribed under Section 3.10, or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by Section 3.10 or such notice or certificate, as applicable, even though such delivery is not within the prescribed period specified herein. Any time period in this Indenture to cure any actual or alleged Default or Event of Default may be extended or stayed by a court of competent jurisdiction.

SECTION 6.3. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, or interest, including Additional Amounts, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, (a) waive, by their consent (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an existing Default or Event of Default and its consequences under this Indenture except (i) a Default or Event of Default in the payment of the principal of or interest (including Additional Amounts, if any) on a Note or (ii) a Default or Event of Default in respect of a provision that under Section 9.2 cannot be amended without the consent of each Holder affected and (b) rescind any acceleration with respect to the Notes and its consequences if (1) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (2) all existing Events of Default have been cured or waived except nonpayment of principal, premium, if any, or interest, including Additional Amounts, if any, that has become due solely because of the acceleration, (3) to the extent the payment of such interest, including Additional Amounts, if any, is lawful, interest on overdue installments of interest, premium, if any, and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid, (4) the Issuers have paid the Trustee its compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances and (5) in the event of the cure or waiver of an Event of Default of the type described in clause (4) of Section 6.1, the Trustee shall have received an Officer’s Certificate and an Opinion of Counsel stating that such Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto. When a Default or Event of Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any consequent right.

SECTION 6.5. Control by Majority. Subject to the terms of the Collateral Documents, the Holders of a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or the Collateral Agent or of exercising any trust or power conferred on the Trustee or the Collateral Agent. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or the Notes or, subject to Sections 7.1 and 7.2, that the Trustee determines is unduly prejudicial to the rights of other Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any actions are unduly prejudicial to such Holders) or would involve the Trustee in personal liability (it being understood that the Trustee shall have no duty to determine whether any direction is prejudicial to any Holder); *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any such action hereunder, the Trustee and the

Collateral Agent shall be entitled to indemnification satisfactory to each of them against all losses, liabilities and expenses that may be caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. Subject to Section 6.7, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 30% in principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) such Holders have offered in writing and, if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and
- (5) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture (including, without limitation, Section 6.6), the right of any Holder to institute suit for the enforcement of payment of principal of or interest, including Additional Amounts, if any, on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, shall not be impaired without the consent of such Holder; *provided that* for the avoidance of doubt, the amendment, supplement or modification in accordance with the terms of this Indenture of Articles III and IV and Sections 6.1(a)(3), (4), (8) and (9) and the related definitions shall be deemed not to impair the right of any Holder to institute suit for the enforcement of payment of principal of or interest, including Additional Amounts, if any, on the Notes held by such Holder.

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in Section 6.1(a)(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount then due and owing (together with interest on any unpaid interest and Additional Amounts, if any, to the extent lawful) and the amounts provided for in Section 7.7.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer, its Subsidiaries or its or their respective creditors or properties and, unless prohibited by law or applicable regulations, may be entitled and empowered to participate as a member of any official committee of creditors appointed in such matter and may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, compromise, adjustment or composition

affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10 Priorities.

(a) Subject to Section 12.14 and the provisions of the Intercreditor Agreements and the Collateral Documents, if the Trustee collects any money or property pursuant to this Article VI it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due to it under Section 7.7;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, or premium, if any, and interest and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal of, or premium, if any, and interest (including Additional Amounts, if any), respectively; and

THIRD: to the Issuers, or to the extent the Trustee collects any amount for any Guarantor, to such Guarantor.

(b) The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Issuers shall send or cause to be sent to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by the Issuers, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 10% in outstanding principal amount of the Notes.

SECTION 6.12. Reporting Defaults. Notwithstanding any other provision of this Indenture, the sole remedy for an Event of Default relating to the failure to comply with the reporting obligations under Section 3.10, will for the 365 days after the occurrence of such an Event of Default consist exclusively, to the extent permitted by applicable law, of the right to receive additional interest on the principal amount of the Notes at a rate equal to 0.50% per annum. This additional interest, if any, will be payable in the same manner and subject to the same terms as other interest payable under this Indenture. This additional interest, if any, will accrue on all outstanding Notes from and including the date on which an Event of Default relating to a failure to comply with the reporting obligations under Section 3.10 first occurs to, but excluding, the 365th day thereafter (or such earlier date on which the Event of Default relating to such reporting obligations is cured or waived). If the Event of Default resulting from such failure to comply with the reporting obligations is continuing on such 365th day, such additional interest will cease to accrue and the Notes will be subject to the other remedies provided under this Article VI.

ARTICLE VII

TRUSTEE

SECTION 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing and is known to the Trustee, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth as duties of the Trustee in this Indenture, the Notes, the Collateral Documents or the Interc Creditor Agreements and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of gross negligence on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, opinions or orders furnished to the Trustee and conforming to the requirements of this Indenture or the Notes, as the case may be. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture or the Notes, as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.1;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5; and

(4) No provision of this Indenture or the Notes shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.1.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.1.

SECTION 7.2. Rights of Trustee. Subject to Section 7.1:

(a) The Trustee may conclusively rely on and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgment, order or other paper or document (whether in its original, facsimile or other electronic form) reasonably believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document. The Trustee shall receive and retain financial reports and statements of the Issuer as provided herein, but shall have no duty to

review or analyze such reports or statements to determine compliance with covenants or other obligations of the Issuers.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate and/or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel.

(c) The Trustee may execute any of the trusts and powers hereunder or perform any duties hereunder either directly or by or through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care by it hereunder.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel relating to this Indenture or the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder or under the Notes in good faith and in reliance on the advice or opinion of such counsel.

(f) The Trustee shall not be deemed to have notice of any Default or Event of Default or whether any entity or group of entities constitutes a Significant Subsidiary unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or of any such Significant Subsidiary is received by the Trustee at the corporate trust office of the Trustee specified in Section 3.11, and such notice references the Notes and this Indenture.

(g) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder, including the Collateral Agent.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Notes at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered, and if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against the losses, liabilities and expenses which may be incurred therein or thereby.

(i) The Trustee shall not be deemed to have knowledge of any fact or matter unless such fact or matter is actually known to a Trust Officer of the Trustee.

(j) Whenever in the administration of this Indenture or the Notes the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder or thereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of gross negligence or willful misconduct on its part, conclusively rely upon an Officer's Certificate.

(k) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, report, notice, request, direction, consent, order, bond, debenture, coupon or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, during business hours and upon reasonable notice, the books, records and premises of the Issuer and the Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

- (l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.
- (m) The Trustee may request that the Issuers deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or the Notes.
- (n) In no event shall the Trustee be liable to any Person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if the Trustee has been advised of the likelihood of such loss or damage.
- (o) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers shall be sufficient if signed by one Officer of the Issuers.
- (p) The permissive rights of the Trustee under this Indenture and the Notes Documents shall not be construed as duties.

SECTION 7.3. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers, the Guarantors or their respective Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11. In addition, the Trustee shall be permitted to engage in transactions with the Issuers; *provided, however*, that if the Trustee acquires any conflicting interest, the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the SEC for permission to continue acting as Trustee or (iii) resign.

SECTION 7.4. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, shall not be accountable for the Issuers' use of the proceeds from the sale of the Notes, shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee or any money paid to the Issuers pursuant to the terms of this Indenture or the other Notes Documents and shall not be responsible for any statement of the Issuers in this Indenture, the Notes Documents or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

SECTION 7.5. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if a Trust Officer has actual knowledge thereof, the Trustee shall send electronically or by first class mail to each Holder at the address set forth in the Notes Register notice of the Default or Event of Default within 60 days after it is actually known to a Trust Officer. Except in the case of a Default or Event of Default in payment of principal of, or interest (including Additional Amounts, if any) on any Note (including payments pursuant to the optional redemption or required repurchase provisions of such Note), the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of Holders.

SECTION 7.6. [Reserved].

SECTION 7.7. Compensation and Indemnity. The Issuers shall pay to the Trustee from time to time compensation for its services hereunder and under the Notes as the Issuers and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing reports, certificates and other documents, costs of preparation and mailing of notices to Holders. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the agents, counsel, accountants and experts of the Trustee. The Issuers shall indemnify the Trustee, its officers, directors, employees and agents against any and all fees, loss, liability, damages, claims or expense, including taxes (other than taxes based upon the income of the Trustee) (including reasonable attorneys' and agents' fees and expenses) incurred by it without willful misconduct or gross negligence, as determined by a court of competent jurisdiction, on its part in connection with the

administration of this trust and the performance of its duties hereunder and under the Notes, including the fees, costs and expenses of enforcing this Indenture (including this Section 7.7) and the Notes and of defending itself against any claims (whether asserted by any Holder, the Issuers or otherwise). The Trustee shall notify the Issuers promptly of any claim for which it may seek indemnity of which it has received written notice. Failure by the Trustee to so notify the Issuers shall not relieve the Issuers of their obligations hereunder. The Issuers shall defend the claim and the Trustee shall provide reasonable cooperation at the Issuers' expense in the defense. The Trustee may have separate counsel and the Issuers shall pay the fees and expenses of such counsel; *provided* that the Issuers shall not be required to pay the fees and expenses of such separate counsel if it assumes the Trustee's defense, and, in the reasonable judgment of outside counsel to the Trustee, there is no conflict of interest between the Issuers and the Trustee in connection with such defense; *provided further that*, the Issuers shall be required to pay the reasonable fees and expenses of such counsel in evaluating such conflict.

To secure the Issuers' payment obligations in this Section 7.7, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee. Such lien shall survive the satisfaction and discharge of this Indenture. The Trustee's respective right to receive payment of any amounts due under this Section 7.7 shall not be subordinate to any other liability or Indebtedness of the Issuers.

The Issuers' payment obligations pursuant to this Section 7.7 shall survive the discharge of this Indenture and the resignation or removal of the Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs fees, expenses or renders services after the occurrence of a Default specified in Section 6.1(a)(5) or (6), the fees and expenses (including the reasonable fees and expenses of its counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.8 Replacement of Trustee. The Trustee may resign at any time by so notifying the Issuers in writing not less than 30 days prior to the effective date of such resignation. The Holders of a majority in principal amount of the Notes may remove the Trustee by so notifying the removed Trustee in writing not less than 30 days prior to the effective date of such removal and may appoint a successor Trustee with the Issuers' written consent, which consent will not be unreasonably withheld. The Issuers shall remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Issuers or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee as described in the preceding paragraph, or if a vacancy exists in the office of the Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall, at the expense of the Issuers, promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.7.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10% in principal amount of the Notes may petition, at the Issuers' expense, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, unless the Trustee's duty to resign is stayed, any Holder, who has been a bona fide Holder of a Note for at least six months, may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.8, the Issuers' obligations under Section 7.7 shall continue for the benefit of the retiring Trustee. The predecessor Trustee shall have no liability for any action or inaction of any successor Trustee.

SECTION 7.9 Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall only apply to its successor or successors by merger, consolidation or conversion.

SECTION 7.10. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is authorized to exercise corporate trustee power. The Trustee shall have a combined capital and surplus of at least \$100 million as set forth in its most recent published annual report of condition.

SECTION 7.11. [Reserved].

SECTION 7.12. Trustee's Application for Instruction from the Issuers. Any application by the Trustee for written instructions from the Issuers may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three Business Days after the date any Officer of the Issuers actually receive such application, unless any such Officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

SECTION 7.13. Collateral Documents; Intercreditor Agreements. By their acceptance of the Notes, the Holders hereby authorize and direct the Trustee and Collateral Agent, as the case may be, to execute and deliver the Intercreditor Agreements and any other Collateral Documents in which the Trustee or the Collateral Agent, as applicable, is named as a party, including any Collateral Documents executed after the Issue Date. It is hereby expressly acknowledged and agreed that, in doing so, the Trustee and the Collateral Agent are (a) expressly authorized to make the representations attributed to Holders in any such agreements and (b) not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under, the Intercreditor Agreements or any other Collateral Documents, the Trustee and the Collateral Agent each shall have all of the rights, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

ARTICLE VIII

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.1. Option to Effect Legal Defeasance or Covenant Defeasance: Defeasance. The Issuers and the Guarantors may, at their option and at any time, elect to have either Section 8.2 or 8.3 hereof be applied to all outstanding Notes upon compliance with the conditions set forth in this Article VIII.

SECTION 8.2. Legal Defeasance and Discharge. Upon the Issuers' exercise under Section 8.1 hereof of the option applicable to this Section 8.2, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth in Section 8.4 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.5 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all of their other obligations under such Notes, the Note Guarantees, this Indenture and the Collateral Documents (and the Trustee, on written demand of and at the expense of the Issuers, shall execute such instruments reasonably requested by the Issuers acknowledging the same) and to have cured all then existing Events of Default, except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of Notes issued under this Indenture to receive payments in respect of the principal of, premium, if any, and interest (including Additional Amounts, if any) on the Notes when such payments are due solely out of the trust referred to in Section 8.4 hereof;
- (2) the Issuers' obligations with respect to the Notes under Article II concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and Section 3.11 hereof concerning the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee and the Issuers' or Guarantors' obligations in connection therewith; and
- (4) this Article VIII with respect to provisions relating to Legal Defeasance.

Subject to compliance with this Section 8.2, the Issuers may exercise their option under this Section 8.2 notwithstanding the prior exercise of their option under Section 8.3 hereof.

SECTION 8.3. Covenant Defeasance. Upon the Issuer's exercise under Section 8.1 hereof of the option applicable to this Section 8.3, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be released from each of their obligations under the covenants contained in Sections 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.19, 3.20, 3.21, 3.22, 3.26 and Section 4.1 (except Section 4.1(a)(1) and (2)) hereof with respect to the outstanding Notes on and after the date of the conditions set forth in Section 8.4 hereof are satisfied (hereinafter, "Covenant Defeasance"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Issuers and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.1 hereof, but, except as specified in this Section 8.3, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.1 hereof of the option applicable to this Section 8.3, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, Sections 6.1(a)(3) (solely with respect to the defeased covenants listed above), 6.1(a)(4), 6.1(a)(5) (with respect only to a Guarantor that is a Significant Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary), 6.1(a)(6) (with respect only to a Guarantor that is a Significant

Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary), 6.1(a)(7), 6.1(a)(8) and 6.1(a)(10) hereof shall not constitute Events of Default.

SECTION 8.4. Conditions to Legal or Covenant Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.2 or 8.3 hereof:

(1) the Issuers must (i) irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. Dollars or U.S. Government Obligations or a combination thereof in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and premium, if any, and interest (including Additional Amounts, if any) due on the Notes issued under this Indenture on the stated maturity date or on the applicable Redemption Date, as the case may be; *provided*, that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the “Applicable Premium Deficit”) only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee at least two Business Days prior to the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption, and (ii) specify whether such Notes are being defeased to maturity or to a particular Redemption Date;

(2) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee:

(A) an Opinion of Counsel in the United States confirming that, subject to customary assumptions and exclusions, stating that (i) the Issuers has received from, or there has been published by, the United States Internal Revenue Service a ruling or (ii) since the issuance of such Notes, there has been a change in the applicable U.S. federal income tax law, and in either case of clause (i) or (ii) stating that, and based thereon such Opinion of Counsel in the United States shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes, in their capacity as holders of the Notes, will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; and

(B) (i) an Opinion of Counsel in Canada, subject to customary assumptions and exceptions, to the effect that, based upon Canadian law then in effect, the holders of the Notes, in their capacity as holders of the Notes, will not recognize income, gain or loss for Canadian federal, provincial or territorial or other tax purposes, as a result of such Legal Defeasance and will be subject to Canadian taxes on the same amounts and in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred or (ii) an advance tax ruling directed to the Trustee received from the Canada Revenue Agency to the same effect as the Opinion of Counsel described in clause (i) above;

(3) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee:

(A) an Opinion of Counsel in the United States to the effect that, subject to customary assumptions and exclusions, the beneficial owners of the Notes, in their capacity as holders of the Notes, will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(B) (i) an Opinion of Counsel in Canada, subject to customary assumptions and exceptions, to the effect that, based upon Canadian law then in effect, the holders of the Notes,

in their capacity as holders of the Notes, will not recognize income, gain or loss for Canadian federal, provincial or territorial or other tax purposes, as a result of such Covenant Defeasance and will be subject to Canadian taxes on the same amounts and in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred or (ii) an advance tax ruling directed to the Trustee received from the Canada Revenue Agency to the same effect as the Opinion of Counsel described in clause (i) above;

(4) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Credit Facilities or any other material agreement or instrument (other than this Indenture) to which, the Issuer, the Co-Issuer or any Guarantor is a party or by which the Issuer, the Co-Issuer or any Guarantor is bound;

(6) the Issuers shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuers; and

(7) the Issuers shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent provided for or relating to Legal Defeasance or Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.5. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.6 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.5, the "Trustee") pursuant to Section 8.4 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers acting as Paying Agents) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest (including Additional Amounts, if any), but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.4 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article VIII to the contrary, the Trustee will deliver or pay to the Issuers from time to time upon the request of the Issuers any money or U.S. Government Obligations held by it as provided in Section 8.4 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.4(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.6. Repayment to the Issuers. Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium or interest (including Additional Amounts, if any) on, any Note and remaining unclaimed for two years after such principal, premium or interest (including Additional Amounts, if any) has become due and payable shall be paid to the Issuers on their written request unless an abandoned property law designates another Person or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof unless an abandoned property law designates another Person, and all liability of the Trustee or such

Paying Agent with respect to such trust money, and all liability of the Issuers as trustees thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Issuers cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuers.

SECTION 8.7. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or U.S. Dollars or U.S. Government Obligations in accordance with Section 8.2 or 8.3 hereof, as the case may be, by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.2 or 8.3 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.2 or 8.3 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium or interest (including Additional Amounts, if any) on, any Note following the reinstatement of its obligations, the Issuers will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE XI

AMENDMENTS

SECTION 9.1. Without Consent of Holders. Notwithstanding Section 9.2 of this Indenture, the Issuers, any Guarantor (with respect to its Note Guarantee or this Indenture), as applicable, the Trustee, the Collateral Agent and the other parties thereto, as applicable, may amend, supplement or modify this Indenture and any other Notes Documents and the Issuer may direct the Trustee or Collateral Agent to, and the Trustee or Collateral Agent shall, enter into an amendment to any Intercreditor Agreements, without the consent of any Holder, to:

- (5) make any change (including changing the CUSIP or other identifying number on any Notes) that would provide any additional rights or benefits to the Holders or that does not adversely affect the rights of any Holder in any material respect;
- (6) at the Issuers' election, comply with any requirement of (i) the SEC in connection with the qualification of this Indenture under the TIA, if such qualification is required or (ii) trust indenture legislation under the federal laws of Canada or any province or territory therein, to the extent such legislation is applicable;
- (7) make such provisions as necessary (as determined in good faith by the Issuer) for the issuance of Additional Notes;

- (8) provide for any Restricted Subsidiary to provide a Note Guarantee in accordance with Section 3.2, to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under any Notes Document;

- (10) add an obligor or a Guarantor under this Indenture;
- (11) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including to facilitate the issuance and administration of Notes; *provided, however*, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act, Canadian Securities Legislation or any other applicable securities law and (ii) such amendment does not adversely affect the rights of Holders to transfer Notes in any material respect;
- (12) mortgage, pledge, hypothecate or grant any other Lien in favor of the Collateral Agent for its benefit and the benefit of the Trustee, the Holders of the Notes and the holders of any other Second Priority Obligations, as additional security for the payment and performance of all or any portion of the Second Priority Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee or the Collateral Agent pursuant to any Notes Document or otherwise;
- (13) provide for the release of Collateral from the Lien pursuant to the Notes Documents when permitted or required by any Notes Document;
- (14) secure (i) any Future First Lien Indebtedness, Future Second Lien Indebtedness, Junior Priority Indebtedness, First Priority Obligations or Second Priority Obligations to the extent permitted under the Notes Documents or (ii) any Existing Notes or any guarantees thereof to the extent required by the indenture governing such Existing Notes;
- (15) comply with the rules and procedures of any applicable securities depositary; and
- (16) make any amendment to the provisions of this Indenture, the Guarantees and/or the Notes to eliminate the effect of any Accounting Change or in the application thereof as described in the last paragraph of the definition of "GAAP."

Subject to Section 9.2, upon the request of the Issuers, or amendment or supplement to the Notes Documents, and upon receipt by the Trustee and the Collateral Agent, as applicable, of the documents described in Sections 9.6 and 13.3 hereof, the Trustee and the Collateral Agent, if applicable, will join with the Issuers and the Guarantors, if applicable, in the execution of any amended or supplemental indenture or amendment or supplement to the Notes Documents unless such amended or supplemental indenture affects the Trustee's or Collateral Agent's own rights, duties or immunities under this Indenture, the other Notes Documents or otherwise, in which case the Trustee and Collateral Agent, if applicable, may in their discretion, but will not be obligated to, enter into such amended or supplemental indenture or amendment or supplement to the Notes Documents. Notwithstanding the foregoing, no Opinion of Counsel shall be required in connection with the addition of a Guarantor under this Indenture upon (i) execution and delivery by such Guarantor and the Trustee and the Collateral Agent of a supplemental indenture to this Indenture, the form of which is attached as Exhibit B hereto and (ii) delivery of an Officer's Certificate complying with the provisions of Sections 9.6, 13.3 and 13.4 hereof.

After an amendment or supplement under this Section 9.1 becomes effective, the Issuers shall mail to Holders a notice briefly describing such amendment or supplement. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment or supplement under this Section 9.1.

SECTION 9.2. With Consent of Holders.

(a) Except as provided in this Section 9.2, the Issuers, the Guarantors, the Trustee and the Collateral Agent may amend, supplement or otherwise modify the Notes Documents with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding, including, without limitation, consents obtained before or after a Change of Control or in connection with a purchase of, or tender offer or exchange offer for, Notes, and, subject to Sections 6.4 and 6.7 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest (including Additional Amounts, if any) on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Notes Documents may be waived with the consent of the Holders of at least a majority in aggregate principal amount of all then outstanding Notes (including consents obtained before or after a Change of Control or in connection with a purchase of or tender offer or exchange offer for Notes). Section 2.12 hereof and Section 13.5 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.2.

Upon the request of the Issuers, and upon the filing with the Trustee and Collateral Agent, as applicable, of evidence of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee and Collateral Agent of the documents described in Sections 9.6 and 13.3 hereof, the Trustee and Collateral Agent, if applicable, will join with the Issuers and the Guarantors, if applicable, in the execution of any amended or supplemental indenture or amendment or supplement to the Notes Documents unless such amended or supplemental indenture or amendment or supplement to the Notes Documents affects the Trustee’s or Collateral Agent’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee and Collateral Agent, if applicable, may in their discretion, but will not be obligated to, enter into such amended or supplemental indenture or amendment or supplement to the Notes Documents.

(b) Without the consent of each Holder of Notes affected, an amendment, supplement or waiver may not, with respect to any Notes issued thereunder and held by a nonconsenting Holder:

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment;
- (2) reduce the stated rate of or extend the stated time for payment of interest on any such Note (other than provisions relating to Sections 3.5 and 3.9);
- (3) reduce the principal of or extend the Stated Maturity of any such Note (other than provisions relating to Change of Control and Asset Dispositions);
- (4) reduce the premium payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case as set forth in Section 5.7;
- (5) make any such Note payable in currency other than that stated in such Note;
- (6) impair the right of any Holder to institute suit for the enforcement of any payment of principal of and interest on such Holder’s Notes on or after the due dates therefor;
- (7) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes outstanding and a waiver of the payment default that resulted from such acceleration);

(8) make any change in the provisions in the Intercreditor Agreements or this Indenture dealing with the application of proceeds of Collateral that would adversely affect the Holders of the Notes in any material respect; or

(9) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.2.

In addition, without the consent of the Holders of at least two-thirds in aggregate principal amount of the Notes then outstanding, no amendment or waiver may release all or substantially all of the Collateral from the Lien of this Indenture and the Collateral Documents with respect to the Notes.

It shall not be necessary for the consent of the Holders under this Indenture to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under this Indenture by any Holder of the Notes given in connection with a tender or exchange of such Holder's Notes will not be rendered invalid by such tender or exchange.

After an amendment or supplement under this Section 9.2 becomes effective, the Issuers shall mail to Holders a notice briefly describing such amendment or supplement. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment or supplement.

SECTION 9.3. [Reserved]

SECTION 9.4. Revocation and Effect of Consents and Waivers. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent or waiver as to such Holder's Note or portion of its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described in this Section 9.4 or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.5. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Issuer Order, authenticate new Notes that reflect the amendment, supplement or waiver. Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.6. Trustee to Sign Amendments. The Trustee and Collateral Agent shall sign any amended or supplemental indenture authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee and Collateral Agent. In executing any amended or supplemental indenture, the Trustee shall receive and (subject to Sections 7.1 and 7.2 hereof) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 13.3 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and is valid, binding and enforceable against the Issuers or any Guarantor, as the case may be, in accordance with its terms.

ARTICLE X

GUARANTEE

SECTION 10.1. Guarantee. Subject to the provisions of this Article X, each Guarantor hereby fully, unconditionally and irrevocably guarantees (the "Note Guarantees"), as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder of the Notes, the Trustee and the Collateral Agent the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest (including Additional Amounts, if any) on the Notes, fees, expenses, indemnities and all other Obligations and liabilities of the Issuers under this Indenture (including without limitation interest (including Additional Amounts, if any) accruing after the filing of any petition or application in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to either Issuer or any Guarantor whether or not a claim for post filing or post petition interest is allowed in such proceeding and the obligations under Section 7.7) (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor agrees that the Guaranteed Obligations will rank equally in right of payment with other Indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guaranteed Obligations, in which case the obligations of the Guarantors under the Note Guarantees will rank senior in right of payment to such other Indebtedness.

To evidence its Note Guarantee set forth in this Section 10.1, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

Each Guarantor hereby agrees that its Note Guarantee set forth in this Section 10.1 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Note Guarantee shall be valid nevertheless.

Each Guarantor further agrees (to the extent permitted by law) that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article X notwithstanding any extension or renewal of any Guaranteed Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Issuers of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations.

Each Guarantor further agrees that its Note Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guaranteed Obligations.

Except as set forth in Section 10.2, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guaranteed Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guaranteed Obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Issuers or any other person under this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder for the Guaranteed Obligations; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Issuers; (g) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may

or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor agrees that its Note Guarantee herein shall remain in full force and effect until payment in full of all the Guaranteed Obligations or such Guarantor is released from its Note Guarantee in compliance with Section 10.2, Article VIII or Article XI. Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest (including Additional Amounts, if any) on any of the Guaranteed Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy, insolvency or reorganization of either Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuers to pay any of the Guaranteed Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations then due and owing and (ii) accrued and unpaid interest (including Additional Amounts, if any) on such Guaranteed Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition or application in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to either Issuer or any Guarantor whether or not a claim for post filing or post petition interest is allowed in such proceeding).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Note Guarantee.

Each Guarantor also agrees to pay any and all fees, costs and expenses (including attorneys' fees and expenses) incurred by the Collateral Agent, Trustee or the Holders in enforcing any rights under this Section 10.1.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantee or pursuant to its contribution obligations under this Indenture, not render the obligations of such Guarantor under its Note Guarantee subject to avoidance under applicable law as a fraudulent conveyance, fraudulent transfer or unjust preference, including under federal, foreign, state or provincial law and otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Any Note Guarantee of a Guarantor shall be automatically and unconditionally released and discharged:

(1) upon a sale, exchange, transfer or other disposition (including by way of merger, amalgamation, consolidation, dividend distribution or otherwise) of the Capital Stock of such Guarantor or the sale, exchange, transfer or other disposition, of all or substantially all of the assets of the Guarantor to any Person other than to the Issuer or a Restricted Subsidiary and as otherwise permitted by this Indenture;

(2) upon the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary or the occurrence of any event after which the Guarantor is no longer a Restricted Subsidiary;

- (3) upon defeasance or discharge of the Notes, as provided in Article VIII or XI;
- (4) to the extent that such Guarantor is not an Immaterial Subsidiary solely due to the operation of clause (i) of the definition of “Immaterial Subsidiary,” upon the release of the guarantee referred to in such clause;
- (5) upon such Guarantor being (or being substantially concurrently) released or discharged from all of (i) its obligations under all of its Guarantees of payment by the Issuers of any Indebtedness of the Issuers under the Credit Agreement or (ii) in the case of a Note Guarantee made by a Guarantor (each, an “Other Guarantee”) as a result of its guarantee of other Indebtedness of the Issuers or a Guarantor pursuant to Section 3.7, the relevant Indebtedness, except in the case of (i) or (ii), a release as a result of the repayment in full of the Indebtedness specified in clause (i) or (ii) (it being understood that a release subject to a contingent reinstatement is still considered a release, and if any such Indebtedness of such Guarantor under the Credit Agreement or any Other Guarantee is so reinstated, such Note Guarantee shall also be reinstated);
- (6) upon the merger, amalgamation or consolidation of any Guarantor with and into the Issuer, the Co-Issuer or another Guarantor or upon the liquidation of such Guarantor, in each case, in compliance with the applicable provisions of this Indenture;
- (7) upon the achievement of Investment Grade Status by the Notes; *provided* that such Note Guarantee shall be reinstated upon the Reversion Date; or
- (8) as described under Article IX.

SECTION 10.3. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Note Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Issuers or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee, the Collateral Agent and the Holders and each Guarantor shall remain liable to the Trustee, the Collateral Agent and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 10.4 No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee, the Collateral Agent or any Holder against the Issuers or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee, the Collateral Agent or any Holder for the payment of the Guaranteed Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuers or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee, the Collateral Agent and the Holders by the Issuers on account of the Guaranteed Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee, the Collateral Agent and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guaranteed Obligations.

ARTICLE XI

SATISFACTION AND DISCHARGE

SECTION 11.1 Satisfaction and Discharge. This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(a) either:

(1) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuers) have been delivered to the Trustee for cancellation; or

(2) all such Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable by reason of the making of a notice of redemption or otherwise or (ii) will become due and payable within one year at their Stated Maturity or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers;

(b) the Issuers have deposited or caused to be deposited with the Trustee money in U.S. Dollars or U.S. Government Obligations, or a combination thereof, as applicable, in an amount sufficient to pay and discharge the entire indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest (including Additional Amounts, if any) to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or Redemption Date, as the case may be; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, as calculated by the Issuers or on behalf of the Issuers by such Person as the Issuers shall designate, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption, and any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee at least two Business Days prior to the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(c) the Issuers have paid or caused to be paid all other sums payable under this Indenture;

(d) the Issuers have delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of such Notes issued hereunder at maturity or the Redemption Date, as the case may be; and

(e) the Issuers have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent under this Article XI relating to the satisfaction and discharge of this Indenture have been complied with; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with clauses (a), (b) and (c)).

Notwithstanding the satisfaction and discharge of this Indenture, the indemnification rights of the Trustee and the Collateral Agent and the Issuers' obligations with respect thereto and, if money has been deposited with the Trustee pursuant to clause (b) of this Section 11.1, the provisions of Sections 11.2 and 8.6 hereof, will survive.

SECTION 11.2. Application of Trust Money. Subject to the provisions of Section 8.6 hereof, all money deposited with the Trustee pursuant to Section 11.1 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent for itself and the Co-Issuer) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest (including Additional Amounts, if any) for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 11.1 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.1 hereof; *provided* that if the Issuers have made any payment of principal of, premium, if any, or interest (including Additional Amounts, if any) on, any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE XII

COLLATERAL

SECTION 12.1 Collateral Documents. The due and punctual payment of the principal of, premium and interest (including Additional Amounts, if any) on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Notes and performance of all other Obligations of the Issuers and the Guarantors to the Holders or the Trustee under this Indenture, the Notes, the Note Guarantees, the Intercreditor Agreements and the Collateral Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Collateral Documents, which define the terms of the Liens that secure the Obligations, subject to the terms of the Intercreditor Agreements. The Trustee and the Issuers hereby acknowledge and agree that the Collateral Agent holds the Collateral in trust for the benefit of the Holders and the Trustee and pursuant to the terms of the Collateral Documents and the Intercreditor Agreements. Each Holder, by accepting a Note, consents and agrees to the terms of the Collateral Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreements, and authorizes and directs the Collateral Agent and the Trustee to enter into (including by way of joinder or accession and by way of appointing the Existing Second Lien Notes Collateral Agent to serve as representative of the Collateral Agent) the Collateral Documents and the Intercreditor Agreements and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuers shall deliver to the Collateral Agent copies of all documents required to be filed pursuant to the Collateral Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 12.1, to assure and confirm to the Collateral Agent the security interest in the Collateral contemplated hereby, by the Collateral Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. The Issuer shall, and shall cause the Subsidiaries of the Issuer to, take any and all actions and make all filings (including the filing of UCC or PPSA financing statements, continuation statements and amendments thereto (or analogous procedures under the applicable laws in the relevant Covered Jurisdiction)) required to cause the Collateral Documents to create and maintain, as security for the Obligations of the Issuers and the Guarantors to the Notes Secured Parties under this Indenture, the Notes, the Note Guarantees, the Intercreditor Agreements and the Collateral Documents, a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of the Intercreditor Agreements and the Collateral Documents), in favor of the Collateral Agent for the benefit of the Holders and the Trustee subject to no Liens other than Permitted Liens. The Issuer shall, and shall cause the Subsidiaries of the Issuer to, take any and all actions and make all filings (including the filing of UCC or PPSA financing statements, continuation statements and amendments thereto (or analogous procedures under the applicable laws in the relevant Covered Jurisdiction)) required to create and maintain, as security for the Obligations of the THI Notes Issuer under the Existing THI Notes and the THI Notes Guarantors and under the Existing THI Notes, a valid and enforceable perfected Lien and security interest in and on all of the Shared Collateral (subject to the terms of the applicable Intercreditor Agreement and any security agreements, hypothecs, intellectual property security agreements, mortgages, collateral assignments, security agreement supplements, pledge agreements, bonds or any similar agreements, guarantees and each of the other agreements, instruments or documents that creates or purports to create a Lien or guarantee in favor of the THI Notes Trustee for its benefit and the benefit of the holders of the Existing THI Notes, in all or any portion of the Shared Collateral).

SECTION 12.2. [Reserved].

SECTION 12.3. Release of Collateral.

(a) Subject to Sections 12.3(b) and (c) hereof, the Liens securing the Notes will be automatically released, and the Trustee (subject to its receipt of an Officer's Certificate and Opinion of Counsel as provided below) shall execute documents evidencing such release, or instruct the Collateral Agent to execute, as applicable, the same at the Issuers' sole cost and expense, under one or more of the following circumstances:

(i) in whole upon:

(A) payment in full of the principal of, together with accrued and unpaid interest (including Additional Amounts, if any) on, the Notes and all other Obligations under this Indenture, the Note Guarantees and the Collateral Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid;

(B) satisfaction and discharge of this Indenture as set forth under Article XI; or

(C) a Legal Defeasance or Covenant Defeasance of this Indenture as set forth under Article VIII;

(ii) in whole or in part, with the consent of Holders of the Notes in accordance with Article IX of this Indenture;

(iii) in part, as to any asset constituting Collateral:

(A) that is sold or otherwise disposed of:

(I) by an Issuer or any Guarantor to any Person that is not an Issuer or a Guarantor organized in the same jurisdiction in a transaction not prohibited by this Indenture at the time of such transfer or disposition, including, without limitation, as a result of a transaction of the type permitted under Section 3.5 (*provided* that in the event of a transfer of assets from an Issuer or any Guarantor to another Issuer or Guarantor organized in a different jurisdiction, the Trustee shall release, or instruct the Collateral Agent to release, such Lien if such transferee Issuer or Guarantor takes all actions reasonably necessary to grant a Lien in such transferred assets to the Collateral Agent (to the extent required by this Indenture and the Collateral Documents)),

(II) if all Liens on that asset securing the First Priority Obligations then secured by that asset are released, or

(III) in connection with the taking of an enforcement action by the First Priority Designated Agent in respect of the First Priority Obligations in accordance with the First Priority/Second Priority Intercreditor Agreement,

(B) that is held by a Guarantor that ceases to be a Guarantor,

(C) that becomes Excluded Property, or

(D) that is otherwise released in accordance with the applicable provisions of this Indenture, the Collateral Documents and the First Priority/Second Priority Intercreditor Agreement;

provided that, on the date of the Discharge of Senior Lender Claims, the Second Priority Liens on the Collateral will not be released, except to the extent that such Collateral or any portion thereof was disposed of in compliance with the terms of the First Priority/Second Priority Intercreditor Agreement in order to repay First Priority Obligations secured by such Collateral; *provided, further*, that, in no event shall the Second Priority Liens on the Collateral have priority over any First Priority Liens, whether arising prior to or after the date of incurrence of such First Priority Liens.

(b) With respect to any release of Collateral, upon receipt of an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent under this Indenture and the Collateral Documents and the First Priority/Second Priority Intercreditor Agreement, as applicable, to such release have been met and that it is proper for the Trustee or Collateral Agent to execute and deliver the documents requested by the Issuers in connection with such release, and any necessary or proper instruments of termination, satisfaction, discharge or release prepared by the Issuers, the Trustee shall, or shall cause the Collateral Agent to, execute, deliver or acknowledge (at the Issuers' expense) such instruments or releases to evidence the release and discharge of any Collateral permitted to be released pursuant to this Indenture or the Collateral Documents or the First Priority/Second Priority Intercreditor Agreement. Neither the Trustee nor the Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officer's Certificate or Opinion of Counsel, and notwithstanding any term hereof or in any Collateral Document or in the First Priority/Second Priority Intercreditor Agreement to the contrary, the Trustee and the Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction, discharge or termination, unless and until it receives such Officer's Certificate and Opinion of Counsel.

(c) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Notes has been accelerated (whether by declaration or otherwise) and the Trustee has delivered notice of acceleration to the Collateral Agent, no release of Collateral pursuant to the provisions of this Indenture or the Collateral Documents shall be effective as against the Holders, except as otherwise provided in the Intercreditor Agreements.

SECTION 12.4. Suits to Protect the Collateral. Subject to the provisions of Article VII hereof and the Collateral Documents and the Intercreditor Agreements, the Trustee, without the consent of the Holders, on behalf of the Holders, may or may direct the Collateral Agent to take all actions it determines in order to:

- (a) enforce any of the terms of the Collateral Documents; and
- (b) collect and receive any and all amounts payable in respect of the Obligations hereunder.

Subject to the provisions of the Collateral Documents and the Intercreditor Agreements, the Trustee and the Collateral Agent shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Collateral Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 12.4 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Collateral Agent.

SECTION 12.5. Authorization of Receipt of Funds by the Trustee Under the Collateral Documents. Subject to the provisions of the Intercreditor Agreements, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Collateral Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

SECTION 12.6 Purchaser Protected. In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Collateral Agent or the Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article XII to be

sold be under any obligation to ascertain or inquire into the authority of the Issuer, the Co-Issuer or the applicable Guarantor to make any such sale or other transfer.

SECTION 12.7. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XII upon the Issuer, the Co-Issuer or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer, the Co-Issuer or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article XII; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

SECTION 12.8 Release Upon Termination of the Issuers' Obligations. In the event that the Issuers deliver to the Trustee an Officer's Certificate certifying that (i) payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Obligations under this Indenture, the Notes, the Note Guarantees and the Collateral Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest, are paid or (ii) the Issuers shall have exercised their Legal Defeasance option or their Covenant Defeasance option, in each case in compliance with the provisions of Article VIII, and an Opinion of Counsel stating that all conditions precedent to the execution and delivery of such notice by the Trustee have been satisfied, the Trustee shall deliver to the Issuers and the Collateral Agent a notice, in form reasonably satisfactory to the Collateral Agent, stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral (other than with respect to funds held by the Trustee pursuant to Article VIII), and any rights it has under the Collateral Documents, and upon receipt by the Collateral Agent of such notice, the Collateral Agent shall be deemed not to hold a Lien in the Collateral on behalf of the Trustee and shall do or cause to be done (at the expense of the Issuers) all acts reasonably requested by the Issuers to release and discharge such Lien as soon as is reasonably practicable.

SECTION 12.9 Collateral Agent.

(a) The Trustee and each of the Holders by acceptance of the Notes hereby designates and appoints the Collateral Agent as its agent under this Indenture, the Collateral Documents and the Intercreditor Agreements and the Trustee and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Collateral Documents and the Intercreditor Agreements and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Indenture, the Collateral Documents and the Intercreditor Agreements, and consents and agrees to the terms of the Intercreditor Agreements and each Collateral Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Collateral Agent agrees to act as such on the express conditions contained in this Section 12.9. The provisions of this Section 12.9 are solely for the benefit of the Collateral Agent and none of the Trustee, any of the Holders nor any of the Grantors shall have any rights as a third party beneficiary of any of the provisions contained herein other than as expressly provided in Section 12.4. Each Holder agrees that any action taken by the Collateral Agent in accordance with the provision of this Indenture, the Intercreditor Agreements and the Collateral Documents, and the exercise by the Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Collateral Documents and the Intercreditor Agreements, the duties of the Collateral Agent shall be ministerial and administrative in nature, and the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the other Notes Documents to which the Collateral Agent is a party, nor shall the Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Collateral Documents and the Intercreditor Agreements or otherwise exist against the Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Indenture with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Collateral Agent may perform any of its duties under this Indenture, the Collateral Documents or the Intercreditor Agreements by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person's Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates, (a "Related Person") and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Collateral Agent shall not be responsible for the negligence or willful misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith.

(c) None of the Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Collateral Document or the Intercreditor Agreements or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Issuer, the Co-Issuer or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, or any other Notes Documents, or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Indenture, the Collateral Documents or the Intercreditor Agreements, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Collateral Documents or the Intercreditor Agreements, or for any failure of any Grantor or any other party to this Indenture, the Collateral Documents or the Intercreditor Agreements to perform its obligations hereunder or thereunder. None of the Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Collateral Documents or the Intercreditor Agreements or to inspect the properties, books, or records of any Grantor or any Grantor's Affiliates.

(d) The Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuers or any other Grantor), independent accountants and other experts and advisors selected by the Collateral Agent. The Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgment, order, bond, debenture, or other paper or document. The Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Collateral Documents or the Intercreditor Agreements unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Notes as it determines and, if it so requests, it shall first be indemnified to its satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Collateral Documents or the Intercreditor Agreements in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

If no successor collateral agent is appointed and consented to by the Issuers pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Collateral Agent, and the term "Collateral Agent" shall mean such successor collateral agent, and the retiring Collateral Agent's appointment, powers and duties as the Collateral Agent shall be terminated. The Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Collateral Agent nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) The Collateral Agent and the Trustee are authorized and directed to (i) enter into (including by way of joinder or accession and by way of appointing the Existing Second Lien Notes Collateral Agent to serve as representative of the Collateral Agent) the Collateral Documents to which it is party, whether executed before, on or after the Issue Date, (ii) enter into (including by way of joinder or accession) the Intercreditor Agreements, (iii) make the representations of the Holders set forth in the Collateral Documents and the Intercreditor Agreements, (iv) bind the Holders on the terms as set forth in the Collateral Documents and the Intercreditor Agreements and (v) perform and observe its obligations under the Collateral Documents and the Intercreditor Agreements.

Should the Trustee obtain possession of any such Collateral, upon request from the Issuers, the Trustee shall notify the Collateral Agent thereof and promptly shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

(k) The Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been

encumbered, or that the Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all or the Grantor's property constituting collateral intended to be subject to the Lien and security interest of the Collateral Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Collateral Agent pursuant to this Indenture, any Collateral Document or the Intercreditor Agreements other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, the Collateral Agent shall have no other duty or liability whatsoever to the Trustee or any Holder as to any of the foregoing.

(l) If the Issuer, the Co-Issuer or any Guarantor (i) incurs any obligations in respect of First Priority Obligations or Future Second Lien Indebtedness at any time when no First Priority/Second Priority Intercreditor Agreement is in effect or at any time when Indebtedness constituting First Priority Obligations or Second Priority Obligations, as applicable, entitled to the benefit of an existing First Priority/Second Priority Intercreditor Agreement is concurrently retired, and (ii) delivers to the Collateral Agent an Officer's Certificate so stating and requesting the Collateral Agent to enter into an intercreditor agreement (on substantially the same terms as the First Priority/Second Priority Intercreditor Agreement) in favor of a designated agent or representative for the holders of the First Priority Obligations or Future Second Lien Indebtedness so incurred, the Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Issuers, including legal fees and expenses of the Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder.

(m) If the Issuer, the Co-Issuer or any Guarantor incurs any obligations in respect of Junior Priority Indebtedness and delivers to the Collateral Agent an Officer's Certificate so stating and requesting the Collateral Agent to enter into an intercreditor agreement (on terms that are customary for such financings as determined by the Issuers in good faith reflecting the subordination of such Liens to the Liens secured by Notes and Note Guarantees) in favor of a designated agent or representative for the holders of the Junior Priority Indebtedness so incurred, the Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Issuers, including legal fees and expenses of the Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder.

(n) No provision of this Indenture, the Intercreditor Agreements or any Collateral Document shall require the Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Collateral Agent) if it shall have received indemnity satisfactory to the Collateral Agent against potential costs and liabilities incurred by the Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the Intercreditor Agreements or the Collateral Documents, in the event the Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Collateral Agent has determined that the Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances unless the Collateral Agent has received security or indemnity from the Holders in an amount and in a form all satisfactory to the Collateral Agent in its sole discretion, protecting the Collateral Agent from all such liability. The Collateral Agent shall at any time be entitled to cease taking any action described in this paragraph (n) if it no longer reasonably deems any indemnity, security or undertaking from the Issuers or the Holders to be sufficient.

(o) The Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the Intercreditor Agreements and the Collateral Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be

liable for interest on any money received by it except as the Collateral Agent may agree in writing with the Issuers (and money held in trust by the Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Collateral Agent shall not be construed to impose duties to act.

(p) Neither the Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, pandemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(q) The Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Issuer, the Co-Issuer or any other Grantor under this Indenture, the Intercreditor Agreements and the Collateral Documents. The Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in any Notes Documents or in any certificate, report, statement, or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Indenture, the Intercreditor Agreements or any Collateral Document; the execution, validity, genuineness, effectiveness or enforceability of the Intercreditor Agreements and any Collateral Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture, the Intercreditor Agreements and the Collateral Documents. The Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the Intercreditor Agreements and the Collateral Documents, or the satisfaction of any conditions precedent contained in this Indenture, the Intercreditor Agreements and any Collateral Documents. The Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the Intercreditor Agreements and the Collateral Documents unless expressly set forth hereunder or thereunder. The Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of the Notes Documents.

(r) The parties hereto and the Holders hereby agree and acknowledge that the Collateral Agent shall not assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the Intercreditor Agreements, the Collateral Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the Intercreditor Agreements and the Collateral Documents, the Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Collateral Agent in the Collateral and that any such actions taken by the Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral.

(s) Upon the receipt by the Collateral Agent of a written request of the Issuers signed by one Officer of each Issuer (a “Collateral Document Order”), the Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Collateral Document to be executed after the Issue Date. Such Collateral Document Order shall (i) state that it is being delivered to the Collateral Agent pursuant to, and is a Collateral Document Order referred to in, this Section 12.9(s), and (ii) instruct

the Collateral Agent to execute and enter into such Collateral Document. Any such execution of a Collateral Document shall be at the direction and expense of the Issuers, upon delivery to the Collateral Agent of an Officer's Certificate and Opinion of Counsel stating that all conditions precedent to the execution and delivery of the Collateral Document have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Collateral Agent to execute such Collateral Documents.

(t) Subject to the provisions of the applicable Collateral Documents and the Intercreditor Agreements, each Holder, by acceptance of the Notes, agrees that the Collateral Agent shall execute and deliver the Intercreditor Agreements and the Collateral Documents to which it is a party (or joinders thereto) and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Collateral Agent shall have no discretion under this Indenture, the Intercreditor Agreements or the Collateral Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable.

(u) After the occurrence of an Event of Default, the Trustee may direct the Collateral Agent in connection with any action required or permitted by this Indenture, the Collateral Documents or the Intercreditor Agreements.

The Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. Subject to the terms of the Collateral Documents, if the Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Collateral Agent shall be entitled to refrain from such Action unless and until the Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Collateral Agent shall not incur liability to any Person by reason of so refraining.

(x) Notwithstanding anything to the contrary in this Indenture or any other Notes Document, in no event shall the Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture or the other Notes Documents (including without limitation the filing or continuation of any UCC or PPSA financing or continuation statements or similar documents or instruments (or analogous procedures under the applicable laws in the relevant Covered Jurisdiction)), nor shall the Collateral Agent or the Trustee be responsible for, and neither the Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Collateral Documents or the security interests or Liens intended to be created thereby.

(y) Before the Collateral Agent acts or refrains from acting in each case at the request or direction of the Issuer, the Co-Issuer or the Guarantors, it may require an Officer's Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 13.4. The Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(z) Notwithstanding anything to the contrary contained herein, the Collateral Agent shall act pursuant to the instructions of the Holders and the Trustee solely with respect to the Collateral Documents and the Collateral.

SECTION 12.11. No Impairment of the Security Interests. Except as otherwise permitted under this Indenture, the Intercreditor Agreements and the Collateral Documents, neither the Issuer, the Co-Issuer nor any of the Guarantors will be permitted to take any action, or knowingly omit to take any action, which action or omission would have the result of materially impairing the security interest with respect to the Collateral for the benefit of the Trustee, the Collateral Agent and the Holders of the Notes.

SECTION 12.12. Insurance. The Issuers and the Guarantors agree that final judgment in any such suit, action or proceeding brought in such court shall be conclusive and binding upon the Issuers or the Guarantors, as the case may be, and may be enforced in any court to the jurisdiction of which the Issuers or the Guarantors, as the case may be, are subject by a suit upon such judgment.

SECTION 13.10. Waivers of Jury Trial. EACH OF THE ISSUERS, THE GUARANTORS, THE TRUSTEE AND THE COLLATERAL AGENT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE NOTE GUARANTEES AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 13.11 USA PATRIOT Act. The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "USA PATRIOT Act"), the Trustee and the Collateral Agent, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this Indenture agree that they will provide the Trustee and the Collateral Agent with such information as each may request in order to satisfy the requirements of the USA PATRIOT Act.

SECTION 13.12. No Recourse Against Others. No director, officer, employee, incorporator or shareholder of the Issuer or any of its respective Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Issuers or the Guarantors under the Notes, the Note Guarantees or this Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SECTION 13.13. Successors. All agreements of the Issuer, the Co-Issuer and each Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 13.14. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by facsimile, pdf or other electronic transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile, pdf or other electronic methods shall be deemed to be their original signatures for all purposes.

SECTION 13.15. [Reserved].

SECTION 13.16. Table of Contents; Headings. The table of contents, cross reference table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 13.17. Force Majeure. In no event shall the Trustee or the Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics or pandemics, and

interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, it being understood that the Trustee and the Collateral Agent shall use reasonable best efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 13.18. Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 13.19. Intercreditor Agreements. Reference is made to the Intercreditor Agreements. Each Holder, by its acceptance of a Note, (a) consents to the priority of Liens and payments provided for in the Intercreditor Agreements, (b) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements and (c) authorizes and instructs the Collateral Agent, the Trustee and/or the Existing Second Lien Notes Collateral Agent, as the case may be, to enter into the Intercreditor Agreements as the Collateral Agent and on behalf of such Holder, including without limitation, making the representations of the Holders contained therein, and including any amendments, restatements or supplements thereto providing for, inter alia, substantially the same rights, priorities and obligations referred to in the applicable Intercreditor Agreement and covering any other matters incidental thereto. The foregoing provisions are intended as an inducement to the lenders under the Credit Agreement to extend credit and such lenders, the trustee under the indenture governing the Existing THI Notes and the holders of the Existing Notes are each intended third party beneficiaries of such provisions and the provisions of the applicable Intercreditor Agreements.

SECTION 13.20. Appointment of Agent for Service of Process.

(a) Each Issuer and each Guarantor hereby irrevocably consents and agrees to the service of any and all legal process, summons, notices and documents in any such action, suit or proceeding brought against it by the Trustee or the Holders with respect to its obligations, liabilities or any other matter arising out of or in connection with this Indenture, the Notes or the Note Guarantees, by serving a copy thereof upon any employee of either Issuer or any Guarantor (in such capacity, the "Process Agent") at any business location that either Issuer or any Guarantor may maintain from time to time in the United States including, without limitation, at the offices of 1011778 B.C. Unlimited Liability Company, c/o Restaurant Brands International Inc., 130 King Street West, Suite 300, Toronto, Ontario, Canada M5X 1E1.

(b) If at any time either Issuer or any Guarantor has or maintains a business location in the State of New York (such Person, the "New York Presence Obligor"), then either Issuer or any Guarantor shall, within 30 days after such location is opened, is acquired or otherwise exists, irrevocably designate, appoint and empower the New York Presence Obligor as their designee, appointee and agent to receive, accept and acknowledge for and on their behalf service of any and all legal process, summons, notices and documents that may be served in any action, suit or proceeding brought against them by the Trustee or the Holders in any United States or state court located in the County of New York with respect to their obligations, liabilities or any other matter arising out of or in connection with this Indenture, the Notes or the Note Guarantees and that may be made on such designee, appointee and agent in accordance with legal procedures prescribed for such courts.

(c) The Issuer and any non-U.S. Guarantor shall promptly (and in any event within 10 days) irrevocably designate, appoint and empower Corporation Service Company, with offices currently at 1180 Avenue of the Americas, Suite 201, New York, New York (or such other third party corporate service provider of national standing), as their designee, appointee and agent to receive, accept and acknowledge for and on their behalf service of any and all legal process, summons, notices and documents that may be served in any action, suit or proceeding brought against them by the Trustee or the Holders in any such United States or state court located in the County of New York with respect to their obligations, liabilities or any other matter arising out of or in connection with this Indenture, the Notes or the Note Guarantees and that may be made on such designee, appointee and agent in accordance with legal procedures prescribed for such courts (the "Third Party Process Agent") and pay all fees and expenses required by the Third Party Process Agent in connection therewith. If for any reason such Third Party Process Agent hereunder shall cease to be available to act as such, the Issuer and each non-U.S. Guarantor agrees to

designate a new Third Party Process Agent in the County of New York on the terms and for the purposes of this Section 13.20 satisfactory to the Holders.

(d) Each Issuer and each Guarantor further hereby irrevocably consents and agrees to the service of any and all legal process, summons, notices and documents in any such action, suit or proceeding against them by (i) serving a copy thereof upon any of the relevant Process Agents specified in paragraphs (a) through (c) above, or (ii) or by mailing copies thereof by registered or certified air mail, postage prepaid, to such Issuer or such Guarantor, at its address specified in or designated pursuant to this Indenture. Each Issuer and each Guarantor agrees that the failure of any Process Agent specified in paragraphs (a) through (c) above, to give any notice of such service to it shall not impair or affect in any way the validity of such service or any judgment rendered in any action or proceeding based thereon.

(e) Nothing herein shall in any way be deemed to limit the ability of the Trustee or any Holder to serve any such legal process, summons, notices and documents in any other manner permitted by applicable law or to obtain jurisdiction over either Issuer or any Guarantor or bring actions, suits or proceedings against them in such other jurisdictions, and in such manner, as may be permitted by applicable law.

(f) Each Issuer and each Guarantor hereby irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any of the aforesaid actions, suits or proceedings arising out of or in connection with this Indenture, the Notes or the Note Guarantees brought in the United States federal courts located in the County of New York or the courts of the State of New York located in the County of New York and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

(g) The provisions of this Section 13.20 shall survive any termination of this Indenture, in whole or in part, and shall survive delivery and payment for the Notes.

SECTION 13.21. Waiver of Immunities. To the extent either Issuer or any Guarantor or any of its properties, assets or revenues may have or may hereafter become entitled to, or have attributed to them, any right of immunity, on the grounds of sovereignty, from any legal action, suit or proceeding, from set-off or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, or from attachment in aid of execution of judgment, or from execution of judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any jurisdiction in which proceedings may at any time be commenced, with respect to their obligations, liabilities or any other matter under or arising out of or in connection with this Indenture, the Notes or the Note Guarantees, each Issuer and each Guarantor hereby irrevocably and unconditionally, to the extent permitted by applicable law, waives and agrees not to plead or claim any such immunity and consents to such relief and enforcement.

SECTION 13.22. Judgment Currency. Each Issuer and each Guarantor agrees to indemnify the recipient against any loss incurred by such recipient as a result of any judgment or order being given or made against either Issuer or any Guarantor for any amount due hereunder and such judgment or order being expressed and paid in a currency (the "Judgment Currency") other than U.S. Dollars and as a result of any variation as between (i) the rate of exchange at which the Dollar amount is converted into the Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange in The City of New York at which such party on the date of payment of such judgment or order is able to purchase U.S. Dollars with the amount of the Judgment Currency actually received by such party if such party had utilized such amount of Judgment Currency to purchase U.S. Dollars as promptly as practicable upon such party's receipt thereof. The foregoing indemnity shall constitute a separate and independent obligation of each Issuer and each Guarantor and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

SECTION 13.23. Usury Savings Clause. If any provision of this Indenture or any Notes would obligate the Issuers to make any payment of or on account of interest or other amount in an amount or calculated at a rate which

would result in a receipt by any Holder of interest at a criminal rate (as such term is construed under the *Criminal Code* (Canada)), then notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not so result in a receipt by such Holder of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to such Holder, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to such Holder which would constitute "interest" for purposes of Section 347 of the *Criminal Code* (Canada).

SECTION 13.24. Interest Act (Canada). For purposes of the *Interest Act* (Canada), the annual rates of interest or fees to which the rates of interest or fees provided for in this Indenture and any Notes (and stated herein or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time other than a calendar year) are equivalent are the rates so provided for multiplied by the actual number of days in the applicable calendar year and divided by 360 or the actual number of days in such other period of time, respectively.

4.000% Second Lien Senior Secured Notes due 2030

Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture.

1. Interest

1011778 B.C. Unlimited Liability Company, an unlimited liability company organized under the laws of British Columbia, and New Red Finance, Inc., a Delaware corporation, jointly and severally promise to pay interest on the principal amount of this Note at 4.000% per annum from October 5, 2020³ until maturity. The Issuers will pay interest semi annually in arrears every April 15 and October 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided*, that the first Interest Payment Date shall be April 15, 2021.⁴ The Issuers shall pay interest on overdue principal at the rate specified herein, and it shall pay interest (including post petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (including Additional Amounts, if any) (without regard to any applicable grace period) at the same rate to the extent lawful. Interest on the Notes will be computed on the basis of a 360 day year comprised of twelve 30 day months. The yearly rate of interest that is equivalent to the rate payable under the Notes is the rate payable multiplied by the actual number of days in the year and divided by 360 and is disclosed herein solely for the purpose of providing the disclosure required by the *Interest Act* (Canada). Each interest period will end on (but not include) the relevant Interest Payment Date.

2. Method of Payment

By no later than 10:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest (including Additional Amounts, if any) on any Note is due and payable, the Issuers shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium and interest (including Additional Amounts, if any) when due. Interest (including Additional Amounts, if any) on any Note which is payable, and is timely paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the preceding April 1 and October 1 at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3 of the Indenture. The principal of (and premium, if any) and interest (including Additional Amounts, if any) on the Notes shall be payable at the office or agency of the Paying Agent or Registrar designated by the Issuers maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Issuers as may be maintained for such purpose pursuant to Section 2.3 of the Indenture; *provided, however*, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest (including Additional Amounts, if any)) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest (including Additional Amounts, if any)) held by a Holder of at least \$1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). If an Interest Payment Date is a Legal Holiday, payment

⁴ In the case of Notes issued on the Issue Date.

shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

3. Paying Agent and Registrar

The Issuers initially appoint Wilmington Trust, National Association (the “Trustee”) as Registrar and Paying Agent for the Notes. The Issuers may change any Registrar or Paying Agent without prior notice to the Holders. Either Issuer or any Guarantor may act as Paying Agent, Registrar or transfer agent.

4. Indenture

The Issuers issued the Notes under an Indenture dated as of October 5, 2020 (as it may be amended or supplemented from time to time in accordance with the terms thereof, the “Indenture”), among the Issuers, the Guarantors party thereto and the Trustee and Collateral Agent. The terms of the Notes include those stated in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of those terms. In the event of a conflict between the terms of the Notes and the terms of the Indenture, the terms of the Indenture shall prevail.

5. Guarantees

To guarantee the due and punctual payment of the principal, premium, if any, and interest (including post filing or post petition interest) (including Additional Amounts, if any) on the Notes and all other amounts payable by the Issuers under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the Guarantors will unconditionally guarantee (and future guarantors, jointly and severally with the Guarantors, will fully and unconditionally Guarantee) such obligations on a senior basis pursuant to the terms of the Indenture.

6. Optional Redemption

(a) At any time prior to October 15, 2025, the Issuers may redeem the Notes in whole or in part, at their option, upon not less than 10 nor more than 60 days’ prior notice by electronic delivery or by first class mail, postage prepaid, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, at a redemption price equal to 100% of the principal amount of such Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest (including Additional Amounts, if any), if any, to, but excluding, the date of redemption (the “Redemption Date”), subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to October 15, 2023, the Issuers may redeem Notes with the Net Cash Proceeds received by the Issuer from any Equity Offering at a redemption price equal to 104.000% of the principal amount of such Notes, plus accrued and unpaid interest, if any, (including Additional Amounts, if any) to, but excluding, the Redemption Date, in an aggregate principal amount for all such redemptions not to exceed 40% of the aggregate principal amount of the Notes issued under the Indenture on the Issue Date (together with Additional Notes); *provided* that (1) in each case the redemption takes place not later than 180 days after the closing of the related Equity Offering, and (2) not less than 50% of the aggregate principal amount of the then-outstanding Notes issued under the Indenture remains outstanding immediately thereafter (including Additional Notes but excluding Notes held by the Issuer or any of its Restricted Subsidiaries), unless all such Notes are redeemed substantially concurrently. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6 of the Indenture.

(c) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer or Asset Disposition Offer, if Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuers, or any third party making such a tender offer in lieu of the Issuers, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuers or such third party will have the right upon not less than 10 nor more than 60

days' prior notice, given not more than 10 days following such purchase date, to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the price offered to each other Holder (excluding any early tender or incentive fee) in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the date of such redemption.

(d) The Issuers may, at their option, redeem the Notes, in whole but not in part, at any time upon not less than 10 days' nor more than 60 days' notice to the Holders (which notice shall be given in accordance with Section 5.3 of the Indenture), at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest thereon to the date fixed for redemption (a "Tax Redemption Date"), premium, if any, and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if the Issuer determines in good faith that the Issuers are, or on the next date on which any amount would be payable in respect of the Notes, would be obligated to pay Additional Amounts in respect of the Notes pursuant to the terms and conditions thereof, which the Issuers cannot avoid by the use of reasonable measures available to it (including, without limitation, making payment through a payment agent located in another jurisdiction), as a result of:

1. any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of any Relevant Taxing Jurisdiction affecting taxation which becomes effective on or after the Issue Date or, in the case of a Relevant Taxing Jurisdiction that did not become a Relevant Taxing Jurisdiction until after the Issue Date, the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under the Indenture; or

2. any change in, or amendment to, the official application, administration, or interpretation of the laws, regulations or rulings of any Relevant Taxing Jurisdiction (including by virtue of a holding, judgment, or order by a court of competent jurisdiction or change in published practice or revenue guidance), on or after the Issue Date or, in the case of a Relevant Taxing Jurisdiction that did not become a Relevant Taxing Jurisdiction until after the Issue Date, the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under the Indenture (each of the foregoing clauses (1) and (2), a "Change in Tax Law");

provided, however, the Issuers may not redeem the Notes under this clause (d) if the Change in Tax Law obliging the Issuers to pay Additional Amounts was (i) officially announced by the Relevant Taxing Jurisdiction's tax authority or a court (including, for the avoidance of doubt, an announcement by or on behalf of the Minister of Finance (Canada) or any provincial or territorial counterpart) or (ii) validly enacted into law by the Relevant Taxing Jurisdiction, in each case, prior to the Issue Date or, in the case of a Relevant Taxing Jurisdiction that did not become a Relevant Taxing Jurisdiction until after the Issue Date, the date on which such Relevant Taxing Jurisdiction became a Relevant Taxing Jurisdiction under the Indenture.

This clause (d) shall apply *mutatis mutandis* to any successor Person, after such successor Person becomes a party to the Indenture, with respect to a Change in Tax Law occurring after the time such successor Person becomes a party to the Indenture.

(e) Except pursuant to clauses (a), (b), (c) and (d) of this paragraph 6, the Notes will not be redeemable at the Issuers' option prior to October 15, 2025.

(f) At any time and from time to time on or after October 15, 2025, the Issuers may redeem the Notes in whole or in part, at their option, upon not less than 10 nor more than 60 days' notice by electronic delivery or by first class mail, postage prepaid, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register at a redemption price equal to the percentage of principal amount set forth below plus accrued and unpaid interest, if any, on the Notes redeemed, to, but excluding, the applicable Redemption Date, if redeemed during the twelve-month period beginning on October 15 of the year indicated below:

| Year | Percentage |
|---------------------|-------------------|
| 2025 | 102.000% |
| 2026 | 101.333% |
| 2027 | 100.667% |
| 2028 and thereafter | 100.000% |

(g) Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(h) Any redemption pursuant to this paragraph 6 shall be made pursuant to the provisions of Sections 5.1 through 5.6 of the Indenture.

The Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Notes; *provided, however*, that under certain circumstances, the Issuers may be required to offer to purchase Notes under Section 3.5 and Section 3.9 of the Indenture. The Issuers, their equity holders, including the Investor, their respective Affiliates and members of management may at any time and from time to time purchase Notes in the open market, by tender offer or otherwise.

7. [Reserved]

8. Repurchase Provisions

If a Change of Control occurs, unless the Issuers have previously or concurrently delivered a redemption notice with respect to all outstanding Notes pursuant to Section 5.7 of the Indenture, each Holder will have the right to require the Issuers to repurchase from each Holder all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest (including Additional Amounts, if any), if any, to but excluding the date of purchase, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date as provided in, and subject to the terms of, the Indenture.

Upon certain Asset Dispositions, the Issuers may be required to use the Excess Proceeds from such Asset Dispositions to offer to purchase the maximum aggregate principal amount of Notes (that is \$2,000 or an integral multiple of \$1,000 in excess thereof) and, at the Issuers' option, *Pari Passu* Indebtedness that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest (including Additional Amounts, if any), if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in Section 3.5 and in Article V of the Indenture.

9. Denominations; Transfer; Exchange

The Notes shall be issuable only in fully registered form in minimum denominations of principal amount of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay a sum sufficient to cover any tax and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Note (A) for a period beginning (1) 15 days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) 15 days before an Interest Payment Date and ending on such Interest Payment Date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

10. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

11. Discharge and Defeasance

Subject to certain exceptions and conditions set forth in the Indenture, the Issuers at any time may terminate some or all of its obligations under the Notes and the Indenture if the Issuers deposit with the Trustee money or U.S. Government Obligations for the payment of principal, premium, if any, and interest (including Additional Amounts, if any) on the Notes to redemption or maturity, as the case may be.

12. Amendment, Supplement, Waiver

Subject to certain exceptions contained in the Indenture, the Indenture, the Notes, the Collateral Documents or the Intercreditor Agreements may be amended, supplemented or otherwise modified or a Default thereunder may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Issuers, the Guarantors and the Trustee may amend or supplement the Indenture, the Notes, the Collateral Documents or the Intercreditor Agreements as provided in the Indenture.

13. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of either Issuer) occurs and is continuing, the Trustee written by notice to the Issuers, or the Holders of at least 30% in principal amount of the outstanding Notes by written notice to the Issuers and the Trustee may declare the principal of, and accrued and unpaid interest, if any, (including Additional Amounts, if any), and any other monetary obligations on all the Notes to be due and payable immediately. Upon the effectiveness of such declaration, such principal, premium, interest (including Additional Amounts, if any) and other monetary obligations will be due and payable immediately. If a bankruptcy, insolvency or reorganization of either Issuer occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest (including Additional Amounts, if any) and any other monetary obligations on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

14. Trustee Dealings with the Issuers

Subject to certain limitations set forth in the Indenture, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers, Guarantors or their respective Affiliates with the same rights it would have if it were not Trustee. In addition, the Trustee shall be permitted to engage in transactions with the Issuers; *provided, however*, that if the Trustee acquires any conflicting interest under the TIA, the Trustee must (i) eliminate such conflict within 90 days of acquiring such conflicting interest, (ii) apply to the SEC for permission to continue acting as Trustee or (iii) resign.

15. No Recourse Against Others

No director, officer, employee, incorporator or shareholder of the Issuer or any of its respective Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Issuers or the Guarantors under the Notes, the Note Guarantees, the Collateral Documents, the Intercreditor Agreements or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

16. Authentication

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.

17. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with rights of survivorship and not as tenants in common), CUST (= custodian) and U/G/M/A (= Uniform Gift to Minors Act).

18. CUSIP and ISIN Numbers

The Issuers have caused CUSIP and ISIN numbers, if applicable, to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers, if applicable, in notices of redemption or purchase as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption or purchase and reliance may be placed only on the other identification numbers placed thereon.

19. Governing Law

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

The Issuers will furnish to any Holder upon written request and without charge to the Holder a copy of the Indenture. Requests may be made to:

The Trustee and the Collateral Agent, as the case may be, hold the Collateral in trust for the benefit of the Holders of the Notes, in each case pursuant to the Collateral Documents and the Intercreditor Agreements. Each Holder, by accepting this Note, consents and agrees to the terms of the Collateral Documents (including the provisions providing for the foreclosure and release of Collateral) and the Intercreditor Agreements as the same may be in effect or may be amended from time to time in accordance with their terms and the Indenture and authorizes and directs the Collateral Agent to enter into the Collateral Documents and the Intercreditor Agreements, and to perform its obligations and exercise its rights thereunder in accordance therewith.

2. We understand that the Notes have not been registered under the Securities Act and, unless so registered, may not be sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing Notes to offer, sell or otherwise transfer such Notes prior to the date that is one year after the later of the date of original issue and the last date on which the Issuers or any affiliate of the Issuers was the owner of such Notes (or any predecessor thereto) (the “Resale Restriction Termination Date”) only (a) to the Issuers or any Subsidiary thereof, (b) pursuant to an effective registration statement under the Securities Act, (c) in a transaction complying with the requirements of Rule 144A under the

Securities Act, to a person we reasonably believe is a “qualified institutional buyer” under Rule 144A of the Securities Act (a “QIB”) that is purchasing for its own account or for the account of a QIB and to whom notice is given that the transfer is being made in reliance on Rule 144A, (d) pursuant to offers and sales to non U.S. persons that occur outside the United States within the meaning of Regulation S under the Securities Act, (e) to an institutional “accredited investor” within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act that is not a QIB and that is purchasing for its own account or for the account of another institutional “accredited investor,” to an affiliate of such institutional “accredited investor,” in each case for investment purposes and not with a view to or for offer or sale in connection with any distribution in violation of the Securities Act or (f) pursuant to any other available exemption from the registration requirements of the Securities Act, subject in each of the foregoing cases to any requirement of law that the disposition of our property or the property of such investor account or accounts be at all times within our or their control and in compliance with any applicable state securities laws. The foregoing restrictions on resale will not apply subsequent to the Resale Restriction Termination Date. If any resale or other transfer of the Notes is proposed to be made pursuant to clause (e) above prior to the Resale Restriction Termination Date, the transferor shall deliver a letter from the transferee substantially in the form of this letter to the Issuer and the Trustee, which shall provide, among other things, that the transferee is an institutional “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act) and that it is acquiring such Notes for investment purposes and not for distribution in violation of the Securities Act. Each purchaser acknowledges that the Issuer and the Trustee reserve the right prior to any offer, sale or other transfer prior to the Resale Termination Date of the Notes pursuant to clauses (d), (e) or (f) above to require the delivery of an opinion of counsel, certifications and/or other information satisfactory to the Issuers.
